The Free Press says that Shelburne has a wife-beater. This does not quite tally with its recent stetement that the people of that burg were "the most law abiding on God's footstool." There are few villages in Canada, we are happy to know, that harbor such a travesty on humanity as a wife beater.

The Shelburne Free Press has removed to new and luxuriant quarters in the Berwick block, just completed. Bro. Mortimer has, like a snail, been very much cramped for space during the past summer, and must feel free as a bird in his new nest. We present our complements.

J. D. Morgan of Dundalk was nominated at the Reform convention in Durham on Friday last to contest South Grey in the coming Legislativre battle. There were four names before the convention, viz.: J. D. Margan, Dundalk; Geo Bennie, Glenelg; Dr. Mearns, Hanover; and N. McKechnie, Durham.

Mr. R. N. Henderson's little daughter Maud, aged 4 years, met with a nasty accident on Saturday. Her father was drawing her along the street in a child's wagon, when she, childlike, struck at a pile of wood they were passing, and losing her balance fell against a sharp stick, cutting a large Y-shaped gash in her forehead. Dr. Carter dressed the wound, which is a nasty one.

Mr. J. H. Heard is erecting a couple of buildings on his property across the street from the factory and blacksmith shop—one a large and commodious hen house and lumber room, and the other a show room 26 x 26, two stories. The hen house will be a complete affair of its kind, intended to accommodate fifty hens. There is a basement, a hatching room and two general rooms, while the attic will be used for storing lumber.

There were two runaways in town on Tuesday, one of them resulting very seriously to a young man named David Henderson, driver for Beecroft & Talbot. This young man was thrown from a load of movables and one of the horses kicked him in the stomach, wounding him badly. He is under the doctor's care, and it is not yet known how badly he may be injured. This is the fourth runaway Henderson has been concerned in during the past few months

The periodicals of the Public Library were sold by auction on Wednesday evening last, bringing in about $17. A new scheme has been adopted to secure members. Tickets having spaces for twenty books have been issued on payment of 5 cents by members of any family holding a regular 50c ticket. This is a good plan to give the children reading, and the cost is very small. In this way a family of six could each possess a ticket for the sum of 75 cents. Think it over and hand in your name. The winter is upon us when reading is a luxury that all can indulge in.

Obituary

PEDLAR—In Eugenia, on Sunday, Oct., 31st Joseph Pedlar, aged 66 years

Mr. Pedlar was born in England and came to this country with his parents in early manhood, settling in what is now Ontario County. He married a Miss Elsie Barry of Mariposa township, by whom he has seven children living. Mr. and Mrs. Pedlar settled in Artemesia 31 years ago, on a farm on the gravel road east, about 2½ miles from Flesherton, where they remained until a few years ago, when they removed to Eugenia leaving their son Wm. on the farm. The deceased gentleman leaves a widow and seven children to mourn their loss—five sons and two daughters, viz.: Mrs. John McKee, Owen Sound; Mrs. Wm. McKee, Samuel, Richard, William, George and Robt John, all of this township. Mr. Pedlar was a member of the Methodist church from boyhood, having been baptized into that faith in England. He had been ill only a short time, the cause of death being something like paralysis of the brain. The funeral took place to Salem burial ground on Tuesday afternoon. Deceased was a brother of Mr. Samuel Pedlar, ex-councillor of Artemesia.

Some years ago a great quantity of salt water salmon fry was deposited in Georgian Bay. The experiment was tried with many doubts of its successful result, but their misgivings were unnecessary, as we find more of these fine large fish coming up the river each succeeding year. This fall the salmon have been seen as far up the Beaver as Clarksburg.—Thornbury Standard.

Ten days ago an old Frenchman left Point Aux Baril on the North Shore of Georgian Bay, for Penetang, in a small boat. Something went wrong with his craft and the wind blowing strongly off shore, he drifted out and after spending three days and nights on the water came ashore at Lonely Island, 60 miles from the point of departure. The lighthouse keeper cared for him until he had recovered from the effects of the exposure, when he was taken to his home on the mainland.

LIGHTNING PAIN HUNTER

H. HEITMAN, ESQ.
Gibraltar, June 1897.

DEAR SIR,—I would be doing an injustice to you and the public not to make known the benefits I received from your remedy known as "Lightning Pain Hunter." I sprained my ankle very badly, a short time after it got very bad again. I was unable to get around for about three months. First I tried one doctor then another, and other remedies to no end. I was nearly giving up in despair when you gave me the first bottle of "Lightning Pain Hunter" to try it on its merits; to my surprise I got immediate relief and in about three weeks I began moving around, and shortly after went to work. I thank the day I began using your Lightning Pain Hunter that set me on my feet again. We have used it for burns, scalds, bruises, coughs, sore throat, sore shoulders on the horses and cuts in winter, yet I have failed to be disappointed when applied. In fact it is our household remedy and I would not be without it. Anyone wishing to write me direct I will gladly answer them. Wishing you every success I remain, Yours truly, A. COOK.

Above is one of the many hundred testimonials pouring in, telling of the curative powers of Lightning Pain Hunter.

Shipped to any address on receipt of price.
