In Memory

OF OUR DEAR FATHER, WHO DIED NOV. 27, 1898, AGED 59 YEARS 10 MONTHS.

Our darling father left us
In this sad world alone,
But we know that he is happy
Dwelling in his heavenly home.

He was so kind and patient,
And tried so hard to endure
His pain without a murmur,
Although his death was sure.

We long shall miss our father;
Each day we come across
Some token of our loved one,
Whose death is such a loss.

We longed to keep our dear one,
But God sees more than we,
He wished to keep our dear one
From sin and Satan free.

And so he took our father
And placed him there above,
Where all is pure and beautiful
And bliss and heavenly love.

We know we should cease weeping
And submissively should say,
Blessed be the Lord that giveth,
Blessed be that takes away.

Farewell to our dear father,
For we now shall meet no more
Till Christ shall call us to him
To dwell on Canaan's shore.

—ELLA.

Glorious News

Comes from Dr. D. C. Cargile, of Washita I.T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's tee supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by all Druggists, every bottle guaranteed.

Fined $5 and costs.

Leigh McCarthy, teller in the Bank of Hamilton, Orangeville, and son of Judge McCarthy, was on Saturday last fined $5 and costs by Police Magistrate Pattullo for assaulting Editor Mungovan of the Post. McCarthy was also bound over to keep the peace for one year. Notwithstanding the fact that there are seven or eight law offices in Orangeville, the editor says he was unable to get a lawyer to take his case, and he was compelled to conduct the prosecution himself.

The report of the editor's speech published in the Post makes interesting reading. In explanation of the refusal of the Orangeville lawyers to take his case, Mr. Mungovan says:—"There was but one explanation, sir, and it was this, the form of expression varying in every instance, but exactly the same in spirit and meaning in all: The lawyers to whom I actually appealed in this case told me they would be most anxious to perform any kind of duty for me but the present, and they felt compelled in their own interest to decline appearing for me in this suit because the defendant was Judge McCarthy's son."

Then followed reasons said to have been given by these legal gentlemen, which, if correctly stated, disclosed a state of affairs which can only be described as judicial terrorism.

Mr. Mungovan continues:—"The system of the appointment of county judges is unwise and should be amended. No lawyer should be elevated to the bench of the county in which he has practiced, in which he has likes and dislikes, where he has formed biases and prejudices and in which he may have old obligations to meet and ancient scores of hate or bitterness to settle."

Mr. W. L. Walsh appeared for young McCarthy.—Economist.

Discovered by a Woman

Another great discovery has been made, and that too by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs Luther Lutz.' Thus writes W.C. Hamnick & Co., of Shelby, N. C. Sold by all Druggist at 50 cents and $1.00. Every bottle guaranted.

Diphtheria has obtained an alarming foothold at Duncan. The family of Mr James Knox, seven in number, are down with it, and are in a serious condition. Dr. Schultz, of Heathcote, with the assistance of two professional nurses from Toronto, is doing all in his power to suppress the disease.—Standard.

A beautiful mirage was admired by many of this town last Sunday afternoon. Apparently at a short distance out on the bay appeared hundreds of small islands some wooded, and others covered with snow. The mirage lasted fifteen or twenty minutes. It is supposed we had a second-hand glance at the islands near Parry Sound and Midland, distant from Thornbury from 30 to 60 miles.—Standard.

It Will or It Won't.

Bismark's Iron Nerve

Was the result of his splendid health. Indomitable will and tremendous energy are not found where Stomach, Liver, Kidneys and Bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New life pills. They develop every power of brain and body. Only 25 cents at any drug store.

Nomination for County Councillors will take place next Monday and regular Municipal nomination a week later. The polling for both County and Municipal councillors takes place the same day—Monday, Jan. 2nd. As amended, the law governing Municipal nominations is as follows:—"At such meetings, the person or persons to fill each office shall be proposed and seconded seriatim, and every such nomination shall be in writing, shall state the full name, place of residence and occupation of the candidate, and shall be signed by his proposer and seconder."—Sect. 128, Mun. Act. Then as to resignations: "At the nomination meeting or on the following day, or where such last named day is a public holiday, then before 12 o'clock noon of the succeeding day, any person proposed for one or more offices may resign, or may elect for which office he is to remain nominated; and in default he shall be taken as nominated for the office in respect of which he was first proposed and seconded." Sect. 129, (2).

August Bluhm, an old resident of Sullivan township, was killed last week by a falling tree.

Important to Athletes.

Mr. Mack White, the well-known trainer of the Toronto Lacrosse Club and Osgoode Hall Football Club, writes: I consider Griffiths' Menthol Liniment unequalled for athletes or those training. I have used it with the best success, and can heartily recommend it for stiffness, soreness, sprains and all forms of swelling and inflammation. All druggists, 25 cts. 22

Dr. Agnew's Catarrhal Powder

will restore you to complete, perfect health. It gives relief at once. It cures in an incredibly short time. The catarrhal powder acts like magic, not only in catarrh, but in colds, sore throat, tonsilitis, hay fever, loss of smell, deafness and all similar diseases.

Mr. C. G. Archer, of Brewer, Maine, writes as follows:—"I have had catarrh for several years. Water would run from my eyes and nose for days at a time. About four months ago I was induced to try Dr. Agnew's Catarrhal Powder, and since using the wonderful remedy I have not had an attack. I would not be without it." At druggists.
