County Council

The County Council resumed its deliberations at 2.30 p. m. on Friday, with all the members present. The afternoon was largely taken up with a discussion regarding the two grants asked for by the 31st Battalion.

Mr. Preston introduced report No. 2 of the finance committee, which recommended the payment of a large number of accounts. Clause 5 recommended that $500 be granted the men of the 31st Battalion and clause 6 recommended that $100 be given to help pay for the new band instruments. The Council was moved into committee of the whole on the report. All the clauses passed without difficulty including clause 5 to grant $500 to the battalion; but clause 6 recommending $100 to the band created a discussion that lasted more than an hour.

Mr. Paterson said that he was against the grant because the Durham and Meaford bands, as battalion bands had not received any grant. Furthermore he believed that this was purely an Owen Sound organization that should be supported by the town.

Mr. Gordon favored the grant and said that when the old battalion band went to camp it was obliged to look to other places for the requisite number of players it was not the Owen Sound band, it belonged to the whole County of Grey. The Citizens' own band was the Owen Sound band. The new band was becoming a first-class musical organization. Mr. Gordon closed his remarks with an eloquent appeal on behalf of the grant.

Mr. Richardson thought that every encouragement should be shown to our volunteer forces.

Warden McDonald said that a battalion was probably judged more by its band than anything else. Since the decline of our band, the battalion has never been able to capture the silver urn offered for the best rural regiment at camp. He strongly favored the grant.

Mr. Frost also favored the grant. Music was necessary as a recreation in time of peace and necessary to brace the nerves in time of war.

Mr. Peterson then rose and stated that he was laboring under a delusion respecting the band. He thought that it was purely an Owen Sound organization. He would now vote for the grant.

The motion to pass the clause was put to the meeting and carried unanimously

The committee rose and the report of the Finance committee was later adopted in its entirety.

Report No. 1 of the County Property committee recommended the payment of a number of accounts. One clause, however, respecting the payment for some eavetroughing done at the court house, created much opposition and lengthy discussion while in committee of the whole. The report was passed clause by clause and finally adopted.

Mr. Hugh McKay of durham was granted an auctioneer's license free for one year, as requested by petitioners from Durham.

The Council resumed on Saturday morning and some of the resolutions they adopted were very interesting.

The Finance committee brought in report No. 3, which was recommended the payment of a number of small accounts. The report was adopted.

The Council gave evidence of its patriotism by a grant of $100 to the Red Cross Fund. This move should receive the hearty endorsation of the entire county.

The report of the education committee recommended the payment of several sums for the continuation classes in various places.

Report No. 1 of the Judicial Audit Committee, which takes cognizance of jail supplies and other expenses, of which the Government pays a percentage, was brought in and finally adopted.

A by-law was then introduced giving power to the police village of Shallow Lake to extend its limits to a certain specified distance, including a certain acreage. The by-law passed its various readings and was finally adopted.

A resolution was then, on motion of Mr. McKinnon, introduced. He moved that the County Council adjourn to meet in Durham on June 25, 1900.

A heated discussion followed this resolution. The vote finally resulted in a victory for the Durhamites by 8 to 7. Mr. McCallum was absent owing to the death of his brother, but it is doubtful if his presence would have changed the result.

The arguments advanced by those who favored Durham was that the change would give the members from other parts of the county a chance to study the requirements of the people in the southern section.

The motion carried and the County Council will meet in Durham on June 25th.

Council adjourned.—Sun.

A Shining Star

The strides which the Toronto Daily Star is making are the feature of newspaperdom in Canada. Within a few weeks it has been put in the front rank of city dailies. It has cut away from the Toronto tradition about afternoon papers, and has enlarged its size and the scope of its news so that it is now on an even keel with its morning contemporaries.

Its splendid special cable service is a costly feature of the paper's improvement. In London, New York, Chicago, Boston, and Washington it has its own resident correspondents, as well as in the chief cities of the Dominion.

In war news The Star has forestalled its competitors on many important occasions

Its correspondence from the Canadian contingent in South Africa includes some of the most interesting letters that come to tell the people of this Dominion of the trials and the gallantry of our soldiers.

Seeing that the markets and exchanges in the world's great trading centers are all closed before the afternoon are printed, it has been one of the unaccountable things that the morning papers should ever have been looked for and waited upon for their commercial and financial pages. The Toronto Star takes full advantage of the time of publication at 4 o'clock in the afternoon to present full and reliable reports from all the trading centres, as well as the local exchanges. These reports are published fifteen hours ahead of the morning papers.

