CHURCH RE-OPENING.

The re-opening of the Methodist Church of Canada in Dundalk was a decided success, On last Sabbath, at 10.30, the Rev. Mr. Fish of Owen Sound, Chairman of the District, delivered an excellent sermon. At 2.30 p. m.., the Rev. Mr, Eakin, Presbyterian Minister of Dundalk, delivered an able discourse. At 6.30, Mr. Fish again preached, delivering an instructand and enthusiastic sermon, to perperhaps the largest congregation that has ever congregated in Dundalk.—Every available seat was occupied, which made the Trustees think for the first time that that they had not made the addition to the church large enough. We would not be surprized to see another enlargement of the same church within five years.

On Monday evening, the Harvest-Home Tea Meeting came off, and was a grand success. After tea, Mr. J. J. Middleton, Reeve of Proton, was appointed Chairman. After a few appropriate remarks by the Chairman, stating the object of the meeting, the Rev. Mr. Fish entered vigorously on the subject of liberality by subscription, and within the space of one hour the total sum of $331 was made up, which will pay off the entire debt on the church, build a drive-shed, and leave some for other improvements; after which the Chairman called upon the Rev. Mr. Eakin, Presbyterian Minister, Dunkdalk, who gave a short address, stating that the object of the meeting was successfully accomplished, and there was notoing left for him to do, as the entire dept was wiped off. The Rev. Mr. Philps of Flesherton, was next called upon, who gave a short speech, and filled the house with mirth; said that he was pleased to see the progress made in Dundalk.—After which the Rev. Mr. Fish was called upon, who gave a short and interesting account of the present and futuer of Dundalk, stating that he was pleased to see the progress and improvements that have been going on in our village since he was in it last, and complemented onr citizens for their energy, and prophesied great things for us in the future.

The church choir rendered most excellent service on the occasion. Miss Lamon presided at the organ. The Rev. A. Potter, pastor of the church, was present and active on the occasion and we are sure he was much pleased with the success of the entire proceedings.

Dr. Carson never claimed for his Stomach and Constipation Bitters any Miraculous Power of Healing, but with the quiet consciousness of their medicinal virtues he prescribes them to all those who suffer from derangement of the Stomach, Bowels Liver and Kidneys. In large 8 oz. bottles. at 50 cents. A. Turner & Co, special agent for Markdale.

DISASTROUS FIRE.

$25,,000 WORTH OF PROPERTY DESTROYED AT COLLINGWOOD.

Collingwood. Sept. 25.—About 4 oclock this afternoon the fire bell rang an alarm, and fire was seen issuing from the premises occupied by J. W. Carey as a boot and shoe store and shop. The adjoining building, occupied by P. W. Bell & Co., was soon enveloped in flames, which quickly extended to Gulfoyle Bros. on the south and to the verandah in front of T. Long & Bro. on the north. Long's grocery, which was a frame building, was quickly consumed, and their magnificent four storey brick building soon succumbed to the flames. W. J. Crame's store was the next, and the fire rapidly extended to W. Leary's building, occupied by T. Best as a gents' furnishing store and W. A. Hogg as a printing office and book store. The store of Melville, Fair & Co., next took fire, and on it the exertions of the fire brigade were now concentrated, and the engine played steadily on it without any seeming effect for a long time, as it had a Mansard roof, and it seemed impossible to get the water to reach to the fire, which had got between the upper ceiling and roof, but finally they succeeded in stoping the flames in that direction. In the meantime,

THE FIRE WAS EXTENDING RAPIDLY.

