MARCH WEATHER RHEUMATIC WEATHER

Victims Can Cure Themselves With Dr. Williams' Pink Pills

With the coming of March people who are afflicted with rheumatism begin to have unpleasant reminders of their trouble. The weather is changeable—balmy and springlike one day, raw, cold and piercing the next. It is such sudden changes of weather that sets the pangs and tortures of rheumatism, lumbago and sciatica going. But it must be borne in mind that although weather conditions start the pains, the trouble is deeply rooted in the blood and can only be cured through the blood. All the lotions and liniments in the world can't cure rheumatism. Rubbing may seem to ease the pain while you are rubbing, but there its value ends. Only through the blood can you cure rheumatism. That's why Dr. Williams' Pink Pills have so many thousands of cures of this trouble to their credit. The new, rich blood which they actually make drives out the poisonous acid, and rheumatism is vanquished. Here is an example: Mr. W. C. Douglas, Webbwood, Ont., says: "I was attacked with inflammatory rheumatism, which spread through my entire system. For two months I was not able to go about, and seemed to be hovering between life and death. My joints were swollen and my legs and arms twisted, until I expected that they would never return to their normal shape. The doctor seemed to help me, but not to cure me, and I would be better one day and worse the next. At this time a friend strongly urged me to try Dr. Williams' Pink Pills, and I got a dozen boxes. Soon after beginning the pills there was a change for the better, and I continued using the pills until I was quite well again. The swelling disappeared from the joints. My limbs returned to their natural shape and I feel as if Dr. Williams' Pink Pills have saved me from being a rheumatic cripple. I hope my experience may prove a blessing to some other sufferer."

If you suffer from rheumatism, or any other disease of the blood, begin to cure yourself to-day with Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

KEEPING IN PRACTICE.

Why Irish Peasant Could Keep Up to Duke and Duchess.

Probably one of the heartiest laughs which the Duke of Connaught, now Governor-General of Canada, ever enjoyed, says the Tatler, was that occasioned by the remark of an Irish peasant, who one day, while the Duke was driving in Dublin with the Duchess, ran alongside the carriage and kept up with it in an astonishing fashion. So persistent was the man in his endeavors to keep pace with the carriage that at length the Duchess had the vehicle stopped, and asked the man what he wanted. He said that he was anxious to get a good look at their Royal Highnesses. The Duchess was much flattered, and asked him how he managed to keep up with them. "Oh," he said, "shure, haven't I been chasin' pigs all me loife?"

RASH SO BAD BABY CAME NEAR DYING

Head Broke Out. Spread to Arms, Legs and Entire Body. Itched So He Would Scratch Until Blood Ran. One Box of Cuticura Ointment and Nearly One Cake of Cuticura Soap Cured Him. Has Had No Return.

"When my boy was about three months old, his head broke out with a rash which was very itchy and ran a watery fluid. We tried everything we could but he got worse all the time, till it spread to his arms, legs and then to his entire body. He got so bad that he came near dying. The rash would itch so that he would scratch till the blood ran, and a thin yellowish stuff would be all over his pillow in the morning. I had to put mittens on his hands to prevent him tearing his skin. He was so weak and run down that he took fainting spells as if he were dying. He was almost a skeleton and his little hands were thin like claws.

"He was bad about eight months when we tried Cuticura Remedies. I had not laid him down in his cradle in the daytime for a long while. I washed him with Cuticura Soap and put on one application of Cuticura Ointment and he was so soothed that he could sleep. You don't know how glad I was he felt better. It took one box of Cuticura Ointment and pretty near one cake of Cuticura Soap to cure him. I think our boy would have died but for the Cuticura Remedies and I shall always remain a firm friend of them. He was cured more than twenty years ago, and there has been no return of the trouble. I shall be glad to have you publish this true statement of his cure." (Signed) Mrs. M. C. Maitland, Jasper, Ontario, May 27, 1910.

For more than a generation mothers have found a speedy, agreeable and economical treatment for their skin-tortured little ones in Cuticura Soap and Ointment. Although they are sold by druggists and dealers everywhere, a liberal sample of each may be obtained free, from the Potter Drug & Chem. Corp., sole props., 53 Columbus Ave., Boston, U.S.A.

