The Spring Assizes

The spring sitting of the High Court of Justice commenced on Tuesday before Mr. Justice Rose. A full docket was presented to the Court, there being nine jury and three non-jury cases on the list, besides two criminal cases.

Brown, vs. Davis—This is a seduction action in which the parties interested reside near Flesherton. The case was settled out of court. MacKay and Sampson for plaintiff; Lucas, Wright and Batson for defendent.

Henderson vs. Rorke—An action for malicious prosecution, which was settled out of Court. C. E. Starr and W. J. Hatton for plaintiff; MacKay & Sampson for defendant.

Wood vs. Carey—Traversed to the non jury sittings. H. G. Tucker for plaintiff; MacKay & Sampson for defendent.

The following were then called for trial.

TRAVIS VS. WEALTZ—The parties are farmers residing in Normanby. The action was brought for damages for seduction of the plaintiff's daughter. MacKay & Sampson appeared for the plaintiff, and H. G. Tucker for the defendant. The case was short and but few witnesses heard. The jury brought in a verdict for defendant.

Herron vs. Hill—This case was called for trial but was settled before going to the jury. The action was brought for damages for criminal conversation. By the settlement the defendant is to pay the plaintiff $30C, each party to pay his own costs. W. S. Middlebro' for plaintiff; Johnston & Ross of Toronto, for defendent.

Hunt vs. Urquhart—The plaintiff is a laborer and the defendant a grocer, both of Owen Sound. The case is one of malicious prosecution. The defendant suspected that some money had been stolen from his store one evening in March 1898, and he immediately accused the plaintiff, who had been in the store shortly before the money was missed, of taking it. He had a policeman search the plaintiff, but failed to find the money about him. The defendent then laid a criminal information against the plaintiff, but the case before the magistrate was dismissed. The case occupied the attention of the court for a considerable time and the counsel addressed the jury at some length. In his charge the judge submitted several questions to the jury. They returned after being out five hours, and the result of their answers was substantially to award the plaintiff about $25 damages. The court has not yet pronounced judgement. J W. Frost and W. H. Wright for plaintiff W. J. Hatton for defendant.

Bell vs. Hanrath—The plaintiff is a grain dealer in Dundalk, and the defendents are grain merchants in Toronto. The plaintiff sued for the price of 7400 bushels peas alleged to have been sold to the defendants in June last. The grain was shipped to Montreal by the instructions of Hannah & Co., but as it failed to pass inspection as grade 2 the defendents refused to accept it on the ground that they contracted for, and as such that by the usage of the trade it was implied that the contract was for grade 2 peas. The jury clause was struck out and the case was tried before the judge. The evidence of the terms of contract was conflicting, and practically uncorroborated on both sides, as the contract was made by telephone. The decision of the judge however, was strongly influenced by a letter sent by the defendants to the plaintiffs in which no particular grade of peas was called for. Judgement was therefore given for the plaintiff for the price of the peas as contracted for, and interest since the date of their rejection, and costs. Bristol, Cawthra & Barker, of Toronto, and MacKay & Sampson, for plaintiff; W. D. Earnger and A. R. J. F. Hassard, of Toronto, for defendants.

CRIMINAL

There were only two criminal cases before the court, one of these being the case Reg v. Burt, which was held over from last assizes as the jury disagreed. When this case was called the accused, William H. Burt, who was out on bail, did not appear, and although Mrs. Burt appeared the Crown did not care to prosecute her in the absence of her husband. The Crown had gone to a great expence and much trouble in preparing to prosecute the prisoners and it was at the last minute disappointing to find that one of the accused had disappeared. The Crown had issued a Bench Warrant to arrest W. H. Burt. A. G. MacKay for Cown; H. G. Tucker for accused.

SKIN-DEEP BEAUTY!

"Handsome is that handsome does," is the old theoretical adage, but after all it's the skin-deep beauty that's attractive. It would take a big lot of handsome doing to compensate for a skin that is diseased and whose appearance is distasteful to all who see it, and the torment of the patient whose daily burden it is to bear it about. DR. AGNEW'S OINTMENT is a wonderful cure for all sorts of Skin Diseases—itching, burning, stinging sensations which are accompaniments—tetter, salt rheum, scald head, ring worm, eczema, itch, ulcers, erysipelas, liver spots, and all eruptions of the skin—one application allays the irritation, and perseverance in its use results in a speedy cure. For blind, bleeding, itching, and ulcerating piles it's a magical balm; one application gives comfort and relief in an instant, and in from three to five nights the trouble disappears. Price, 35 cts.

A London lady had eczema for years so badly, her face and neck were so disfigured she went into a life of seclusion, and the stinging pain of it was so intense that, to use her own words, she "went next thing to mad." She tried many ointments, salves and washes—was treated by specialists on skin diseases without getting any lasting benefit. She bought a box of DR. AGNEW'S OINTMENT—one application gave her comfort, and to-day, after using three boxes her skin is as clear and pink as a baby's.

A Toronto gentleman, living on Dovercourt Road, spent a small fortune in treatments and remedies for piles in their very worst form, was treated by electricity with temporary relief only, and had decided to go on the operating table and have a surgical operation performed, but was recommended to try DR. AGNEW'S OINTMENT—he did so. The first application of it relieved the intense distress—he persisted in its use and to-day he's rewarded with a cure after years of suffering.

