The Young Folks.

A KISS IN A CANOE.

The maid'en sat in a light canoe,
Afloat on a mountain lake;
And a mad idea shot wildly through
The brain of her lover, who sat there, took
That he, in that self-same light canoe
A stolen kiss would take.

Now the maiden sat there, unaware
Of the plot that he had hatched;
And the mountain breezes played with her hair,
And fanned her cheeks and her brow so fair,
As she sat there still, quite unaware
Of the kiss soon to be snatched.

Then the lover awaited a real good chance
To capture the longed for kiss,
When, watching the wimpling wavelets dance,
She turned her head with a quick sly glance,
And leaning back, she gave him a chance
That was really too good to miss.

So he bent to meet her, and tried to steal
The kiss he burned to get,
But he bent so quick, in his ardent zeal,
That the craft upset like a whirling wheel,
And he missed the kiss that he tried to steal,
And they both got very wet.

A GIRL BLACKSMITH.

First Class Horseshoes Made by Fifteen-Year-Old Annie Bole.

Among the exhibits at the Mechanics' Institute Fair, few have more interest than the dozen horseshoes to the right of the main entrance. Those horseshoes, perfectly shaped, handsomely polished and withal scientifically correct, are the work of Miss Annie Bole, aged fifteen years.

Miss Bole is the daughter of a teamster and lives in the rear of a blacksmith shop at 911 Battery street, kept by a man named Walsh. It was in this shop that an *Examiner* reporter found her yesterday. Walsh said that the young lady had been taught by him and he was very proud of his pupil.

"I've seen dozens that have tried it," he said, "but none of 'em had the natural talent for making horseshoes that the young leddy's got. Mis' Huntington, that's worth her forty millions, made a good offer at it, but couldn't quite do it. There ain't a man this side of Lynnch that can make horseshoes like that young laddy." At the blacksmith's request, Miss Bole made a horseshoe then and there. A piece of round iron was cut off by Mr. Walsh and Miss Bole rolled up her sleeves, thereby revealing a rather small arm, tied on a leather apron and plugged the iron into the fire. The young lady is about five feet three inches high and rather fragile than strong. She brushed her hair back from a laughing face and soon the hammer was ringing on the red iron with a true sound. She made the crease in the shoe, turned it into shape like a veteran, regardless of the flying sparks, drove the nail holes, and finally turned out as fine a shoe as ever graced the foot of a race-horse, for Miss Bole will have nothing to do with shoes for ordinary dray-horses, but confines herself exclusively to the finer shoes of composition or polished iron.

Miss Bole said that she first became animated with the idea of making horseshoes by watching the blacksmith. Finally she asked him to let her try it and he was so much pleased with her first effort that he showed her all that he knew and the result was the exhibit at the Mechanics' Institute.

She says that she will not make any practical use of her accomplishment, though she seemed anxious about her exhibit and several times asked: "Will I have to go out to the fair and make a shoe there before I get anything?" Her instructor confidently expects that she will take a premium.

The horseshoes were filed, polished and finished in her own little vice, which she keeps in her own room. Mr. Walsh declares that he is going to send one of the horseshoes to the Queen of England.

TEMPTED.

Even the small affairs of domestic life bring their temptations, trivial in some but often mighty, and showing, according as they are yielded to or resisted, the stuff of which our characters are formed. Here is a little confession, taken from the lips of a school girl and set down in her own words:—

"I've begun to find such little mean streaks in myself that I'm quite frightened. Guess what I was tempted to do the other day! I was washing the dishes for mamma, and when I got to the tins and kettles I was discouraged. They did look so greasy and black, and I've always been a little vain of my hands.

"I'm going to Kitty Merrill's party tonight, I thought, and I want to keep my hands nice for that. I'll leave these for mamma; it won't make any difference with her hands, because she can't keep them nice anyway."

"Then something seemed to say to me, oh, you little coward! oh, you little sneak! To be willing to have whiter hands than your mother! Aren't you ashamed?

"I was ashamed, and I washed the kettles pretty humbly, I can tell you. I felt as if they weren't half as black as I! Since then I've watched all my thoughts, for fear I shall grow so wicked mamma won't own me. I've learned pretty thoroughly what the minister means when he talks about the little foxes that spoil the grapes of a fine character."—*Youth's Companion.*

Why will you cough when Shiloh's Cure will give immediate relief. Price 10 cts., 50 cts., and $1.

James H. Gilmour, of T. Gilmour & Co. Wholesale Grocers, Brookville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

Shiloh's catarrh remedy—a positive cure for Catarrh, Diphtheria and Canker-Mouth.

The Modus Operandi.

The mode of operating of Burdock Blood Bitters is that it acts at one and the same time upon the Stomach, Liver, Bowels, Kidneys and the Blood, to cleanse, regulate and strengthen. Hence it is almost universal in Chronic Complaints.

Prompt, Potent, and Permanent results always come from the use of Milburn's Aromatic Quinine Wine.

There is no more fruitful source of disease than vitiated blood. It involves every organ and function of the body, and if not immediately corrected by the use of Ayer's Sarsaparilla, sooner or later leads to fatal results. Be warned in time.

Give Holloway's Corn Cure a trial. It removed ten corns from one pair of feet without any pain. What it has done once it will do again.

Cured by B.B.B. When All Else Failed.

