GOOD ROADS MOVING

It is pleasing to note that the first item on the program at Toronto is an act dealing with the movement for better roads throughout the province. We understand that it is the purpose of the government to give assistance to this important work on a similar basis to that governing grants for education, libraries, etc., but the exact details will not be made known until the bill is brought down. It is also interesting to note the rapid strides that the movement has taken since being placed in the hands of energetic committees. For years we have heard on one hand grumbling at the condition of our roads and inadequacy of the statute labor system, and on the other the cost of maintaining them even in such a state as is now vouchsafed them. After studying the matter thoroughly, at last June session of County Council Mr. Richardson moved, seconded by Mr. McDonald,

"That this Council, recognizing the importance of inaugurating some better method of constructing, improving and maintaining the leading public roads of this county, appoint a committee, who shall report at the next session of this Council on the advisability of adopting some general county scheme of road improvement; and they shall also advise as to the best methods of constructing, engineering, overseeing, inspecting and financing and also as to the advisability of commuting statute labor for a term of years; and shall obtain all the information in their power from other parts of the province, where similar schemes have been adopted; and all other matters pertaining to the carrying into effect a better and more scientific method of road building and maintenance than has been generally practiced heretofore in this county."

In the quest for information it was found advisable to call a convention of reeves and others in Toronto, which meeting was held on Dec. 12 and 13 last, and at which it was decided to memorialize the government to grant aid, and representatives of the government were met on that occasion for the purpose and the matter placed before them. The first item on the order paper shows how readily the government took the matter up and what importance they attach to it. Judge Wood of Chatham advised the following plan, which doubtless will be the one very nearly followed out: "Let," said he, "the Ontario government contribute one-third of the cost, the counties one third, and the local municipalities one third with maintenance. Let a county borrow $100,000 and make 150 miles of permanent road at $2000 per mile—a loan of 3 per cent. would be $9000 per annum. * * Mr. Campbell estimates that good roads can be made at $1800 per mile, and that maintenance can be fixed at $20 per mile" He also pointed out that while the government had been promoting agriculture, cheese and butter making, they had forgot to do anything for the roads over which the produce is hauled. This is likely to be remedied at the present session of parliament. There are those who say, "Oh, well, it will come out of our own pockets eventually, anyway." Not if Judge Wood's suggestions are carried out and debentures raised to cover a series of fifty years, and not altogether then, because the government has an increasing income from mines, forests, etc., to a portion of which income we will have a right; and also, while it would be taking a very small sum annually from the farmer's pocket it would be putting more in than it took out, through increased facilities and wear and tear on vehicles, which of itself is a big item. We trust that the good work begun will result in something tangible being done in the very near future.

A decided change in the position of affairs in Africa took place last week when the glad news was flashed across the cable that General French had relieved Kimberley, that Cronje had retired from Magersfontein with his army and that the British army was in pursuit. This news, coming after the long series of discouraging reports, was received with great joy throughout the British empire, and people are still marvelling at the wonderful fact that good tactics could disperse Cronje's army where Lydite and British pluck found the work almost impossible, or if possible with a terrible slaughter of soldiers. The grand result has been wrought with practically no loss of life, and the fighting trio, Roberts, Buller and Kitchener, are now heroes, while the British people breath free and confidence has been restored.

Condolence

Mr. and Mrs. Cairns and Family

DEAR SIR AND BRO.—We, the officers and members of Flesherton Station L O. L., 883, desire to tender you our sincere sorrow and sympathy in your recent sad bereavement, occasioned by the loss of your much esteemed son. We beg to be permitted to share with you your sorrow, and to sympathize with you in this your dark hour of trouble. And we pray that Almighty God in his infinite goodness will grant you that comfort and strength that will enable you to sustain your severe loss with fortitude and submission. Signed on behalf of the lodge,

JAS ASHDOWN, W. M.
ROBERT COOK, Sec.

Ceylon, Feb. 12, 1900.

G. Moore, cheesemaker, Mt. Forest, sold a pair of roadster mares to a Toronto firm for $510.

Chas. Fawcett, a Dundalk resident, appeared before His Honor Judge Creasor on Friday morning, charged with assaulting with intent to do grievous bodily harm Mr. Morgan, a prominent citizen of the same place, and Liberal candidate for South Grey in the last provincial election. The two men became mixed up in an altercation over the election and fistic compliments were finally exchanged. Mr. Morgan was liberally decorated as a result of the scrap and swore out a warrant for his assailant's arrest. Fawcett was taken into custody, committed for trial by the justice of peace, and brought to Owen Sound. He pleaded guilty to the charge and was remanded until Friday.—O. S. Times.

WM. DAVS Prop.