DR. AGNEW'S CURE FOR THE HEART—Relieves smothering, palpitation and fluttering. A regular life saver in cases of organic heart trouble.
DR. AGNEW'S CATARRHAL POWDER—Relieves cold in the head in 10 minutes. Cures hay fever and catarrh.
DR. AGNEW'S LIVER PILLS—Regulate the bowels. Tone the system. Never gripe. Pleasant hale doses. 40 in a vial; 30 cts. 8

MR. WANNAMAKER'S ADVICE.

Tomkins. "Good morning, Mr. Wannamaker, I have called to see if you can give me a position in your establishment. I can turn my hand to almost anything."

Mr. W. "No, we are full in every department, and you are the twentieth man I have refused to-day. Why don't you take up a line in which there is less competition and better pay?"

Tomkins. "I'd only be too thankful if you can put me on track of such a position.

Mr. W. "When I was twenty years of age, I was a stranger in a strange land, with neither work nor money, when a friend of mine, a lawyer, advised me to take a book agency, saying he had educated himself by canvassing; like drowning men grasp at a straws I took his advice, and in five years saved $5,000, and with this sum started my present business. It is just fifty years ago to-day that Mr. Bradley, the founder of the present firm of the Bradley Garretson Company, Limited, of Toronto, sent me my first book prospectus, and to his beautiful letters and good advice, I owe much of my present success. Yes young man, if you have anything in you there is just as good a chance for you to-day with this old established House as there was for me. Write them and see what they have to offer."

Tomkins. "I have seen the advertisements of this firm, for agents, for years back, and have often thought of writing them, but have never done so. I will write to-day; and I am very thankful to you Mr. Wannamaker for your good advice."

FLESHERTON SHAVING PARLORS
A. N. LeGard, Prop.
If you should wish an easy shave
As good as barber ever gave,
Just call at my shaving saloon
At morn, or even, or busy noon.
I'll cut and dress the hair with grace,
To suit the contour of the face.
My room is cool, from dust clean,
Scissors sharp and razors keen
And everything I think you'll find
To suit the taste and please the mind.
And all that art or skill can do
If you'll just call, I'll do for you.
I shave the young, the old, the gay,
I'll shave you all for ready pay,
And clean the head at any time,
And for a shave I get a dime;
I do not mean a dime in trust
For that would make the barber bust.

MARKDALE
FOR BARGAINS!

Port Law
From our own Correspondent

Our public school has been closed for the past three weeks, owing to our teacher being suffering from an attack of la-grippe and other troubles, which from all appearance, may result fatally in the near future if not checked.

Miss Mary McMurray of Iroquois has just returned home after an extended visit with friends in this vicinity.

Mrs Geo. Thompson, jr., and Mrs. D. W. Jamieson, we are pleased to note, are both on a fair way to recovery after a very severe illness.

We are very sorry to note that Mrs. Jos. Watson, sr., and Mrs. J. Hemphill, sisters, both of this place, are very ill at present, but we hope to soon hear of their recovery.

Mr. John Lyons of this place is noted for having one of the best drawing teams in these parts. One day recently he took a load of wood from the stump where it was cut in the bush and drew it seven miles to Proton Station, which turned the scales at 6340 lbs., and this was not a picked load with John, as he has been making two trips a day right along with loads of the same proportion. Now, Mr. Editor, if any of your readers know of any one who has beaten this we would like to hear from them.

Mrs. Geo. Carter of Fesserton is at present visiting her mother, Mrs. Joseph Watson, Sr.

Vandeleur
From Our Own Correspondent

Mr. Thos Knight is visiting friends in Alliston.

Miss Minnie Graham leaves in a few days for Arthur to resume her duties as head milliner in one of the leading stores there.

Messrs. Geo. Shannon and Thos. Dunlop each had a wood bee on Thursday last, and Mr. Ed. Holley on Friday. The two latter wound up with a celebration at night.

Mr. Geo. Warling had the misfortune to run the blade of his jack-knife through his hand a short time ago.

Mr. Marshall Beard, who has been living in Markdale for the past two years, has moved back to his farm. Mr. Wm. Alcox, who has been living on Mr. Beard's farm, has moved to Mr. Archie Foster's farm on the East Back Line.

Mr. Wm. and Anthony Stamborske left on Tuesday of last week to seek their fortunes in Manitoba. May they be successful.

Mr. Will Holley has leased the house formerly occupied by Mr. Wes Kells and will take possession of it in a few days.

Priceville
From Our Own Correspondent

A somewhat serious accident befel Mr. Dougal McDougal last Friday forenoon. He was adjusting some machinery in the under part of the saw mill when the carrier chain broke and struck him a sharp blow on the head, inflicting a gash about two inches long. The sawyer, Mr. Donald Campbell, also received an unpleasant clip on his cranium the same day from a pulley.

Mr. Donald McLeod left for Cascade City, B.C., last Tuesday. He took his ticket to Rossland, B C. He will then have to take the stage for 20 miles before he reaches the end of his journey. We wish Donald abundant success among the gold mines of the far west.

Mr. James McLean of the South line and Mr. M. Scott of this village made a trade in real estate lately and as a result the former will soon become a resident this burg, while the latter will again try his hand at farming.

Mr. R. H. Humphrey returned last Friday from a two-weeks visit among friends in Kimberley. Mr. H. was anxious to know what the fourth season was like in this country, but he wasn't prepared for such a regular old-fashioned, downright, out-and-out example of a Canadian winter as has been our pleasure to experience during the last three months.

Mr. Wm. McIntyre of Owen Sound is visiting his brother, Mr. M. McIntyre, V.S., at present.

We are very sorry to learn of the serious illness of Mr. Duncan McDonald, who is suffering from apendicitis. Three doctors were in attendance last Sunday.
