O-U-G-H.

A FEW SECONDS AT AN OLD NAVY.

I'm taught pleasants
Shall be a prolongee "plow,"
"Pa" I say, "can you know," I say,
"Why Acton I'll not through."

My teacher say sat in rat cerle
O-u-g-h is "ow,"
And then I laugh and say to him,
"Does Acton make me cough."

He say: "Not too, but in rat word
O-u-g-h is 'off.'
O, sacre bleu! such varied sounds
Of words make me hiccough."

He say, "Again, mon friend ees wrong!
O-u-g-h is 'up.'"
In hiccough." Then I cry, "No more,
You make my throat feel rough."

"Non! non!" he cry, "you are not right—
O-u-g-h is 'off.'"
I say, "I try to speak your words,
I can't pronounce them though!"

"In time you'll learn, but now you're wrong,
O-u-g-h is 'ow.'"
"I try no more. I shall go mad,
I'll drown me in a rough!"

"But are you drown yourself," said he,
O-u-g-h is 'ock.'"
He taught me here! I held him fast!
And killed him with a rough!

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Cause And Effect.

Many persons wonder at the tired, worn and weary feeling that oppresses them without any apparent cause. It may be poverty of the blood or a disordered stomach; in either case the stomach, blood and liver are not performing their regular functions and, with many persons, they will follow a dull, heavy headache, nausea and many other symptoms that precede a well developed case of Dyspepsia, purify the blood, cleanse the system of the clogged secretions by using Meacham's Mandrake Mixture, prepared by J. B. Meacham, 133 Yonge street, a chemist of nine-teen years experience.

MANHOOD

How Lost. How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical cure of Spermatorrhœa or impotency induced by excess or early indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of every youth and every man in the land.
