MARKDALE

The Biggest Clothing Opportunity OF 1898

Within the past ten days we have placed in stock what is unquestionably the best value in Ready Made Clothing you have ever had an opportunity of inspecting.

The Lot Includes :

93 Men's Fine Tweed Suits

Clearing line of a manufacturer—bo't for spot cash—selling at less than former wholesale prices. It'll be worth your while to come in and see them even though you do not intend to purchase—by doing so you will be in a position to do some of your friends a kindness by informing them where clothing can be had at a very right price.

We mean what we say and nothing more than this—just now you can buy a nobby and serviceable suit for considerable less money than we or any other merchant could have done a month ago, no matter what the quantity.

You can judge intelligently our entire lot by these :

While carefully looking after the wants of the men we are not by any means forgetting the boys. There never was a time when you could dress your boys for so little money as now and no place more satisfactory than here.

Men's Brown Tweed Suits, neat patterns, strictly all wool, sizes 36 to 42, best trimmings throughout and every suit a perpect fitter.

You would think it good value were we to ask $6.00, yet we're selling them at $4.65

Men's Tweed Suits guaranteed pure wool, dark colors, decidedly neat patterns, coat lined with extra fine Farmer's Satin, other trimmings good and every suit a good fitter. We can give you any size from 36 to 42 breast measure, at this very moderate price ..... $ 4 75

Men's Fine Tweed Suit, very neat, checked pattern, medium light color, Farmer's Satin lined in every respect a first rate suit. We have sold this same line earlier in the season though for a good deal more money. The price of them in this lot is only $4 85

Men's Black Cheviot Suits, extra fine goods, well tailored and equal in every respect to a tailor made suit. When you see them you'll wonder how so much goodness could be crowded into these garments for so little money. Our price which might be fairly reasonable at $8.00, is only..... $5 00

In addition to these very special prices we will during July and Aug. give a special cash discount of 5 per cent. on every line of clothing in our store and those of this list included.

During these months when most merchants are idle we will have a busy good time.

We have a big lot of broken lines of men's Suits, scarcely enough of any one line to make it worth while to specify each, yet sufficient to give a customer a fairly good choice in his size from some of the lot. The price on any suit of this lot is extra special. You may be suited at $3.25 ... . to. $3 85

We buy all our Clothing right—do not pay too much for it—you can easily understand how we can afford to sell at lesser prices than others.

Stone's Settlement

From Our Own Correspondent

The heaviest thunder storm of the season, accompanied by a high wind and a continous downpour of rain, commenced about midnight on Wednesday and continued until about four a. m. Thursday, but contrary to expectations we have heard of no damage done.

On Wednesday last a silent gloom seemed to rest on this line, work was almost entirely suspended, houses were locked up, the occupants of which attended the funeral of the late Alfred Chislitt. Much symathy is expressed for the family in their sad and sudden bereavement.

Our public school closed on Thursday for the summer vacation, and the youngsters gave vent to their approbation by exhibiting the strength of their lungs.

The Misses Edna and Ida M Stone returned home on Thursday afternoon for the holidays. The former teaches school near Owen Sound and the latter near Holland Centre. Their sister, Miss Flossie, who has been attending Meaford high school, spent Dominion Day at home, returning to Meaford on Saturday to attend the examinations. We hope she will be successful.

A very pleasant affair in the form of an annual family gathering took place at the residence of Mrs. R. Stone on Friday last, when nearly forty relatives assembled and were right royally entertained by the hostess. The following is a partial list of the guests ; Rev. W. Williams, D. D., and wife, Listowel ; Mr. Robert Williams and wife, Meaford ; Mr. M. G. Williams, wife and two children, Corbetton ; Mr. E. Williams, wife and two children, Holland Centre ; Mrs. (Rev.) De Long, son and daughter, Beachburgh, P.Q. (The above gentlemen are brothers, the last named lady, a sister of the hostess) Dr. Daynard, wife and children, Rocklyn ; Mrs Taylor and two daughters, Meaford ; Mr. John McCartney and wife, St. Vincent ; Mr. Henry Stone, Mrs. H. Spicer and others. The two remaining brothers of Mrs. Stone, viz : Mr. A. Williams and Mr. Warwick Williams were unavoidably absent, the former being a resident of Rat Portage, and the latter resides in British Columbia. After spending a very pleasant day, the young people enjoying themselves to their heart's content, the party separated, as part of the guests could not possibly remain, while others remained till Saturday morning. The last of the visitors, Mr. McCartney and wife, left for home on Monday monday having spent the intervening time with the latter's grandmother, Mrs. W. Stone. It has been customary for a great many years for this family to meet together every year, and we hope that all who took part in the gathering this year will live to enjoy many more meetings of the same pleasant character.

We understand that our Sabbath School picnic will be held at Eugenia on Friday next.

Miss Netty V. Stone is visiting friends in St. Vincent.

Married.

SINCLAIR—CRAWFORD—On June 29, by Rev. T Gate, Mr. D. Sinclair to Miss A. M. Crawford all of Osprey.

Keep this a Secret

We are occasionally enjoined by a buyer of an engagement or a wedding ring to "keep this a secret." We ALWAYS do so ; we divulge nothing of the kind ; our interest in such sales being guaged not by sentiment but by hard cash, our profit.

Strict confidence is therefore invaluable.

Parties buying from us can do so privately if desired.

In Engagement Rings we are carrying a large stock and of greater variety than heretofore and at prices ranging from $1.50 to $15.00.

We have recently added a new line of Wedding Rings in 10k. gold, which are bound to be favorites.

WATCHES

I am just now making a specialty of Watches, and if you are desiring a timepiece—or even if you don't need one very bad—it will pay you to buy now while prices are at the bottom with McGinty.

I have some fresh, new goods in Japanese Stick Pins, Epworth League and Oddfellow Guards, Ladies' Skirt and Belt Holders, fancy Hat Pins, etc., the nicest, nobbiest things up to date. Just come in and look at them, anyway.
