FLESHERTONSHAVING PARLORS

A. N. LeGard, Prop.

If you should wish an easy shave,
As good a barber ever gave
Just call at my shaving saloon
At morn, or eve, or busy noon.
I'll cut and dress the hair with grace,
To suit the contour of the face.

My room is neat, towels clean,
Scissors sharp and razors keen
And everything I think you'll find
To suit the taste and please the mind
And all that art or skill can do
If you'll just call, I'll do for you.

I shave the young, the old, the gay,
I'll shave you all for ready pay,
And clean the head at any time,
And for a shave I get a dime;
I do not mean a dime in trust
For that would make the barber bust.

From Our Own Correspondent

No. 6 Co., 31st battalion, has quite a representation from this neighborhood at Camp Niagara this year. Among those who went from here were Messrs. John and Wm. Weber, John Lawrence, Ed. Graham, Geo. Burritt, R. Stafford, T. Walton, Frank Weber and John Wickens.

Mr. S. C. Rowe of Heathcote was a caller in town on Monday.

Mr. John Hammond and Miss Clara Hurd of Meaford high school visited under the parental roofs last week.

Mrs Gleady and children of Toronto are visiting with Mrs. Wm. Walter.

Mr. Benjamin Carruthers is erecting a fine new residence this summer.

The L. O. L. Euphrasia district meeting will be held at Rocklyn on Saturday.

Brave Men Fall.

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless run-down feeling. But there's no need to feel like that. Listen to J. N. Gardner, Idaville, Ind. He says "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cts. At any Drug store. Every bottle guaranteed.

A good-looking Irishman, stopping at an hotel to warm himself, inquired of the landlord, "What's the news?" The landlord, disposed to run at him, replied, "They say the divil is dead." "An'sure," says Pat, "that's news indade." Shortly after he went to the bar, laid down some coppers, and resumed his seat. The landlord, always ready for a customer, asked him what he would take. "Nothing at all," says Pat. "Then why did you put down this money?" "An' sure, sir, its the custom in my country, when a chap loses his daddy, to give him a few coppers to help pay for the wake".

Owen Heffernan, who resides on lot 4, 10th concession, Normanby tp., struck a bright idea last year and made an experiment which may prove profitable to the farming community. Owen keeps hens, but found difficulty in getting sufficiently early chickens. Necessity run Mr. Heffernan into deep thought. The ness finally struck him that crows hatch early. Acting immediately on the idea, he climbed into a tree near his home, where a crow's nest was located. He quickly exchanged eggs, depositing in the nest three gathered in his barn. The idea worked like a charm, and in course of about three weeks three chicks were sheltered by mother crow's wings. This year Owen tried the same experiment and three more chicks were added to his stock.

A Man Named Smith

Had a terrible cough. People said he was going into consumption. As a matter of fact he was already in the early stages of the terrible destroyer. But he had sense enough to take Shiloh's Cough and Consumption Cure, and to-day there isn't a healthier man in Canada. 25 cts., 50cts. and $1.00 a bottle. If it fails to cure, the drugist will refund your money.

DONALD McLEOD,

Priceville

From Our Own Correspondent

Notwithstanding our skill in ferreting out news we have to confess failure regarding the particulars we promised to give this week relating to a "rag bee" held last Wednesday. The man who invented the saying that "women cannot keep a secret," didn't know what he was talking about.

While the managers of the Presbyterian church have been making creditable improvements on the manse grounds, their pastor, the Rev. J. Matheson, has been equally as energetic in beautifying the interior of the manse. Last week the Rev. Mr. Matheson completed the good work by purchasing a fine up-to-date piano.

Last week Mr. Alex McCabe brought fifty-head of cattle from Toronto to his farm near this village. This looks like "carrying coals to Newcastle" but as Mac is a shrewd business man we presume that he knows what he is doing.

Last Sunday Mr. Peter and Miss Mary E. McArthur paid a visit to their cousin, Mr. John McArthur of Hopeville who is seriously ill at present.

The Rev. Mr. and Mrs. J. S. Humphreys attended the conference at Owen Sound. We are glad to learn that the Rev. Mr. Humphreys is to spend a fourth year on Priceville circuit.

Mrs. G. Marlatt with her children of Shelburne are visiting with her parents, Mr. and Mrs. D. McDonald.

Mr. W. J. Blakeston accompanied by his little daughter, Alma, spent Saturday and Sunday in our county town.

Messrs. Jacob Parslow of Swinton Park and Hugh Parslow of Dundalk visited friends in this burg at the beginning of the week.

Miss Flora McArthur left for Buffalo last Monday. We wish Miss McArthur a pleasant sojourn in the Bison city.

Mr. John Ferguson of Swinton Park occupied the pulpit of the Methodist church last Sunday.

The sacrament of the Lord's Supper was celebrated in St. Columba's church last Sunday. The service was conducted in the Gaelic language.

Maxwell

From Our Own Correspondent

Rev. Mr. and Mrs. Douglas are attending Toronto conference in Owen Sound.

Mr. Will Bemrose left some time ago for Windsor to help fit up the Carmona of which he is first officer. Messrs. Geo Long, Will Linloy and Art Robertson accompanied him to work on the same boat.

Mr. Hutchinson occupied the pulpit in the Methodist church Sunday morning.

Miss Mary Heron left last week to visit relations at Caledon East.

Mrs. Hogg and Miss Carr, Eugenia, visited at Mr. Strachan's last week.

Mr. Robt. Spoffard, Port Arthur, spent a week in this neighborhood renewing acquaintances.

The ladies of the Methodist church intend having a lawn social on the 27th at Mr. and Mrs. Fenwick's.

Dr. Scott and Mr. W. H. Guy attended L. O. County Lodge meeting at Flesherton Station last week.

