They were not disappointed, as the score stood 4 to 1 in favor of Dundalk. The Dundalk team should not feel very hilarious over the result, much less over the rough play they indulged in.

LUNG TROUBLE

Mrs. Biny Brown, of Tenecape, N.S., Was Cured by Catarrhozone of Lung Trouble and Catarrh, After Hundreds of Other Remedies Failed

If your lungs are weak; if there is consumption in your family; if Colds, Catarrh, and Bronchitis bother you be sure to use Catarrhozone It is especially adapted for these disease, and cures every time

Mrs. Brown took cough mixtures, but they made her sick. Then she used an atomizer, but, after resorting without benefit to poultices, she tried Catarrhozone.

"I used Catarrhozone Inhaler," writes Mrs. Brown, "five minutes every hour, and soon recognized that it was going to cure me. I could feel the soothing medicated air spreading through the air passages on the throat, and it touched the sore spots in the lungs that other remedies failed to reach. Catarrhozone seemed to go just where it was needed most, and soon put a stop to my cough. It restored me to perfect health, and I am convinced that no cough, cold, or catarrh can exist if Catarrhozone is used."

No treatment is so clean, so pleasant, so certain to cure as Catarrhozone. By means of the Inhaler, the local symptoms, such as coughing, inflammation and congestion are speedily corrected. Ferrozone tablets, which are taken after each meal, purify and cleanse the blood of all poisons, and build up and strengthen the system.

This local and constitutional treatment is always effective, and cures cases that have been given up as hopeless. Money can't buy or produce anything better, and to get cured it is absolutely necessary to use Catarrhozone.

A Very Successful Skating Carnival

The first carnival on the new rink came off on Friday evening last and was attended by between three and four hundred people. There were some 75 maskers on the ice. In one sense only was the affair a failure. It was supposed to be a carnival of nations, but few of the maskers took the trouble to get up national costumes. In most instances there was no competition. The maskers simply get up the most convenient available. As a result there was great variety and some very handsome outfits were in evidence. The two-mile open race was the feature of the evening. There were half a dozen entries, but the race narrowed down to three with Roy Piper in the lead, Bushfield second and Welsh third. On the twentieth round Bushfield passed Piper, who fell out, stating that he understood the judges to call him off. Then Welsh forged to the front and in the last round came in about twenty feet ahead of Bushfield. The race was a good one. Following is a list of the prize winners:

Wild Ducks Perishing

With the Georgian Bay frozen over thousands of wild ducks are perishing in the exceptionally cold weather of the last week or two. Large numbers are being found frozen to death along either shore of Owen Sound bay. The freezing over of the Georgian Bay and other bodies of water in the Great Lakes has cut off the source of food supply for these birds with the result that they are perishing in the intense cold of the past few weeks.
