x23 Best arranged bouquet of Flowers by Brown's Bakery, Georgetown		2 00	1 00

x—Donor gets articles.

PLOUGHING MATCH TO BE AT ST. THOMAS

The 1940 annual four-day International Ploughing Match and demonstration of farm machinery under the auspices of the Ontario Plowmen's Association will be held at St. Thomas, Ontario, on October 15, 16, 17 and 18. Already applications for exhibit space exceed those of any previous year, and, taking into consideration the progressive record-breaking expansion in scope and attendance of the past few years—1939 at Brockville; 1938 at Minesing; 1937 at Fergus, and 1936 at Cornwall—the 1940 meeting is likely to reach the highest record, particularly in view of the popularity of St. Thomas as an agricultural centre.

Second only to the keen interest displayed in the dexterity exhibited in the ploughman's art, great interest is always in these meetings in the farm machinery. The exhibit embodies the latest applications of engineering science to mechanized farm equipment and is a test ground for tractors, although this year it will not be [illegible] the [illegible] the [illegible] the [illegible] the [illegible] the [illegible] the [illegible] the [illegible] the [illegible]

JUNIOR FARM CLUBS NATIONAL CONTESTS

Until the outbreak of war in 1939 the national club contests under the Canadian Council on Boys and Girls Club Work constituted one of the principal attractions at the Royal Winter Fair, Toronto, every year. Everything had been in readiness for the contests in 1939 but the war intervened. In April, 1940, when there was little prospect that the Fair would be held as usual at the end of the year, the Council prepared a program for holding the contests as an event by itself, provided that the war conditions warranted the step. By August, as no change had occurred in the prospect of opening the Fair, the Council planned to hold the national contest program during the week beginning November 3 — the project contests to start on Monday morning, November 4 at Toronto and the remainder of the program partly at Toronto and vicinity and partly in Ottawa.

The 1940 contest regulations are those which were approved for 1939, with the exception that teams selected in the 1939 provincial eliminations may, if so desired, be entered for 1940, provided, however, that any province may not enter more than four teams and not more than one team in any one project contest. Members of 1939 teams entered under this arrangement will be eligible for the 1940 contests with respect to age if they were eligible for the national contests planned for 1939.

The contests will include the projects of dairy cattle, beef cattle, swine, poultry, seed grain, and seed potatoes, the contest in each project consisting of a judging competition and an oral examination. There will be no exhibit section for seed grain, corn, and potatoes. The national club contest program is made possible each year by the contributions of the business organizations and the associations which are, together with the Dominion and Provincial Departments of Agriculture, members of the Canadian Council on Boys and Girls Club Work.

Probable Shortage Some Seeds in 1942

The Seed Supply Committee of the Agricultural Supplies Board, which was formed after the outbreak of war last September, has been following closely Canadian seed supplies of cereals, flax, flax, forage crops, field roots and garden vegetable seeds. For the seed season of 1940 normal seed supplies were found available and the prospects for 1941 seed supplies now are favourable.

Careful investigation of seed stocks on hand, seed imports and exports and contracts for delivery in 1941 and 1942 indicate a probable shortage in 1942 of certain bi-ennial field roots and vegetable crops including Mangel, Swede, Garden Beet, Cabbage, Cauliflower, Parsnip and also two annual crops Radish and Spinach.

Respective seed shortages from these crops are due to the cutting off of supplies from Holland and Denmark and to uncertainty as to quantities that may be imported from Great Britain.

This situation was reported to the Agricultural Supplies Board, at the conference with representatives of Provincial Departments of Agriculture, held in Ottawa, July 18 to 20. It was agreed at that time that as an insurance against possible shortage in 1942 the production of seeds in Canada from approved seed stocks of these crops of certain definite quantities under a joint plan between Provincial Departments of Agriculture and the Board should be undertaken.

Under the War Measures Act, Order in Council P.C. 3568, has been passed giving approval to this plan of increased seed production. Steps have already been taken to increase the supply of seed roots to put in storage in the fall of 1940, in preparation for increased acreage plantings for seed production next spring.

LIMEHOUSE

(Intended for last week)

Recent visitors in the village included:

Mr. Stanley Wright, Mr. and Mrs. L. Wright and little daughter, all of Toronto, at Mr. and Mrs. S. M. Wright's.

Mr. Tom Packer of Sudbury was in the village on Sunday.

Mrs. S. Wright is visiting in Toronto.

Messrs. Wm. and Gordon Grieg, of Brantford, and Miss W. Pokinghorne of Toronto, visited with Miss Irene and the Gales on the week end.

Mr. and Mrs. Earl Scott and little Garry of Toronto, were with his parents on Monday.

Miss Sally Dickie, of Toronto, visited with the Mills family.

Mr. and Mrs. E. Morrow, of Toronto, visited her mother, Mrs. R. Lane, over the week end.

The Girls' Lookout Club held their August meeting at the home of Miss Shirley Wright on Friday evening, with Lorene Sanford in charge of the programme.

Showers seem to be the order of the day here, with two miscellaneous ones being held recently at the home of Mr. and Mrs. F. Shelbourne, Mr. Harry Knight and Miss Lillian Huggins who were married last Saturday, were the honoured guests at one on Thursday night last week. Tuesday night Mr. R. Packer and Miss Marjory Cross were tendered another. Both couples received many useful and lovely gifts.

Punch submits the following for Hitler's tombstone: "This is definitely my last territorial demand."