It has lately engaged one of the best drawing cards in the newspaper business in the person of Sam Hunter, the cartoonist, who went over this week to The Star, whose front page hereafter his humor will go to enliven. Another addition to The Star's staff of more than passing interest was the engagement of Mr. Joe Clark, "Mack" of Saturday Night. The Star's management are going the way to make the paper the most readable in Canada.

FALLING HAIR

Does this illustrate your experience? And are you worried for fear you are soon to be bald? Then cease worrying, for help is at hand. You need something that will put new life into the hair bulbs.
You need a hair food, such as—
Ayer's Hair Vigor
It brings health to the hair, and the falling ceases.
It always restores color to gray hair. You need not look at thirty as if you were fifty, for your gray hair may have again all the dark, rich color of youth.
$1.00 a bottle. All druggists.
"I am a barber by trade and have had a great deal to do with your Hair Vigor. I have found that it will do everything that you claim for it. It has given me the most complete satisfaction in my business." HENRY J. GROSOY, March 22, 1899. Kansas City, Mo.
Write the Doctor.
If you do not obtain all the benefits you expected from the use of the Vigor, write the Doctor about it.

From Our Own Correspondent

We are very sorry to lose our sleighing so soon. We see some of our young men are, to use the slang term, "rushing the season" by the use of their waggons.

Miss Sadie Allen of Berkely was the guest of her sister, Mrs. Virtue, last week.

We understand that Prof. Walker of Dundalk intends instructing a class here in music.

Miss E. Wright left for her home in Durham, where she will stay for a few months.

Miss Maggy Sherson, who has been visiting friends in Winghaun, returned home on Saturday last.

Special meetings were started in this church on Tuesday evening. Mr. Thom intends conducting them himself for a while and then the Rev. Mr. Little will assist him until their close.

Ceylon

From Our Own Correspondent.

A very pleasing event took place at the residence of Mr. and Mrs. N. Lawrence on Wednesday evening, February the 7th, it being the marriage of their eldest daughter, Annie Elizabeth, to Mr. John Patton. At 5.30 o'clock the bride and groom, accompanied by Mr. Wm. Lawrence and Miss M. Ferguson, entered to the strains of the wedding march which wasplayed by Miss Millie Cook. The bride was most becomingly attired in cream delaine trimmed with ribbon, silk and chiffon and carried a boquet of maiden fern and white carnations and wore carnations in her hair. The bridsmaid was richly gowned in cream cashmere trimmed with ribbon and chiffon, and carried a boquet of pink carnations. The ceremoney was performed by the Rev. Mr. Ward in the presence of about one hundred guests. After the ceremony was over the guests sat down to a bountiful dinner after which the evening was most enjoyably spent in parlor games, etc. The bride received many handsome presents. We wish them every success in life.

Miss E. Lawrence of Kimberley has been visiting at Mr. N. Lawrence's.

Mr. W. Smith, night operator, is spending a few days with friends in Orangeville and other parts.

Miss M. Chislett of Owen Sound spent Sunday with her parents.

Miss E. Wilcock is visiting friends in Euphrasia.

Miss B. Stewart is visiting friends in Collingwood.

Mr. R. Cook took a trip up into Western Ontario and reports having had a pleasant time last week.

Mrs. W Wilcock received the sad news on Friday that her sister, Mrs. Buskin, was dead.

Mr. Gardener and Miss Mitchell of Proton visited at Mr. J. Dyce's Sunday.

Mr. Chas. Pickell and Mrs Pickell of Markdale spent Sunday at Mr. R. Cook's.

While Mr. H. Piper was engaged in watering his horses on Friday evening last he received a kick in the face from one of the horses, which broke his jaw. Mr. Piper left for Owen Sound on Saturday to have his wounds dressed. We hope he will soon recover.

Priceville

From Our Own Correspondent

A meeting of the Farmer's Institute was held in Watson's Hall on Tuesday of last week. The afternoon session was very poorly attended. In the evening, however, there was a much larger turnout. The chair was occupied by Mr. J. Davis, Vice-President of the society. The most practical address during the evening meeting was given by Mr. Orr of Niagara on the "Care of fruit trees." Some of the principal points of his address were—Don't pile fertilizers near trees; barn yard manure and ashes make good plant food, therefore don't sell ashes; keep orchard well cultivated; prune trees slightly every year and aim to make trees symmetrical; keep trees 38 to 40 feet apart; systematic spraying absolutely necessary to ensure success. The next address was delivered by Mr. Simpson Rennie of Scarboro. His subject was the "Past and present of our country." Mr. Rennie graphically portrayed pioneer life and contrasted the present state of affairs generally with that of bygone years. The chairman also called upon the following gentlemen for a few remarks, viz.—Messrs. Geo. Binnie, M. Riley and J. Hogarth. During the evening Mr. John Nichol sang a fine song entitled "The dying chief," which was well received. Mr. Geo Binnie also contributed to the musical part of the programme by singing "Bonnie Dundee." A hearty vote of thanks was tendered the speakers and others who took part in the evening's proceedings.

