Major-General Hutton, commander of the forces in Canada, has been recalled by the home government. The Major's appointment was never a popular one and there is a conspicuous lack of lachrymal moisture at the announcement that he is leaving us. Just why a foreign officer should be appointed to this position is not clear, particularly as we have men in Canada quite able to fill the bill. This news must be especially pleasing to Col. Sam Hughes in far off Africa.

Mr. Laurier has reintroduced the Redistribution Bill of last session, which received its quietus in the Senate. He points out that six new Senators have been appointed during the past year and these are all expected to vote for the measure and to win over enough converts to pass it. A redistribution bill is all right in its place and in its proper time, but that proper time is after a new census has been taken. As a new census is due in 1901 we think the government could well afford to wait until then and not press the measure through at present.

The situation in South Africa is practically the same, so far as outward appearances go, that it was three weeks ago, although considerable fighting has occurred. General Buller last week crossed the Tugella and attempted to force the Boer lines, capturing a hill, but found his position untenable and once more withdrew his army south of the river. It is a pure matter of conjecture what his next move will be and opinions appear to be as plentiful as the African kopjes. Lord Roberts is with Methuen's force at Modder River and important developments are therefore looked for in that vicinity. An invasion of the Orange Free State from south and west is not among the improbabilities.

Obituary

On Friday last Mr. and Mrs. Richard Beatham, sr., of this place, received the sad intelligence of the death of their youngest daughter, Mrs. John Buskin of Wodehouse. Mrs. Buskin had been seriously ill for three weeks of inflammation, but was thought to be recovering nicely. On Friday she ate dinner and did some work afterwards, but was suddenly taken with heart-failure and died in a few minutes. Deceased was born in the county of Durham and came to Flesherton with her parents. She was married to Mr. John Buskin in 1883, and to whom she leaves a family of three little girls, the eldest being fifteen years of age, and the youngest a babe of sixteen months. The funeral took place to the New England cemetery on Sunday, Rev. Mr. McAteer preaching the funeral sermon from Rev. 4-1. Deceased was a staunch member of the Methodist church having been converted at the age of 19. At her death she was in her 39th year. Much sympathy goes but to the husband and little family in their terribly sudden bereavement.

Markdale News

A congregational meeting was held in the Presbyterian church on Thursday evening, 8th inst., for the purpose of discussing and organizing for work in connection with the Century Fund. The following committee was appointed: Mr. P. McCullough, Treas.; Messrs, Frank Graham, T. Wilson, J. Cunningham, A. Walker, R. L. Stephen, J. W. Whitby and Rev. J. Winter. We expect the work of canvassing to be pushed with rigour, forthwith.

We regret much to hear of the death Mrs. John Buskin of the 7th line, Euphrasia, who departed this life on Friday the 6th inst. Deceased was a daughter-in-law of our esteemed townsman, Mr. Geo. Buskin.

Our electric light is in good shape again after a few weeks' holidays owing to a break in the engine.

We were pleased to see Mrs. Donelly out again after being confined to the house by a critical illness for a couple of weeks.

Miss H. M. Buskin and her brother William arrived in town on Saturday night from Guelph and attended their sister-in-law's funeral at Wodehouse on Sunday.

The ice harvest has begun and it is being delivered in wagons.

The second carnival of the season was held on the rink here on Friday night of last week. It was pronounced a success by those present. There was a large contingent present from Flesherton, which added materially to its success.

Our curlers acquitted themselves very creditably at the bonspiel in Owen Sound last week, securing second highest honors and came home feeling quite satisfied with their honors. R. L. is a first class skip.

Mr. Robert Askin, our newly-appointed village constable, is getting to himself great praise on account of the fearless manner in which he performs his every duty. We claim that his salary ought to be more than double its present figure.

We are pleased to record an improvement in the condition of the Rev. Mr. Philmore, who has been suffering from a very severe attack of brain fever. The rev. gentleman is quite rational when engaged in conversation with a friend, but when left alone is apt to wander. Mr. Philmore's friends express themselves as being hopeful of his recovery.—Mirror

Easter comes this year on April 15th, and Lent commences on Feb. 28th. The date for Easter is unusually late this year, and in fact is within one week of the latest possible date for the feast. The setting of the date is by means of the Paschal moon, and on this account it is impossible for it to come earlier than March 21, or later than April 25.

A railway accident with a curious result occured at Melanthon, on the Canadian Pacific. While a freight train was approaching the village, a car wheel under one of the big grain box cars broke and the car, turning a complete somersault, end over end, landed in the ditch in four feet of water. Strange to relate, none of the following cars left the rails, but the sudden application of the air brakes, due to the breaking of the train, stopped the train so suddenly, that the crew were thrown from their chairs. The end of one was broken in, and the draw head of another snapped. The car, which was loaded with wheat, was replaced on the rails in 16 hours.

A pitiable case which might well furnish an object lesson to the opponents of a House of Refuge, was seen in the police court on Tuesday morning, when Duke Travis, an old man of seventy-two years of age was committed to the common jail for three months, for being poor. The old man has been respectable all his life, but now bereft of friends and funds, has no option but to seek an asylum in the county jail, which a merciful (?) county council deems sufficient for such as he. The old man felt his position deeply. It is to be hoped that the opponents of a House of Refuge feel theirs as keenly. It is no more enviable.—Times

Mr. Harry Piper of Ceylon met with a very serious accident on Friday night. He had taken his horses to water and upon returning to the stable threw the halters over the horses necks for them to enter when one of them turned and playfully kicked up his heels, with the result that one of them struck Mr. Piper on the side of the lower jaw, smashing it in several places. The injured gentleman took train for Owen Sound Saturday where the injury was dressed by surgeons. He returned home again the same day, but will be incapacitated for work for some time.

