TODAY'S LEADERS IN TOMORROW'S TECHNOLOGIES

# Electrical Draftsperson
## (intermediate)

This is an opportunity for a draftsperson with an electrical industry background and light current experience to join one of the world's leading designers and manufacturers of sophisticated telecommunications equipment.

Based in our Digital Switching Division you will prepare drawings for the manufacture, installation and maintenance of central office switching and toll equipment or telephone apparatus and parts. This will include schematics and assembly drawings, wiring diagrams and records, local cables and piece part drawings. You will also be involved with some prototype assembly work.

We offer a very competitive starting salary and a generous benefit program together with the opportunity to develop a real career.

Please send your resume with full details of your qualification, work experience and salary history to:

**S. Kanusck**