MARCONI'S HUMOR

Gugilielmo Marconi, the wireless wizard, who has been much in the public eye lately by reason of the part he has played in the war between Italy and Turkey and because of his reported discovery of mastless wireless, had an Irish mother, and naturally possesses a sense of humor.

The first time Marconi visited Toronto, some years ago, he was given a big banquet. One of the speakers, a prominent citizen, in heaping eulogies on the guest, by a slip of the tongue, used the word "done" when he should have said "did." Signor Marconi's English is excellent, and in the course of his speech he remarked, in referring to a phase of his work: "I scarcely know how I did—I mean, done it." There was a twinkle in his eye, and everybody roared.

HIS TRAINING.

"Well, boy, what do pou know? Can you write a business letter? Can you do sums?"

"Please, sir," said the applicant for a job, "we didn't go in very much for those studies at our school. But I'm fine on beadwork or clay modeling."

BABY'S OWN TABLETS CURE CONSTIPATION

No ailment causes more suffering to little ones than does constipation. Hardly a little one escapes this trouble—many of them suffer from it continually. The surest cure and safest remedy—one that is absolutely guaranteed to be free from harmful drugs—is Baby's Own Tablets. They never fail—they have cured thousands of cases. Concerning them Mrs. Lev. Blanchet, St. Racine, Que., writes: "I have used Baby's Own Tablets for constipation and vomiting and have found them an excellent remedy, and I have recommended them to several of my neighbors." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

The Best Liver Pill.—The action of the liver is easily disarranged. A sudden chill, undue exposure to the elements, over-indulgence in some favorite food, excess in drinking, are a few of the causes. But whatever may be the cause, Parmelee's Vegetable Pills can be relied upon as the best corrective that can be taken. They are the leading liver pills, and they have no superiors among such preparations.

"How was he ever shown it?"

"I overheard him yesterday refusing to sign a petition for something that he didn't know anything about."

As a safe-guard buy nothing in the baking powder line unless all the ingredients are printed on the label. The manufacturers of the brands of baking powder in which large quantities of alum are used, are afraid to print the ingredients on the label as no person would buy it at any price. Magic Baking Powder is pure and guaranteed not to contain alum.

HIS FAVORITE PARABLE.

A country clergyman on his round of visits interviewed a youngster as to his acquaintance with Bible stories.

"My lad," he said, "you have, of course, heard of parables?"

"Yes, sir," shyly answered the boy, whose mother had instructed him in sacred history, "yes, sir."

"Good," said the clergyman. "Now, which of them do you like the best?"

The boy squirmed; but at last heeding his mother's frowns he replied:

"I guess I like that one where somebody loafs and fishes."

SHOUT THE NEWS FROM THE HOUSETOPS

THAT DODD'S KIDNEY PILLS CURE SUFFERING WOMEN.

Mrs. Savard Tells How They Cured Her Kidney Disease From Which She had been a Sufferer for Many Years.

St. Simeon, Doriel, Charlevoix Co., Quebec, March 11 (Special).—Only those who have suffered know the blessings of perfect health. The joy that it brings into their lives makes them want to shout the good news from the housetops. They want other sufferers to know the road to health. Such is the case with Mrs. Alfred Savard of this place.

"I have been a sufferer for many years with Kidney Disease," Mrs. Savard says, "Reading an advertisement telling what Dodd's Kidney Pills had done for a similar sufferer I decided to give them a trial. Six boxes cured me completely."

What Dodd's Kidney Pills have done for Mrs. Savard they have done for thousands of other sufferers in Canada. The daily papers tell of cures made by them every day. They always cure Kidney Disease and Kidney Disease is the cause of nine-tenths of the troubles from which women suffer.

CHURCH OF HID TREASURE.

Its Walls Said to Contain a Chest Full of Money and Jewels.

A small building popularly known as "The Church of Hidden Treasure" stands in the little town of Barelas, New Mexico. During the Mexican war many of the richest families in the neighborhood hid their gold and valuables in all sorts of curious places.