Mr. Samuel Allan, of Lisle, Ont., states that he tried all doctors in his locality while suffering for years with Liver and Kidney trouble; nothing benefitted him until he took Burdock Blood Bitters, four bottles of which cured him.

It is safe to use Freeman's Worm Powders, as they act only on the worms and do not injure the child.

Sick Headache caused by excess of bile or a disordered stomach is promptly relieved by using National Pills.

"Hackmetack," a lasting and fragrant perfume, Price 25 and 50 cents.

Valuable to Know.

Consumption may be more easily prevented than cured. The irritating and harrassing cough will be greatly relieved by the use of Hagyard's Pectoral Balsam that cures coughs, colds, bronchitis and all pulmonary troubles.

Shiloh's Cure will immediately relieve Croup, Whooping Cough and Bronchitis.

Among the Indians.

"While my husband was trading furs he came across an indian who is taken to his lodge to die. He had inward pains and pains in all his limbs. He gave some Yellow Oil internally and applied it externally, and cured him. It also cured my husband of rheumatism, and I find it valuable for coughs and colds, sore throat, etc." Mrs. A. Beshaw, Cook's Mills, Serpent River, Ont.

For dyspepsia and liver complaint you have a printed guarantee on every bottle of Shiloh's Vitalizer. It never fails to cure.

If you want to buy or sell a Farm, advertise in the Toronto *Weekly Mail*. That paper reaches 100,000 Farmers' homes every week, and your advertisement should meet the eye of someone who wants to purchase. Advertisements of this class are inserted in the Toronto *Weekly Mail* for Five Cents a word each insertion, or Twenty Cents a word for five insertions. Address The Mail, Toronto, Canada.

The Rev. Geo. H. Thayer, of Bourbon, Ind., say: "Both myself and wife owe our lives to Shiloh's Consumption Cure."

Are you made miserable by indigestion, constipation, dizziness, loss of appetite, yellow skin? Shiloh's Vitalizer is a positive cure.

A nasal injector free with each bottle of Shiloh's Catarrh Remedy. Price 50 cents.

The combination for ingredients found in Ayer's Pills renders them tonic and curative as well as cathartic. For this reason they are the best medicine for people of costive habit, as they restore the natural action of the bowels, without debilitating.

A Rare Combination.

There is no other remedy for combination of medicines that meets so many requirements, as does Burdock Blood Bitters in its whole range of power over such Chronic diseases as Dispepsia, Liver and Kidney Complaint, Scrofula and all humors of the blood.

Victoria Carbolic Salve is a wonderful healing compound for cuts, wounds, bruises, burns, scalds, boils, piles, pimples, &c.

Shiloh's Cough and Consumption Cure is sold by us on a guarantee. It cures Consumption.

Rest and Comfort to the suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowels, Sore Throat, Rheumatism Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds and is for sale by all Druggists at 25 cents a bottle.

The Third page of the Toronto *Daily Mail* is noted for "Want" advertisement. If you want to buy or sell anything. If you want a situation, a mechanic, a business, machinery, lodgings, if you have lost or found anything, or if you want to find out where anyone is, advertise in the Toronto *Daily Mail* and read the advertisements on the Third page of that paper. The charge is Two Cents a word each insertion. Address The Mail, Toronto, Canada.

Cause and Effect.

Many persons wonder at the tired, worn and weary feeling that oppresses them without any apparent cause. It may be poverty of the blood or a disordered stomach; in either case the stomach, blood and liver are not performing their regular functions and, with many persons, they will follow a dull, heavy headache, nausea and many other symptoms that precede a well developed case of Dyspepsia, purify the blood, cleanse the system of the clogged secretions by using Meacham's Mandrake Mixture, prepared by J. B. Meacham, 133 Yonge street, a chemist of nineteen years experience.

For more than twenty-five years has Hagyard's Yellow Oil been sold by druggists, and it has never failed to give satisfaction as a household remedy for pain, lameness and soreness of the flesh, for external and internal use in all painful complaints.

—Gentlemen kindly call and examine Kelly Bros.' spring suitings and pantings.

Ask For Ayer's

Sarsaparilla, and be sure you get it, when you want the best blood-purifier.

With its forty years of unexampled success in the cure of Blood Diseases, you can make no mistake in preferring Ayer's

Sarsaparilla

to any other. The forerunner of modern blood medicines, Ayer's Sarsaparilla is still the most popular, being in greater demand than all others combined.

"Ayer's Sarsaparilla is selling faster than ever before. I never hesitate to recommend it."—George W. Whitnall, Druggist, Albany, Ind.

"I am safe in saying that my sales of Ayer's Sarsaparilla far exceed those of any other, and it gives thorough satisfaction."—L. H. Bush, Des Moines, Iowa.

"Ayer's Sarsaparilla and Ayer's Pills are the best selling medicines in my store. I can recommend them conscientiously."—C. Bickhaus, Pharmacist, Roseland, Ill.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier."—W. T. McLean, Druggist, Augusta, Ohio.

"I have sold your medicines for the last seventeen years, and always keep them in stock, as they are staples. 'There is nothing so good for the youthful blood' as Ayer's Sarsaparilla."—R. L. Parker, Fox Lake, Wis.

"Ayer's Sarsaparilla gives the best satisfaction of any medicine I have in stock. I recommend it, or, as the Doctors say, 'I prescribe it over the counter.' It never fails to meet the cases for which I recommend it, even where the doctors' prescriptions have been of no avail."—C. F. Calhoun, Monmouth, Kansas.
