Presbyterian Church Items

The Ladies' Aid Society held their last regular meeting for 1899 at the manse on Wednesday afternoon of last week when, at the close of general business, officers were elected for the ensuing year as follows; President, Mrs. James Dyce; Vice Pres., Mrs. A. S. VanDusen; Sec.-Treas., Mrs. Jos. Blackburn. The Secretary's report shows that the ladies have had a prosperous year in their department of the church's work. Notwithstanding some removals a slight increase in membership is shown over last year, there being now thirty six members enrolled who pay the small sum of ten cents per month dues, and the receipts have been further handsomely increased by freewill offerings from members of the society and congregation as well as by special work of the ladies on autograph quilt. The society looks hopefully forward to reaching the half hundred mark in membership during the coming year.

The annual meeting of the Sabbath School for election of officers etc., was held at the close of the prayer meeting service, Thursday evening last, with the following result. Supt., Mr. A. M. Gibson; Assistant Supt., Mr. Felstead; Sec. and Treas., Miss Mary Neil; Librarians, Miss Hattie Sullivan, Miss Blanche Hamilton; Organist, Miss Hattie Sullivan. Mr. A. S. VanDusen takes the minister's Bible class and the other teachers remain with their respective classes. The school has had a prosperous year and the officers look forward to increased interest and prosperity as a marked increase in attendance has been noticeable since the change of hour to the afternoon.

The Quarterly Communion service was held on Sabbath last. Rev. J. Ward preached at the preparatory service on Friday.

Rev. L. W. Thom was among his old friends at Arthur, Monday evening, one of the speakers at the entertainment following the opening of the new Presbyterian church in that place.

Things are Up.

Well, let them go up, but I have this to say to the people of this section of the country, that the goods I have to offer them for Christmas presents are as low, and lower, in price than they ever were, and why? Because I bought them before the advance and am giving my friends the benefit of the deal. I never had a finer, more select or more beautiful stock of goods in all the thirty three years I have been with you, and as I shall not stay as long again I would advise you to call and get the first choice. The printer's devil and the old man himself cannot allow me space enough in the paper to enumerate all I have got, and I am too busy opening up new stock to do so, but will give you a few: Games of all kinds, new and old. Ladies' Companions and Manicure combined, a beautiful rich sotck Gents' Companions. Rich perfumes, Satchet Powder. Bibles, just imported from the Oxford Publishing Co. of London. Hymn Books. The leading poets in beautiful new bindings. Toys of all kinds for big boys and girls and little tots. Bon Bons and Christmas sweets, nuts and oranges and plum pudding—that will be good tenerate.

I have just opened up 1800 lbs. of stationery and blank books at prices never less, thus saving the 40 per cent. advance in prices. Our Pills and Powders at old prices, and if you mix the whole jing bang you will have chemical conglomeration.

Oh! I had almost forgot. I have a new stock of very beautiful Christmas cards. Yes they are coming in again and are very cheap—20c to 40c, per dozen cards. Photograph and Autograph albums cheaper than ever. Musical Instruments, Fountain Pens, Work Boxes, Necktie Boxes, Glove Boxes, Collar and Cuff Boxes, Banks for boys, Dolls of all kinds for girls. Handsleighs and wagons, boats and trains, steam engines, bureaus and sideboards, jewellery, lockets, stick pins, watch chains, sleeve links, rings, etc., clocks and watches, purses and pocket books, jewsharps and organs, nerve croquet and table croquet, triangulo, archarena, carom, crokinole, arcbada, backgammon, ten pins, checkers, dominoes, pillow dex, bucksaw and horse, etc., etc. All for sale at
W. E RICHARDSON'S

A Listowel business man has a rather unusual case in court at present. A man living in Galt owed him an account and he entered a suit to recover. The matter was placed in a bailiff's hands and the papers were served upon another man of the same name, however, as the original debtor. The man who was served, no doubt depending on his innocence, did not enter a defence and made no objection until after judgement was given and the bailiff seized the goods in execution. The question has not been settled yet, but it seems that no matter how good a defence a man has it will not avail him anything unless he takes proper legal steps by disputing the claim. A somewhat similar case occurred in Listowel some years ago. Judgment was given against a party in Listowel for a debt due by another man of the same name. The party served, knowing he he did not owe the money, did not put in a defence and had to pay the debt in satisfaction of judgment. The case was appealed but the Judge held that ingnorance of the law did not excuse and that in the absence of defence he had no power to stay the execution of judgment.

Dr S. P. May, superintendent of the public libraries, has issued a circular to public libraries. The minister of Education has directed that some changes be made in the management of all public libraries. The business year in public libraries will in future close on the 31st of December instead of the 31st of April, as formerly. Annual meetings will henceforth be held on the second Monday in January of each year. Owing to the fact that newspapers are read but seldom in many reading rooms, magazines, to be circulated the same as books, may be purchased the same as paper. Libraries open once a week only shall be entitled to a grant not exceeding $100, and those open twice a week shall be entitled to a grant not exceeding $150.

COUGHS KILL

We know of nothing better than coughing to tear the lining of your throat and lungs. It is better than wet feet to cause bronchitis and pneumonia. Only keep it up and you will succeed in reducing your weight, losing your appetite, bringing on a slow fever, and making everything exactly right for the germs of consumption.
Better kill your cough before it kills you.
Ayer's Cherry Pectoral
kills coughs of every kind. A 25 cent bottle is just right for an ordinary cough; for the harder coughs of bronchitis you will need a 50 cent bottle; and for the coughs of consumption the one dollar size is most economical.
"My cough reduced me to a mere skeleton. I tried many remedies, but they all failed. After using the Cherry Pectoral I immediately began to improve, and three bottles restored me to health. I believe I owe my life to it."
