Half-Sick

"I first used Ayer's Sarsaparilla in the fall of 1848. Since then I have taken it every spring as a blood-purifying and nerve-strengthening medicine."
S. T. Jones, Wichita, Kans.

If you feel run down, are easily tired, if your nerves are weak and your blood is thin, then begin to take the good old standard family medicine, Ayer's Sarsaparilla.

It's a regular nerve lifter, a perfect blood builder. $1.00 a bottle. All druggists.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about this grand old family medicine. Follow his advice and we will be satisfied.

SPIN CHEERFULLY.

Spin cheerfully,
Not tearfully,
Though wearily you plod;
Spin carefully,
Spin prayerfully,
But leave the thread with God.

The shuttle of his purpose move
To carry out his own design;
Seek not too soon to disapprove
His work, nor yet assign
Dark motives, when, with silent dread,
You view each somber fold;
For lo! within each darker thread
There twined a thread of gold.

Spin Cheerfully,
Not tearfully,
He knows the way you plod;
Spin carefully,
Spin prayerfully,
But leave the thread with God.

Suddenly Attacked.

Children are often suddenly attacked by painful and dangerous colic, cramps, diarrhoea, dysentery, cholera morbus, cholera infantum, etc. Dr. Fowler's Extract of Wild Strawberry is a prompt and sure cure which should always be kept in the house.

Don't Look so Tired.

It's enough to make one tired just to look at you. Don't look so tired. You must suffer terribly. You know that Ayer's Sarsaparilla cures blood-poverty, nervous depression, and general debility? And it has been doing this for 60 years.

Thirty years ago there was only two dozen explosive compounds known to chemists; and there are now over 1000.

BLOOD HISTORY

Born in bone marrow—dies in the liver. This is the beginning and the end of the rich, red blood that keeps us all alive. Blood history makes a fascinating story.

Scott's Emulsion often plays a most important part in blood history. At the very beginning—that is where its influence is greatest.

Scott's Emulsion is a blood food—a rich material for making new blood. Nothing better for bringing color to pale faces.

It will send you a little to try, if you like.

A LINCOLN STORY.

Abraham Lincoln had a rule for evading difficulties. At a cabinet meeting one day, it is related, Mr. Seward jokingly remarked: "Mr. President, I hear that you turned out for a colored woman on a muddy crossing the other day." "I don't remember," answered Lincoln, musingly, "but I think it very likely. I always made it a rule that if people won't turn out for me, I will for them. If I didn't, there might be a collision."—Argonaut.

Mrs. Fairbanks tells how neglect of warning symptoms will soon prostrate a woman. She thinks woman's safeguard is Lydia E. Pinkham's Vegetable Compound.

"Ignorance and neglect are the cause of untold female suffering, not only with the laws of health but with the chance of a cure. I did not heed the warnings of headaches, organic pains and general weariness, until I was well nigh prostrated. I knew I had to do something. Happily I did the right thing. I took Lydia E. Pinkham's Vegetable Compound faithfully according to directions, and was rewarded in a few weeks to find that my aches and pains disappeared, and I again felt the glow of health through my body. Since I have been well I have been more careful. I have also advised a number of my sick friends to take Lydia E. Pinkham's Vegetable Compound, and they have never had reason to be sorry. Yours very truly, MRS. MAY FAIRBANKS, 318 South 7th St., Minneapolis, Minn." BRECHE A MANON LADY
TELLS OF HER EXPERIENCE WITH
DOAN'S KIDNEY PILLS
The Great and Well-Known Kidney Specific for the Cure of all Kidney and Bladder Troubles.

Mrs. P. Bertrand, Breche A Manon, Que., writes:—I think it nothing but right for me to let you know what DOAN'S KIDNEY PILLS have done for me. For five months I was badly troubled with a sore back, and such severe pains in my kidneys that I could scarcely walk at times. I got a box of DOAN'S KIDNEY PILLS, and before I had them half taken I was greatly relieved, and with another box I was completely cured. I cannot help but give them all the praise I can, and will never fail to recommend them to all kidney sufferers.

Strength and Endurance.

Are factions of the greatest success. No person can do justice to himself without them.

In no season of the year are they more easily exhausted than in the spring.

We need not discuss the reason for this here. It's enough to say there is one, and that Hood's Sarsaparilla gives strength and endurance, as thousands annually testify.

People Fool Themselves.

A great many people fool themselves in the course of their lives. They think they can go on working incessantly with hand and brain and not come to the need of medicine.

They find they can't.

And then many of them fool themselves again by accepting a substitute for Hood's Sarsaparilla, which is by far the best medicine we know of for restoring health and strength and building up the whole system.

How unsightly, sometimes even disgusting, and certainly very mortifying to the sufferer. Nature has given to men one tongue but two ears, that we may hear from others twice as much as we speak.

Agitation in the world of homeopathic medicine has been its very soul of progress as in politics and religion—the difficulties of opinion and of men have been present to the disagreements of which the standard of these bodies have been elevated. So with some of our famous preparations—forestands the world famous remedy to general debility and languor, "Quinine Wine"—and, which, when obtained in its genuine strength is a miraculous creation of appetite, vitality and stimulant to the natural fertility of the system. Quinine Wine and its improvement have been from the first discovery of the great virtues of Quinine as a medicinal agent been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and natural life-giving stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrup & Lyman, of Toronto, have given the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all defects which skilful observation and scientific opinion has pointed out in the past.

Mrs. De Bride was entertaining callers. After they left she remarked to her husband:

And she hasn't spoken to him since.
