Walkerton Happenings

Walkerton, March 2.—The celebrated Zionist pig-killing case, sent to the County court by Magistrate McNamara, was tried before Judge Barrett, with the result that the prisoner Turner was discharged. The judge held that young Fiddis having a colour of right in the ownership of the pigs, a charge of stealing could not lie. As to the charge of malicious destroying the animals, his Honour took the view that a man can do what he likes with his own property, kill, burn, bury, or eat it, so long as he does not infringe on the right of others or place other people's property in jeopardy. Turner, who is a school teacher, testified that young Fiddis, a member of the sect, which detests pigs, came to him and asked him to remove the pigs. He did so, believing him to own them.

About midnight Thomas Potter was reading a paper in the power-house. While leaning back in his chair his head came in contact with a live wire of 1,040 volts. This under ordinary circumstances represents power enough to kill a man. When he received the shock he was knocked down, and was found about half an hour afterwards, lying some six feet away from where he had been sitting. The chair upon which he had been seated was found about ten feet away in another direct. His assistant thought Potter was dead, but upon shaking him found that life was still present. He then ran for assistance, and upon his return found Potter in the icy waters of the race. He had thus received two shocks, and medical men state that it was the counter effect of the shock of falling in the water that saved his life. He evidently got up from the floor of the power-house, and while in a dazed condition wandered out and fell into the water.

Remarkable Rescue

Mrs. Michael Curtain, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for consumption; she bought a bottle and to her delight found herself benefitted from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was. Sold by all Druggists, large bottles 50c. and $1.00.

Honor Rolls

Honor Roll for S. S. No. 10 Artemesia for February.

N. A. CHADWICK, Teacher.

Story of a Slave

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich. tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cured a nervousness sleeplessness, melancholy, headache, backache, fainting and dizzy spell. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by all Druggist.

Dr. Jamieson, M. P. P. for South Grey, has two bills before the Ontario Legislature. One is a bill for the amendment of the Municipie Act and has for its object the doing away with annual municipal elections and extending the term of office for councillors for two years. The other is a bill prohibiting the use of firearms by boys under 16 years of age.

Volcanic Eruptions

Are grand, but Skin eruptions rob life of joy. Bucklen's Arnica Salve cures them also old running and fever sores, Ulcers Boils, Felons, Corns, Warts, Cuts, Bruises Burns, Scalds, Chapped Hands, Chilblains Best Pile Cure on earth. Drives out pain and aches. Only 25 cents per box. Cur guaranteed. Sold by all druggists.

At the Orangeville fair last fall R. P. Henry's horse won first place in the farmers' race. The directors took upon themselves to disqualify the animal. Subsequently legal proceedings were taken by Mr. Henry to obtain the money. A settlement has been effected out of court, the society paying the amount in full and exonerating Mr. Henry from all blame in the matter.

STOP IT NOW!

Before it is too late, stop that succession of colds that means nothing more nor less than catarrh. Stop the suffering. Stop the disagreeable catarrhal discharges that are so humiliating to you and offensive to your friends. Don't let it run on until your condition causes you to be ostracized as if you were a leper. Don't neglect yourself until consumption makes its fatal appearance. You can be cured—not merely relieved, but absolutely and perfectly cured.

Dr. Agnew's Catarrhal Powder

will restore you to complete, perfect health. It gives relief at once. It cures in an incredibly short time. Hundreds of cases of from 5 to 20 years' standing have been cured—cases that physicians had pronounced incurable. The catarrhal powder acts like magic, not only in catarrh, but in colds, sore throat, tonsilitis, hay fever, loss of smell, deafness and all similar diseases.

Mr. C. G. Archer, of Brewer, Maine, writes as follows:—"I have had catarrh for several years. Water would run from my eyes and nose for days at a time. About four months ago I was indoced to try Dr. Agnew's Catarrhal Powder, and since using the wonderful remedy I have not had an attack. I would not be without it." At druggists.

Dr. Agnew's Cure for the Heart cures all cases of organic or sympathetic disease of the heart—relieves in 30 minutes. Dr. Agnew's Liver Pills are at once a mild cathartic, invigorator and system renovator. 200. for 40 doses. Dr. Agnew's Ointment relieves in a day and cures eczema, salt rheum and all diseases of the skin. Cures piles in a to 5 nights. 25c. 7

Wood in exchange for vehicles. Cheap, come and see them at

JOHN H. HEARD'S Durham St. FLESHERTON

MR. WANNAMAKER'S ADVICE.

Tomkins. "Good morning, Mr. Wannamaker, I have called to see if you can give me a position in your establishment. I can turn my hand to almost anything."

Mr. W. "No, we are full in every department, and you are the twentieth man I have refused to-day. Why don't you take up a line in which there is less competition and better pay?"

Tomkins. "I'd only be too thankful if you can put me on track of such a position."

Mr. W. "When I was twenty years of age, I was a stranger in a strange land, with neither work nor money, when a friend of mine, a lawyer, advised me to take a book agency, saying he had educated himself by canvassing; like drowning men grasp at a straws, I took his advice, and in five years saved $5,000, and with this sum started my present business. It is just fifty years ago to-day that Mr. Bradley, the founder of the present firm of the Bradley-Garretson Company, Limited, of Toronto, sent me my first book prospectus, and to his beautiful letters and good advice, I owe much of my present success. Yes young man, if you have anything in you there is just as good a chance for you to-day with this old established House as there was for me. Write them and see what they have to offer."

