THE STANDARD.

Friday December 2nd, 1881.

LOCAL & OTHER NOTICES

Fine weather.

Christmas comes on Sunday.

If you wish to procure good Oatmeal, try Benson's—his is excellent.

Foster's Teas are becoming noted for their strength, flavor, and Cheapness.

Mr. Thos. Davis, Architect, who went to Ireland last summer has returned.

Wilson & Bryden have a lot of choice beef; hind quarters, 5 cts.; fore quarters, 4½ cts.

A time for everything, and now is the time to save money by buying your furniture at G. Grant's.

Toronto oil company, are sole manufacturers of "Castorine" machine oil. Infringements will be prosecuted.

An Orange Soiree at Berkeley on Thursday, the 8th. Admission 25ct. There is a good staff of speakers on the bills.

Ask your dealers for "Castorine" machine oil, and see that the barrel is branded. "Castorine," as none other is genuine.

Mr. Littlejohns, two miles south of this place, had his sheep worried by dogs on the night of the 14th ult. Six of the sheep was killed.

Two new baggage and mail cars for the Toronto, Grey & Bruce standard gauge arrived in Toronto from the London Car Works on Friday last.

Aha! —Dentists who have tried "Arabery," pronounce it the finest thing on the face of this earth for the teeth and breath. 5 cent samples.

Mr. Fred. Sarjeant has opened a butcher shop in the place recently occupied by W. B. Sarjeant, where he will carry on the business in all its branches.

Mr. Masson, of Owen Sound, found on his arrival at the station on Friday the 25th ult., that he was just in time to be too late, returned and procured a rig and drove down, arriving here *end of the train.*

Judging from the appearance of the grist mill at present Mr. Brown, the new proprietor, means business. He is overhauling the mill from its very foundation and re-fitting it throughout. We bespeak for Mr. B. the success which his push and energy deserves.

Use "Castorine" Machine Oil, for all kinds of machinery, it is also excellent for harness and leather, making it water and weather proof. For sale by dealers.

"Arkansaw or Arkansas." It is a material which pronunciation is spelled in this case, but quite materially that the citizens of Arkansaw with the rest of the United States and the Dominion should be supplied with school pens. Esterbrook's are popular, reliable and standard.

Manufacturers of reapers, mowers and threshing machines, prefer "Castorine" machine oil to any other, it does not wear hard, seal, or elephant, and is warranted not to gum.

Mr. T. E. Davis, Builder and Contractor, has just completed the brick work on Mr. Cornwall's residence, on Park street. It will, we believe, be one of the most convenient and well laid out dwellings in Markdale when finished.

There is a case reported in Montreal of a young man, who at one time was manager of the Dominion Telegraph office in that city, becoming such a victim of drink, that he actually stole the sheet that covered his father's *dead* body, to pawn it for liquor.

From the amount of goods daily arriving, it is evident that our merchants anticipate a good winter's business. From the good prices the farmers are getting for their produce, we have little doubt but that their anticipations will be fully realized.

If you wish to send a present to a friend or neighbor who lives in a distant part of the country, send them the Standard; it will only cost you a dollar, there are many being it now, and no doubt many more would if they just take a thought how glad they would be to get it.

We have now got well established in our new premises, and everything in good working order, and are now prepared to fill any order intrusted to us with promptness and in the best style of art, and at prices that will compare with any other place in the county. Try us and we know you will be satisfied.

The *American Agriculturist* for December has been received. To say that it is fully up to the past issues, is all the praise needed for this really valuable periodical. It is a journal that should be in every household. It should be had in connection with the Standard for *only One Dollar*; call and see specimens and we feel sure you will subscribe.

The weather for the past week has been as variable as a woman's temper. Saturday and Monday the sleighing was pretty fair, and the farmers took advantage of it to rush in their grain and other produce for all they were worth, consequently our streets presented a lively appearance. At the present time of writing there is nothing but mud. Vernor's predictions for November have proved pretty correct.

For Dyspepsia or Indigestion, Habit-Constipation, Biliousness, Liver and Kidney Affections, the safest and best remedy is Dr. Carson's Stomach and Constipation Bitters, the great family medicine. They can with the most safety be given to the youngest children as they are purely vegetable in their composition and mild in their action. Sold in large panel bottles at 50 cents by T. Turner & Co. special agents for Markdale.

Watches, Clocks, and Jewelry in great variety at Wilcox's great double Hill Bros.

We draw the attention of our readers to the card of John B. McMillan, Esq., Attorney, &c., to be found in another column.