Senor Sandoval, a very rich landowner, chose the thick walls of the village church as his treasure vault, according to a writer in the Wide World, and tradition says that the precious hoard has never been removed.

Only a few years ago several groups of men, armed with pickaxes, crowbars and other implements, beseiged the place in search of the fabulous wealth said to be concealed somewhere on the premises. The treasure is believed to be contained in a large wooden chest, such as most of the wealthy Mexicans formerly possessed. It is claimed that the box contained thousands of dollars in gold, besides emeralds, diamonds and pearls, set in pure native gold.

The Sandoval family, however, guard the place most carefully, while they in turn are jealously watched to see that they do not disturb the church property. Bold and daring plans are sometimes laid, but nothing seems to come of them, and the ancient building still guards its precious secret.

An Oil That is Prized Everywhere.—Dr. Thomas' Eclectric Oil was put upon the market without any flourish over thirty years ago. It was put up to meet the wants of a small section, but as soon as its merits became known it had a whole continent for a field, and it is now known and prized throughout this hemisphere. There is nothing equal to it.

HIS WAY.

HOW TO HOLD YOUR JOB.

Factory Commandments Contain Good Advice.

A manufacturer posted these comandments in his large establishment:—

1. Don't lie. It wastes my time and yours. I'm sure to catch you in the end, and that's the wrong end.
2. Watch your work, not the clock. A long day's work makes a long day short, and a day's short work makes my face long.
3. Give me more than I expect and I'll pay you more than you expect. I can afford to increase your pay if you increase my profits.
4. You owe so much to yourself that you can't afford to owe anybody else.
5. Dishonesty is never an accident. Good men, like good women, always scorn temptation when they meet it.
6. Mind your own business, and in time you will have a business of your own to mind.
7. Don't do anything here which hurts your self-respect; the employe who is willing to steal for me is capable of stealing from me.
8. It's none of my business what you do at night, but if dissipation affects what you do the next day, and you do half as much as I demand, you'll last half as long as you hoped.
9. Don't tell me what I'd like to hear, but what I ought to hear.
10. Don't kick if I kick; if you're worth correcting, you're worth keeping.

A FIREMAN'S PERIL.

How Zam-Buk Delivered Him.

At 215 Fraser Ave., Edmonton, Alta., lives W. P. Mahy, a former member of the local fire brigade, who has wonderful cause to be thankful for the curative powers of Zam-Buk. He says: "A serious skin disease broke out on my face, and spread until I was in a terrible state. The spots and little ulcers were frightfully irritating, and yet when scratched or rubbed they bled and smarted. Shaving caused me agony, and sometimes I would have to go two weeks without a shave. I tried home-made remedies, herb salves, and various other preparations, but the sores got no better. When Zam-Buk was mentioned I had little faith that it would be able to do me any good. I gave it a fair trial, however, and the first box made such a wonderful change for the better that it gave me encouragement to continue. I did so, and to cut a long story short, Zam-Buk, in the end, quite cured me."

Zam-Buk cures eczema, blood poison, ulcers, chronic sores, piles, ringworm, cold sores, cuts, burns and skin injuries. All druggists and stores at 50c box, or post free from Zam-Buk Co., Toronto, for price. Refuse substitutes.

"A Grand Medicine" is the eccomium often passed on Bickle's Anti-Consumptive Syrup, and when the results from its use are considered, as borne out by many persons who have employed it in stopping coughs and eradicating colds, it is more than grand. Kept in the house it is always at hand and it has no equal as a ready remedy. If you have not tried it, do so at once.

KITCHENETTES.

A cook who keeps in the damper deserves a kitchen that keeps out the damp.

Treat your servants well, for, in the case of good ones, finding is not necessarily keepings.

A maid goes out to service before marriage—then she goes into it.

A good mistress may be born—a good servant must always be made.

It is more pleasant to give than to receive—this is especially true of notices.

Give your servants a good table, and they will be less apt to eke out the same with the family skeleton.

A maid shouldn't try to dress like her mistress, for if she fails, she only loses her temper, and if she succeeds, she only loses her place.

If you talk before your servants as though they were deaf, you will soon find out that they are not dumb.