south and east, the buildings to the south of Long Bros, being all of wood, with the exception of a stone dwelling belonging to C. Cameron, and unoccupied, which was completely destroyed. The confectionery store of Foreman & Sons, the grocery of R. W. O'Brien, Cooper's watchmaker's shop, Sheffield's restaurant, Patton's boot and shoe shop, and Archer's grocery were all consumed together with all the storehouses and premises in the rear. The heat was so intense that it set fire to three or four wooden buildings on the opposite side of Huron-tario street, which is ninety-nine feet wide, and they were soon consumed. They were owned by T. Long & Bro. and B. Callary, and occupied respectively by Perritt, tin shop, Broughton, saddler, Anderson & Co., hardware, Miss Storey, boots and shoes, and Chellew, cabinetware. The fire then extended to the east and burned nine dwelling-houses and several stables, the principal sufferers being R. O. Hunter, of the firm of Lindsay Hunter & Macdonald, Mrs. Hocking, J. Pearce, Miss brown, and others not known at present. The station buildings and platform were repeatedly on fire, but were saved by the greatest exertions of the employes of the company. The wind, which was blowing a gale from the west, carried the fire to Tobey's tannery, a distance of over half a mile, and set fire to the wood and tanbark there, a very large quantity of which was burned, and it was only by the almost superhuman exertions of Mr. Tobey and his employes that that the tannery is yet unburnt. About seven o'clock the steam fire engine from Stayner arrived, and the fire now seems to be under control. E. R. Carpenter, druggist, next building to Melville & Fair, will suffer a very heavy loss from water which was played on the building, and in the music hall immediately above his store; and Lindsay, hunter & McDonald will suffer heavily from removing goods in anticipation of the fire extending. The principal sufferers are as follows:—Melville Fair & Co., general store; loss will be very heavy, as the roof of the building and the upper storey are completely gutted, and the store is completely flooded with water. C. Patton, boots and shoes; Best Bros., gents furnishings; W. A. Hogg, *Enterprise* printing office, book-bindery, and book-store; W. J. Frame, general store; T. Long & Bros., general store; J. W. Carey, boots and shoes; S. W. Bell, general store; Guilfoyle Bros., general store; C. Cameron, stone dwelling house, unoccupied; Foreign & Sols, bakers and confectioners; R. W. O'Brine, groceries; R. Carey, boots and shoes; Sheffield restaurant; Cooper, jeweller; Archer, Groceries: W. R. Anderson & Co., hardware; Perrit, tinsmith; Houghton, saddler; Miss Shory, boots and shoes; Chellew furniture—all a total loss. It is impossible to night to give even an approximate amount of loss, which cannot be less than $25,000, or how much is covered by insurance. Longs' loss also Melville, Fair & Co.'s, and Frame's, and Best's, must be very large, as they all had laid in their fall stocks. The Bank of Toronto and Central hotel were only saved by great exertions. At one time it was thought that nothing could save the greater part of the town. As it is, the best business portion of the town is a complete ruin. The Origin of the fire is unknown, but it is supposed to be from a match or cigar carelessly dropped on the sidewalk and soon fanned to a flame by the very high winds blowing to-day. The telegraph wires are all demoralized.

NOTICE.

NOTICE is hereby given that a promissory note for $150.25, purporting to be made by me in favor of the "Globe Lightning Rod Co.," was obtained from me by one D. Rutherford, who represented himself to be an agent of said Company, as, and for an acknowledgement for the receipt of lightning rod material, I having previously agreed to act as the Company's local agent. As I never purchased said material and never intended to give any note therefor, payment of said note is refused.

Sarsaparilla

Is a compound of the virtues of sarsaparilla, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, safest, and most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Face-grubs, Pustules, Blotches, Boils, Tumors, Tetter, Humors, Salt Rheum, Scald-head, Ring-worm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood and cause derangement and decay. It stimulates and enlivens the vital functions, promotes energy and strength, restores and preserves health, and infuses new life and vigor throughout the whole system. No sufferer from any disease which arises from impurity of the blood need despair who will give Ayer's Sarsaparilla a fair trial.

It is folly to experiment with the numerous low-priced mixtures, of cheap materials, and without medicinal virtues, offered as blood-purifiers, while disease becomes more firmly seated. Ayer's Sarsaparilla is a medicine of such concentrated curative power, that it is by far the best, cheapest, and most reliable blood-purifier known. Physicians know its composition, and prescribe it. It has been widely used for forty years, and has won the unqualified confidence of millions whom it has benefited.