Tomkins. "I have seen the advertisements of this firm, for agents, for years back, and have often thought of writing them, but have never done so. I will write to-day; and I am very thankful to you Mr. Wannamaker for your good advice."

FLESHERTON SHAVING PARLORS

A. N. LeSard, Prop.

If you should wish an easy shave
As good as barber ever gave,
Just call at my shaving saloon
At morn, or eve, or busy noon,
I'll cut an I dress the hair with grace,
To suit the contour of the face.
My room is neat, towels clean,
Scissors sharp and razors keen
And everything I think you'll find
To suit the taste and please the mind,
And all that art or skill can do
If you'll just call, I'll do for you.
I shave the young, the old, the gay,
I'll shave you all for ready pay,
And clean the head at any time,
And for a shave I get a dime;
I do not mean a dime in trust
For that would make the barber bust.

Sealed tenders will be received by the undersigned at Feversham for the erection of a brick school. Plans and specifications can be seen at the residence of Mr. W. J. Julian, up to Friday March 3, 1899. After that they can be had from the architect, W. J. Holland, Collingwood, up to March 13, 1899. The lowest or any tender not necessarily accepted. Tenders can be separate or in bulk. RICHARD HAWTON
Chairman of P. S. B.

Town Line A. and E.

From Our Own Correspondent

Again it becomes our painful duty to record the presence of death in our midst. On Friday, March 3, Mrs. Wm. Cullis, who had been ailing for some time, passed away to the spirit land in the presence of all her family. Her end was peace. Almost her last words were, "All is well. I love Jesus, and I know that Jesus smiles and loves me, too." Mrs. Cullis was from her early days a member of the Methodist church. She came to this part with her husband and family some 25 years ago. Her funeral took place from her late residence to the Meaford Road cemetery on the following Monday, her pastor, the Rev. Mr. Ward, officiating. The bereaved family have the sympathy of their friends and neighbors in the hour of their bereavement.

On Wednesday evening last the residence of Mr. and Mrs. Heath was the scene of a happy event when their eldest daughter, Margaret, and Mr. John Albert Erskine in the presence of over 80 guests, were united in the bonds of matrimony by the Rev. Mr. Scott of Markdale. The bride was supported by her sister, Miss Elizabeth, while the drooping spirits of the groom were ably upheld by his brother Harry. After the usual congratulations all present repaired to the dining room, where a most sumptuous supper was fully enjoyed. The wedding presents were numerous, costly, useful and ornamental. The young people will take up their residence on the farm of the late Mr. Lomas, where may they enjoy all the blessings of this life and afterwards a home together in the land of everlasting day.

Eugenia.

From Our Own Correspondent

The mild spell for a few days during the past week made us think that the ice king had released his grasp for this season, but on Sunday afternoon we found that winter was determined to put in its full time.

Rev. Mr. Plunkett has gone to the home of his parents in Toronto for a few weeks. We hope the charge will benefit his health.

Miss Watts of Walkerton has been visiting friends at Eugenia for the past few weeks.

Miss Henry of Markdale visited with her cousin, Mrs. Munshaw.

Miss Lizzie Cameron has returned from Montclair, N. J., where she has for some time been living. Her many friends are glad to welcome her back.

We are glad to see our genial friend, Mr. Coulter, with us again. He will fill Mr. Plunkett's appointments during that gentleman's absence.

Mr. H. M. Bowerman is very ill.

Now that electric railroads are being built in different parts of the country Eugenia people would like to know what the prospects are for the Pew-Rolston affair.

Mr. Thompson of Adjala is coming to reside on Mr. H. Cairns' farm.

Mr. H. Robertson is returning to his own farm near Maxwell. We are sorry to lose Mr. and Mrs. Robertson from our midst.

Misses Eleanor, Priscilla and Della McKee of Owen Sound are the guests of their aunt, Mrs. A. Madill.

Mr. Rogers of Toronto conducted service in the Presbyterian church on Sunday afternoon. His many friends at Eugenia were pleased to see him.

Kimberley

From Our Own Correspondent

Owing to the illness of our pastor, Mr. Plunkett, Mr. John Coulter of Loree preached in the Methodist church here on Sunday, and we understand that he will continue to take the work until Mr. Plunkett is able to resume his duties.

Miss Christina Ellis and Miss Esther Magee, who have been living in Toronto, returned to their houses on Saturday.

Saw logging is the order of the day and Mr. Bishop's lumber yard is well stocked for the coming season.

Miss Maggie Smith of Eugenia is visiting under the parental roof on account of her mother's severe illness.

Master Leslie Lawrence gave a birthday party to a number of his young friends on Friday evening last. The young folks speak very highly of the hospitality of their host.

Our citizens should now, as spring and muddy roads will soon be here, be on the alert to have the sidewalks in better repair than they appeared last summer, in such a dangerous condition.

Mr. Geo. Knott, and Mr. Geo. Turner were to Ceylon, or pretty near there last week.

Why does our blacksmith, Mr. Watson, look so happy now a days? Why, a little daughter came to see him last week and he intends to keep it.

A number of children were riding on a load of logs near Grand Valley, when at a bad piece of road the load upset. Sadie Davis, aged seven, daughter of John Davis of Amaranth, was buried under the logs and killed. The other children all escaped.

There have been several cases of anthrax or black leg in Arthur township.

EASTER GIFTS !

"Gifts are the sacrifices of love."

Formerly at Easter season they took the form of useless cards or short-lived flowers, but of later years utility has been considered, hence less perishable presents.
