Brave Men Fall.

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless run-down feeling. But there's no need to feel like that. Listen to J. N. Gardner., Idaville, Ind. He says: "Electric Bitters are just the thing for a man whe; he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cts. At any Drug store. Every bottle guaranteed.

Rev. Mr. Harrison holds the record for tying the quickest matrimonial knot ever before tied in this village. Last week a young couple through some misunderstanding with Mr. Harrison waited in vain at the home of the bride, for some one qualified to make them legally one, to put in an appearance. As the bride and groom had to drive about six miles to catch the evening train for Toronto it was decided to reverse the time honored order of ceremony and partake of the wedding supper before the ceremony was performed; still no minister; finally as the hands of the family clock pointed to within a few minutes of the time when the express was due a consultation was held and a dash made for the preacher's residence; they had good horses who kept the pace set by the groom; there was eight minutes in which to tie the knot and reach the station. Mr. Harrison was equal to the occasion; the happy couple were prompt on time, leaving for Toronto amid congratulations of friends and showers of rice—Dundalk Herald.

Mr. A. C. Thomas, of Marysville, Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption accompanied by hemorrhages and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Sold at any drug store. Regular size 50 cents and $1.00. Guaranteed to cure or price refunded.

A Well Known Toronto Traveller Cured of Catarrh After Eight Years' Suffering.

JAPANESE CATARRH CURE CURES.

Mr. R. E. Fleming, the well-known and popular Toronto representative of Messrs. Ewing & Sons, Cork Manufacturers, Montreal, writes: "I have been a constant sufferer from catarrh of a severe and most disagreeable type for eight years, which became worse each winter, in spite of the hundreds of dollars I spent with catarrh specialists and many remedies which only afforded temporary relief. I tried Japanese Catarrh Cure about one year ago, and since completing this treatment have not felt the least symptoms of my former trouble. A few months ago I recommended it to a friend similarly affected, and he is now completely cured also. I can highly recommend it to any person troubled with this most annoying disease." 151

Japanese Catarrh Cure relieves cold in the head in one minute, and is absolutely guaranteed to cure any case of Catarrh of the Nose or Throat or money will be refunded. Sold by all druggists. Price, 50 cents. A free sample will be sent to any person troubled with catarrh. Enclose 5-cent stamp. Address, The Griffiths & Macpherson Co., 121 Church St., Toronto.

Matrimonial

On Wednesday afternoon, April 12th, the residence of Mrs. Dand, Collingwood, was the scene of a pretty wedding in which Mr. Thos Sled of Nottawasaga and Miss Annie Dinwoodie of Flesherton, were the contracting parties, the ceremony being performed by the Rev. H. Ferguson of George St. Methodist church. The bride was assisted by Miss Ella Wickens, cousin of bride, while the groom was ably supported by his brother, Mr. George Sled of Nottawa. The bride was tastefully attired in a suit of blue material, trimmed with white brocade satin and ribbon, while the dress of the bridesmaid was made to harmonize with that of the bride. After the ceremony all sat down to a tastefully prepared luncheon given by the hostess, Mrs. Dand, after which the contracting parties proceeded to their future home, where a sumptuous repast was heartily enjoyed with a number of immediate friends. On the following evening the young couple gave a reception to a host of their young friends. The newly wedded couple were the recipients of many beautiful presents which attested to the esteem in which they are held. They will reside near Poplar Grove, Collingwood. The Advance tenders congratulations and thanks for a handsome slice of the wedding cake.

The residence of Mr. Geo. Tucker at the Station was the scene of a happy but quiet event at 4 o'clock Wednesday evening, 19th inst. The occasion was the marriage of Mrs. Tucker's daughter, Miss Annie Cushnie, to Mr. Cruikshanks of Wiarton. The knot was tied by the bride's pastor, Rev. J. Ward, in the presence of about twenty of the bride's relatives and friends. The bride was given away by her brother, Mr. Geo. Cushnie, while Miss Marie Chislett assisted the bride and Mr. Will Cruikshank the groom. The bride was attired in cream bedford cord trimmed with chiffon satin and lace and carried a magnificent bunch of white bridal roses. The bridesmaid was becomingly attired in Swiss muslin and carried a large bouquet of pink roses. The presents were numerous and well chosen, which testified to the high esteem in which the bride was held. When the ceremony was over the guests partook of a sumptuous supper, after which a most enjoyable evening was spent in parlor games and other amusements. The band from Flesherton added much to the pleasure of the evening by its sweet strains and was much appreciated by all. The happy couple left for their new home in Wiarton on the 9.30 p.m. train amidst showers of rice. Mrs. Cruikshank will be much missed in the Station Sabbath school, where she was an earnest and active worker. Mr. and Mrs. C. carry with them the best wishes of the entire community.

GOOD - BOOTS !!

For the past two seasons, owing to the steady advance in the price of leather, manufacturers were at their wits end to keep boots at old prices, and in nine cases out of ten the quality suffered. Only the most reliable dealers maintained their reputation by charging a higher price and keeping up the quality. We have been very careful this season in insisting on the quality being right, and we believe we have as fine a stock of boots and shoes for the spring trade as it is possible to get by buying in large quantities direct from the manufacturer's and paying spot cash we are still able to sell good boots as cheap or cheaper than you buy inferior goods for.
