Feversham L.O.L. Annual Celebration

The members of L.O.L. No. 1085 enjoyed a social evening together on Wednesday, Dec. 11, 1912, the occasion being a fowl supper and concert, at which the members, with their wives and sweethearts to the number of seventy, sat down to a bountiful supply of goose and other good things. After they had done ample justice to the same they then enjoyed a pleasant hour or so together. The chair was taken by Bro. Wm. Kaitting, who filled the position to perfection. Selections on the organ and violin were given by Miss Lila Alexander and Bro. James Sayers, also Miss Ada Kaitting and Bro. John Ottewell gave selections on organ and violin. Rev. NERVOUS DEBILITY

OUR NEW METHOD TREATMENT will cure you and make a man of you. Under its influence the brain becomes active, the blood purified so that all pimples, blotches and ulcers heal up; the nerves become strong as steel, so that nervousness, bashfulness and despondency disappear; the eyes become bright, the face full and clear, energy returns to the body, and the moral, physical and mental systems are invigorated; all drains cease—no more vital waste from the system. You feel yourself a man and know marriage cannot be a failure. Don't let quacks and fakirs rob you of your hard earned dollars.

NO NAMES USED WITHOUT WRITTEN CONSENT

THREATENED WITH PARALYSIS

BEFORE TREATMENT

Peter E. Summers relates his experience:
"I was troubled with Nervous Debility for many years. I lay it to indiscretion and excesses in youth. I became very despondent and didn't care whether I worked or not. I imagined everybody who looked at me guessed my secret. Imaginative dreams at night weakened me—my back ached, had pains in the back of my head, hands and feet were cold, tired in the morning, poor appetite, fingers were shaky, eyes blurred, hair loose, memory poor, etc. Numbness in the fingers set in and the doctor told me he feared paralysis. I took all kinds of medicines and tried many first-class physicians, wore an electric belt for three months, but received little benefit. I was induced to consult Drs. Kennedy & Kennedy, though I had lost all faith in doctors. Like a drowning man I commenced the NEW METHOD TREATMENT and it saved my life. The improvement was like magic—I could feel the vigor coming through the nerves. I was cured mentally and physically. I have sent them many patients and continue to do so.
