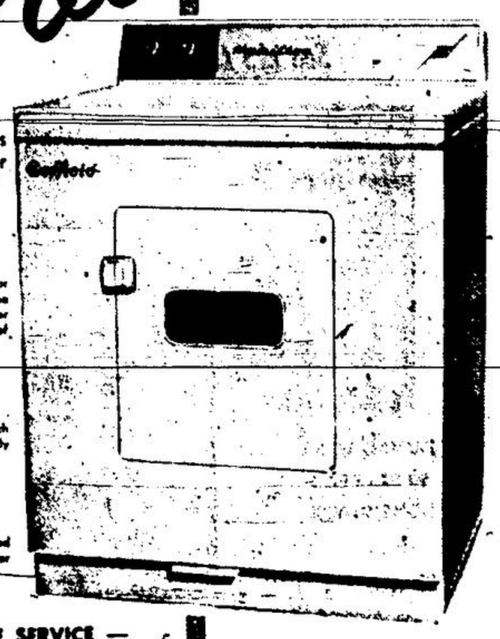
GAS CLOTHES DRYER IN YOUR HOME FOR
30 DAYS Free
If at the end of 30 days you aren't convinced that gas does it better for less, we'll take the dryer back and you will be under no obligation.
Here are just a few of the ways in which a gas clothes dryer will make life easier and happier for you.
* WHY BE A SLAVE TO THE WEATHER?
A gas clothes dryer will permit you to either maintain a regular washday schedule or alter it to suit your pleasure. In fact, no day will have to be considered as washday, for you may prefer to wash a few pieces easily and quickly at a time instead of allowing a mountain of dirty clothes to accumulate.
* LESS IRONING —
Your gas clothes dryer will reduce the number of pieces which have to be ironed before they are folded because it actually tumbles the wrinkles out of clothes.
* NO RE-WASHING —
A gas clothes dryer will completely eliminate re-washing caused by clothes being blown off the line or by bleaches of soot or dirt blown on to them.
* LESS MENDING —
Your gas clothes dryer will save you many hours which you now have to spend in repairing clothes which have been torn when hung on windswept clothes lines.
* TROUBLE FREE SERVICE —
If you are going to buy a clothes dryer, why settle for anything but the best? Your clothes dryer is going to give you years of trouble-free service. You cannot afford to buy anything but an automatic gas clothes dryer, because it, and it alone will give you the speed, flexibility and economy which you desire.



$20.00 FOR YOUR OLD CLOTHES LINE
when you purchase a new automatic gas clothes dryer