A quiet wedding took place at the residence of Mrs. A. McGillivray, Flesherton, on Wednesday of last week, when her daughter, Miss Nellie Smith, was united in marriage to Mr. David A. Tolton of Erin. Only immediate friends and relatives of the contracting parties were present. The ceremony was performed by Rev. Mr. Darroch. The bride looked pretty in white, being assisted by Miss Alice McQuay of Proton. Mr. David Root of Erin did a like duty for the bridegroom. Mr. and Mrs. Tolton remained in town until Friday, when they left for Erin, and will take up their residence at Emerson, Manitoba, next month. May peace, prosperity, health and wealth be their portion.

Doc. Sheppard Docked

"The way of the transgressor is hard, and in one instance at least the Ontario Medical Association is endeavoring to make it harder. A few years ago a certain Dr. Sheppard took up his residence at Kimberley, having come there from Mono Mills, near Orangeville. His practice at Kimberley did not prove to be sufficiently remunerative and he removed to Markdale where he indulged in fast horses, etc. He was also interested in a hotel property in Durham which proved a disastrous speculation. For a couple of years little has been heard of him, but a couple of weeks ago light came as to his recent doings by the announcement in the Toronto papers that he had been arrested for malpractice. In company with a man named Byers from near Newmarket he had formed a partnership and started a cancer sanitarium. A recent case which came under their hands developed pneumonia as a result it is alleged their treatment and the victim died. Both Sheppard and Byers are now awaiting their trial for manslaughter, having been committed by Magistrate Denison.

Epworth League Convention

The fifth annual convention of the Epworth League of the Owen Sound District was held in the Methodist church on Tuesday. Following is the delegation from the various Leagues in the district, which was small, no doubt owing to the bad weather: From Owen Sound—Mess. Baker, Miss Hopkins, Mr. H. R. Frost, Rev. H. Ferguson, Miss Annie Cavelie, Brookholm. Holland Centre—Miss Annie Wilson, Mr. and Mrs. R. M. Learyd, Mrs. J. Rolston, Mr. E. A. Anderson. From Markdale—Rev. R. Buchanan, Miss Nellie Armstrong, Miss H. Boardman, Mrs. E. Craig. Priceville—Mr. and Mrs. Humphreys. Dr. E. C. Murray represented the Mt. Zion League.

The convention was opened by Markdale League, Mrs. E. Craig being the leader in the devotional exercises. Mr. A. E. Armstrong of Flesherton gave an excellent paper on "Prevailing prayer," which was followed by an interesting discussion. The nominating committee was elected by ballot, who immediately went into session at the close of the morning meeting, and elected officers for the ensuing year.

The afternoon session was opened at 2 p. m. by the Dundalk League, Mr. Lester Davis being the leader. The secretary and treasurer brought in their reports, which showed that there are six hundred leaguers in this district. $115 were raised for missionary purposes last year, from a membership of about six hundred active, associate and honorary members. The secretary of the committee then gave in his report as follows: Hon. Pres., Rev. A. Langford, Owen Sound; President, Harold R. Frost, Owen Sound; First Vice, Bert Armstrong, Flesherton; Second Vice, Mrs. W. H. Thurston, Flesherton; Third Vice, Miss Langford, Owen Sound; Fourth Vice, Mr. Anderson, Holland Centre; Fifth Vice, Miss Boardman, Markdale; Sec., Miss Nellie Armstrong, Markdale; Treas., Lester Davis, Dundalk; Conference Representative, Rev. Mr. Ferguson, Owen Sound; Executive Com., Frank Orser, Owen Sound; Mr. Shunk, Woodford; Mr. Bunt, Owen Sound; Mrs. W. A. Armstrong, Flesherton; Mr. J. McIntyre, Dundalk.

Much disappointment was felt when a telegram was read from Dr. F. C. Stephenson, Toronto, saying he had missed the train but would be up on the evening train. Dr. Stephenson is an enthusiastic worker in the interest of the Forward movement for missions and it was hoped that much information would be gained and much enthusiasm stirred up by his address on the above subject. He was also to have taken the question drawer, which was taken by Rev. H. F. Ferguson of Owen Sound at the evening session. Miss Hopkins read a paper prepared by Miss Langford of Owen Sound on The Children's Hour, and how to make the best use of it. The writer showed much insight into child life and junior league work should receive more consideration during next year in this district. In the discussion that followed the fact was brought out that Miss Stone of Priceville North had organized a junior league and when no available place was found for the meetings had thrown open her own home and was doing a grand work for the young people and for God, as there had been more than one conversion. Miss Ida Irwin of Flesherton gave a paper on Consecration, which showed careful preparation. It was decided by resolution that Owen Sound district unite with Warton and Mt. Forest districts to support Dr. Stephens in the work in China until such times as the Board of Missions wishes a change.

At the evening meeting a program was rendered, the prominent feature of which was a most eloquent and inspiring address by Rev. W. Buchanan of Markdale. At 9.50 Dr. Stephenson arrived and talked for half an hour on the Forward movement. The meeting closed by singing "God be with you till we meet again." The next convention will be held at Owen Sound in September next.