Rev. Mr. and Mrs. Seeley of Singhampton spent a night in the village last week while on their way to conference.

No 6 Co. 31st Battallion has quite a representation from our village at camp Niagara this year. Those who went from here are, Messrs Wm. Clark, Walter Kerton, Dan McDonald, Millie Heron, and Joseph Fenwick.

The Ladies' Aid of the Presbyterian church purpose holding a social on the lawn of Dr. and Mrs. Scott on Dominion Day.

A meeting was held on Saturday evening in G. W. Mackie's office to arrange for sports on Dominion day. The program will consist of hard times bicycle races, horse races, etc. A hard times band will also be in attendance.

Vandeleur

From Our Own Correspondent.

Mrs. Allex. Carson of Priceville visited a few days recently with her sister-in-law Mrs. S. Gilbert.

Mr. Clark of Chatsworth paid his daughter, Mrs. Geo. Pritchard, a short visit.

Mr. Robt. Shannon of Proton called on friends here recently.

Mr. Wm. Buchanan had the misfortune to lose one of his cows lately.

Mr. W. J. Hutchinson spent a day recently with friends at Feversham.

Mr. Wm. Buchanan and Mr. Robert Graham each had a barn raising last week.

The Orangeman have the foundation of their new lodge building at Kells' corner laid.

At Mr. Robert Graham's raising Mr, Thos Bradbury received a very severe shaking up by falling from a beam to the floor, a distance of eighteen feet.

Inistioge.

From Our Own Correspondent

The recent rains have made the hay crop look well, though some of the spring crop on low land has had almost too much.

Quite a number from here took in the excursion to Guelph last Friday and report a pleasant time.

L. O. L. 737, known as Gott's lodge, are building a new hall on the corner, which will soon be ready for use.

A large, expectant congregation assembled at the church here on Sunday to hear the Rev. Mr. Stewart preach, as was announced, but the duties of the stationing committee on Saturday evening made it impossible for Mr. Stewart to leave Owen Sound in time for the down train. However, there was not a complete disappointment, as Rev. Mr. Ferguson came down from conference and supplied very acceptably.

The Misses Taylor of Mt. Zion were the guests of Miss Johnson on Sunday.

Miss McGhee of Horning's mills has returned home after spending a week with her sister, Mrs. Rutledge.

Mr. and Mrs. J. Robinson and Miss Russell of Wareham attended church here on Sunday and spent part of the day visiting friends.

We regret to learn that Mrs. Geo. Ludlow is in poor health but hope she may soon recover.

Master J. and Miss Cornett of Dundalk spent Sunday with their brother Mr. R. J. Cornett.

Mrs. Jackson of Maple Grove visited her daughter, Mrs. Gallagher, and attended church here on Sunday.

Mr. and Mrs. Jas. Nichols of Melancthon, visited Mr. C. Johnston's recently.

We were pleased to see the Bethel congregation well represented here on Sunday.

Stone's Settlement.

From our own Correspondent

MR. EDITOR,—As it is a long time since this section has been heard from, we send the following few items as a reviver.

Seeding, potato planting, turnip sowing and sheep-sheering are about wound up for this season. Fall wheat in some cases has been plowed down as a total failure, in other cases it has been left to take its chance, but in no case that we know of is anything like an average good crop expected. Spring crops look excellent, and the prospects for hay are gratifying.

Mrs. Caldebeck, Toronto and Sydenham road, spent last week with Mrs. Wm. Stone.

Miss Bella McLeod spent part of last week with friends at the Station, and John was unable to accompany the sojer boys to Niagara on account of the pressing business at home.

Since last writing, this line has lost an old and respected neighbor in the person of Mr. Gervis Hazzard, who, in the spring removed to a farm in the Irish Lake neighborhood. Gervis has been a resident here for the last 32 years. We are informed that since his removal a big bouncing boy has been added to his family, which he intends to distinguish by the euphonic apelation "Percival, Cecil, Llewellyn." We would also suggest that an extension table be added to the household furniture.

A short time ago Miss E. Purdy, on breaking (for cooking purposes) what she supposed to be a double yolked hen-egg, was surprised to find enclosed another perfect egg about the size of a pigeon's egg. How the shell was formed on the small egg or how it became enclosed in the large egg, is a problem which we leave to be solved by those who are better versed in henology.

We have now two bicyclists on this line, a lady and a gentleman. The former has yet to attain the statue-like appearance of a young lady who last summer frequently passed along this road on her wheel. Judging by the curvature of the vertebræ of the latter, we infer that he intends to become a scorcher. By the by! who will be the next to buy a bicycle?

A school meeting was held in our school house on Saturday last, at which Mr. Wm. Fletcher was elected trustee in place of Mr. Gervis Hazzard, who has moved out of the section.

Our Sabbath school opened for the summer months on Sunday last with a fair attendance.

Stop It! Stop It!

Don't imagine for a minute that a cough amounts to nothing. Thousands of people are in their graves to-day who et a cough take its course. Stop that cough at once with Shiloh's Consumption Cure, which all druggists sell at 25cts., 50cts. and $1.00 a bottle If it fails to help you, your money will be refunded.

A very sad death occured last Thursday in Melancthon near Shrigley. In the afternoon of that day Mrs. Allan and a young daughter were alone in the house. The daughter left the kitchen for a few moments and when she returned saw her mother in flames just out side the door. With great presence of mind she immediately dashed a pail of water over her. Her injuries however were of such a nature that she died that same evening, suffering greatly. The funeral on Sunday to Badjeros cemetery was largely attended. For some weeks past Mrs. Allen has been suffering from melancholia. The friends have the sincere sympathy o everybody in their heavy bereavement. —Dundalk Herald