We have learned on very good authority that Mr. John McPhail has discovered a first class method of hardening soft soap. If Lachie gets struck with a bar of soft soap after John reads this item perhaps he will not tell any more secrets.

During the soft snap last week there was a great tumble in wood—so we heard.

Notwithstanding the great scarcity of snow, Mr. Angus McLachlan has invested in a fine set of red bob-sleighs. Mr. Angus McPhail has discarded his factory vehicle and has ordered a new set of sleighs from a Flesherton firm. The boys evidently expect good sleighing again.

The Rev. Mr. Savage has been engaged by the Epworth League to give a lecture next Friday night. A pleasant and profitable time is expected.

The unfavorable weather and roads prevented a large number of our young people from attending the E. L. convention in Flesherton last Tuesday.

Mrs. J. Hardy of Swinton Park is the guest of her sister, Mrs. W.J. Blakeston.

Mr. C.E. Watson, who has been working in Egremont for some time came home last week.

Miss Maud Reiley spent last week with her aunt, Mrs. William Booth of Boothville.

Miss Mamie McLean visited friends at Ceylon for a few days at the beginning of the week.

Mr. Charles McKinnon is laid up at present with a very severe billious attack.

Maxwell

From Own Our Correspondent.

Miss Kate Fleming of this place has been entertaining a guest for the past week in the person of Miss J. Fleming of Sand Hill.

Miss Bernice Tuck is visiting her grandmother, Mrs. Clark.

Mrs. Finland of Collingwood is visiting her sister, Mrs Summers.

Quite a lot of our villagers have been under the doctor's care of late. Mr. J. Strachan, who has been suffering from injuries sustained by a fall some three weeks ago, is recovering.

Miss McDonald has been ill but is around once more.

Miss Kate somers, we are sorry to say, is very ill again.

It is with deep regret we have to chronicle the serious illness of Mr. Richard Heron's little girl, Nellie, but we hope by next week she will be on the way to recovery.

Miss Annie Heron is able to be around once more after two weeks' illness.

Everyone enjoyed the panorama show last Friday—"the one that never came."

A party of young people from McIntyre spent Sunday at the residence of Mr. Henry Guy.

Rev. Mr. Savage delivered a very interesting discourse to a large congregation on Sunday evening. The lecture on Monday evening was very well attended and was much appreciated by all present.

Mr. H. M. Irwin of Markdale has the contract of running the cheese factory for the ensuing season.

Boys, when you buy candies buy those red, "they're useful."

[Mr. Heron's little daughter died on Tuesday, at the age of 7 years. The funeral took place yesterday (Wednesday) to the English church cemetery—Ed. Advance.]

The present spell of mild weather has brought the crows back to their old haunts, reminding us that spring is near.

Born—On Jan. 30, to Mr. and Mrs. A Graham of the Valley, a daughter.

Mrs. Jas. Beecroft of Lady Bank, Mrs. A. J. Beecroft of Vancouver, B.C., and Miss Francie Beecroft of Georgetown are guests of Mr. and Miss Beecroft of Eden Vale

A very pleasant time was spent at the social held at Mr. R. Purvis' on Friday evening last, when a large number was present.

Mr. Woodburn has been very ill for the past two weeks, but is recovering.

Miss Austen has been unable to teach for the past week, having been laid up with quinsy.

Mrs. Blair of Toronto spent the past week with her parents, Mr. and Mrs. Meldrum.

Miss Bella Blair of Alliston and Miss Christina Blair of Clarksburg are the guests of their aunt, Mrs. J. R. Hogg.

Miss Minnie Graham of Arthur is at present home on a visit to her parents.

A dispatch from Barrie says:—Saturday morning the County Council adopted a novel scheme for equalizing County assessments. Councillor James Ross was appointed to visit every township and there select 15 farms, best, medium, and poorest, 5 of each, and assess them at full value, the average assessment of the 15 to be the unit of equalization for that township. Similar methods will be followed in towns and incorporated villages. Mr Ross will be assisted by one councillor, who must not, however, be a representative of the municipality under consideration.