The last engine for the Toronto Grey & Bruce of the complement of eight to be supplied by the Grand Trunk, arrived in Toronto from Montreal last Monday.

Mr. John McKay, who recently returned from Michigan, has purchased lot 78, con. 2, and lot 78, con. 3, Township of Holland, containing 82 acres, from Mr. Thos. Wiggins, for $1,500.

Spectacles to suit all sights at Wilcox's the Jeweler.

The cheapest Overcoats, Ulsters and Suits are purchased from W. J. McFarland. See his *Job $5.00 Overcoats* worth $7.00; see his boys' Ulsters at $5.00, worth $6.50; see his suits at $12.00, cheap at $14.00.

D. J. Shanahan calls special attention this week to his large stock of Cutters and Sleighs, and invites inspection. Read his advertisement in another column and then give him a call and judge for yourselves.

Special arrivals this week at McFarland's. New Raisins at McFarland's; new Currants at McFarland's; new Lemon and other peels at McFarland's; new Icing Sugars and flavoring extracts at McFarland's.

Lost.—On Sunday evening last, between Dunlop's Bakery and the Methodist Church, a Round Gold Brooch, with Black centre. If the party who found it will kindly leave it at Dunlop's Bakery, Mill street, they will be rewarded.

Should your eye light on this, what we want you to do is to read it, and then put a ten dollar bill in your pocket, walk straight to McFarland's and purchase a *Black Silk Dress*, a *Cashmere Dress*, a *handsome shawl*, Mantle or sett of Furs as a Christmas present, and make sure we feel happy.

As will be seen by reference to our advertising columns, Mr. J. L. Brown is now prepared to take photographs. He is said to be a first-class artist, and he guarantees satisfaction. Remember the place, over the new Standard office, Mill street.

For a stylish and comfortable Cutter, go to D. J. Shanahan, he is selling very cheap.

A. Turner & Co. announce in this issue of the Standard that they have received their annual supply of Fancy Goods, Books, Toys, &c., suitable for Christmas and New Year's presents. Call early, so you may have your pick before the best are gone.

People are beginning to find out the true virtues of Dr. Carson's Stomach and Constipation Bitters, and they are becoming the favorite family medicine of the Canadian public for all derangements of the Stomach, Bowels, Liver and Kidneys. In large bottles, at 50 cents. A. Turner & Co., special agent for Markdale.

The *Rural New-Yorker*, a weekly publication of 16 pages, has been received. It is published in New York City, and, as its name would indicate, treats on farming and rural affairs. It is one of the oldest agricultural papers on this continent, and ranks high. We would recommend it to our agricultural friends as a paper well worth taking. Subscription, $2 per annum. Address *Rural New-Yorker*, 34 Park Row, New York.

A Public Meeting Should be called of the citizens of every city, town and village in the Dominion, to consider what should be done to prevent the hair from turning Grey—and falling out. If this important question received their earnest consideration they would unanimously decide that science had at last discovered something that would answer this purpose—and furthermore would recommend Cingalese Hair Renewer as being this something for restoring the hair to its natural color, and prevent its falling out. 50 cents per bottle. For sale by all Druggists.

W. J. McFarland is receiving new goods every day, his cash sales for November this year exceeds by $1,000 his sales for the same month last year. This speaks volumes.

Some of our villagers are grumbling in no measured terms at our Police Trustees for permitting parties to obstruct the streets and side-walks.—They say they pay taxes to build side-walks and open streets for the use of the public generally, and not for private individuals to deposit lumber, cordwood, saw-logs and manure on. Where buildings are being erected more or less obstruction is unavoidable; but othewise there is no excuse, and the thing should be put a stop to. We had frequently to draw attention to this matter last winter, and had hoped we would not be called upon to perform this unpleasant duty again.

Dr. Carson's Stomach and Constipation Bitters, are rapidly taking the place of all other purgatives, including Pills, Powders, etc. Their action is mild yet effectual and they are a certain cure for all billious complaints. In large bottles, at 50 cents. A. Turner & Co., special agents for Markdale.

A Bold Thief.—On Sunday night thieves broke into Mr. Jas. Wales' grist mill, Oxenden, and carried away about half a ton of flour. They affected an entrance at a side window and conveyed their plunder off in a waggon. We understand there is no suspicion as to who are the guilty parties. The thief was boldly executed, which indicates plainly that the scoundrels were not novices at the game. People will require to keep their property well guarded while such characters are in the neighborhood.—*Echo.*
