

HONOUR ROLL IS PLANNED FOR OMEMEE HIGH SCHOOL

Post June 29/43

Suggestions of Friends are Invited

Omemeë, July 28—The following taken from the general register of Omemeë High School is a list of names of ex-pupils known or reported to be serving in the armed forces. It is planned to prepare a Roll of Honour for the school. As it is wished to make this list complete and accurate in every detail, relatives and friends are invited to make suggestion, or draw attention to omissions and errors. In some cases the second names or initials do not appear in the register; it would be greatly appreciated if these were supplied. Such assistance will be gratefully received by Caroline McQuade, Omemeë.
