International Stock Food

DON'T let your horses run down during the winter and get so soft that they will lose flesh badly when you start your spring plowing. If horses are not worked regularly during the winter, **they need the splendid tonic effects of INTERNATIONAL STOCK FOOD,** to tone up the digestive organs, enable them to get all the good out of their feed, prevent the blood from becoming overheated, and thus ward off disease.

LANGHAM, SASK., Jan. 26th. 1912.

"I have fed INTERNATIONAL STOCK FOOD for many years. **I always have a 25 pound pail standing in my barn.** I bought a pair of three year old colts and they were so worked down that my neighbors said I had been beat. When I bought the colts, they weighed 2400 lbs. I ploughed 25 acres and they weighed 2650—then I harvested 163 acres and threshed and hauled one carload to town, 6 miles, I weighed them again and they weighed 2850, and I said "They shall weigh 3000 before spring". Now, the Neighbors want to buy them but there's no chance". J. G. REMPEL.

For sale by dealers everywhere. Our $5,000.00 Stock Book—sent free when we receive your name and address. **INTERNATIONAL STOCK FOOD CO. LIMITED, TORONTO.**