Heart Humbug

It is fashionable to-day to have a new heart scare every 24 hours. The commonest symptoms of dyspepsia or nerve trouble, such as palpitation, weak spells, loss of appetite, and poor circulation, are magnified and distorted into serious signs of heart trouble, with the object of frightening the public into taking this or that heart remedy. If a hundredth part of the heart trouble we hear about were real, the cemeteries would be filled in a month. A wrong construction is put upon common ailments in order to humbug the people into the belief that heart disease is prevalent, whereas real heart trouble, which is so sadly and suddenly fatal when it does occur, is a rare disease. Lopsided arguments cannot convince an intelligent people. Iron is the vital element of the blood. Too little iron means weakness, lack of spirit, pallid cheeks, shortness of breath, sleeplessness, nervousness, loss of vital force, ending in general break-down. The iron in Dr. Ward's Blood and Nerve Pills is in the soluble form you need, in combination with other curative agents in such a manner that disease can't resist their action. You feel yourself getting well when you take Dr. Ward's Blood and Nerve Pills.

The Alpha disc Cream Separator—best on earth. Highest award and gold medal received at World's fair, Chicago, 1893. In hundreds of tests in the United States, Canada and other countries, in no instance has the "Alpha" De Laval failed to demonstrate its superiority over other cream separators in thoroughness of separation, actual capacity, necessary power, great durability of cream, and in all other essential respects. May be seen at the So Ho Foundry, Ceylon. R. P. Legate, sole agent.

Sproule & Crossley have just opened a fresh stock of finan haddie, kippered, salt and fresh herring, also a full line of canned tomatoes, green corn and peas, 1 case excellent sardines at the very low price of 5c box; also a stock of Manitoba and first class family flour, all of which they are selling at lowest prices.

The last issue of the Municipal World contains a picture of our esteemed township clerk, Mr. W. J. Bellamy. The letterpress accompanying the picture is as follows: "Mr W. J. Bellamy was born in the township of Brock Ontario County, in 1853, thence he moved with his parents to the township of Artemesia in 1868. He was educated in the common schools of the latter township. He was appointed clerk of the township in April 1880, and is secretary of a number of friendly societies in his neighborhood. He carries on a general conveyancing, insurance and loaning business in addition to the performance of the above offices."

The Orange soiree held at Eugenia on Tuesday evening was one of the most successful affairs of the season. The hall was crowded to suffocation with a good natured and enthusiastic audience. A most excellent and varied program was given, some of the attractions being music by the Flesherton band and Eugenia orchestra, comic songs by Mr. R J. Pedlar, a witty, pithy speech by Rev. Pinkett and a pretty cantata by six little girls; but the gem of the evening was a solo by Miss Reenie Munshaw, who is developing a rich and true voice under the tuition of Mrs. Shepperd. The entertainment throughout was highly successful, and the proceeds amounted to $60.10.

A Terrible Accident

A terrible accident occurred in this village on Monday afternoon, when Mr. Patrick Burns of the 8th con., Osprey, received such injuries as may yet result seriously. Pat had come in from the station with a neighbor after having sold a load of pigs, subsequent to which he had taken on a load of whiskey too big to carry conveniently. While putting the team in Munshaw's shed he fell under the hind feet of one of the horses. The animal jumped and stepped on his head, tearing his scalp from the left temple to back of the ear and up to the top of his head, a distance of about six inches. The animal then became frantic, kicking and jumping. When extricated Burns was found to have his head cut in a number of places, the sharp shoe cork penetrating the skull at one point. The blood simply poured from the wounds and the sight was a horrible one. Dr. Carter was at hand and after a couple of hours' work succeeded in sewing up the wounds and fixing the wounded man so that he could be taken home. Object lessons of this nature are doing more nowadays than all the temperance lectures do.

Personals

Miss Minnie Graham of Bolton, who has been visiting friends in this vicinity for a couple of weeks, returned to her home on Saturday.

Mr. Marshall Purdy of Joliette, Dakota, who has been visiting friends in Ontario for some time, called on The Advance on Sunday. Mr. Purdy left Meaford for the Northwest 22 years ago and has done well in the prairie province.

Mr. John Cathcart, wife and children, of Durham county, are the guests of Mrs. Cathcart's parents, Mr. and Mrs. Andrew Carr of the village. Mr. Cathcart will remove to the Northwest with his family next month.

Mr. and Mrs. Runstadtler were summoned on Monday to Hamilton by a telegram informing them of the death of the latter's sister-in-law, Mrs. Thos. Egan, from blood poisoning. Mrs. Egan was a young woman of only 32 years of age.

Mr. Jonathan Dinsmore of Clarksburg, Mrs. Robt. Conn of Heathcote, and Mrs. Walker of Markdale spent Sunday with friends in town, and attended the services held by evangelist Goff.

Rev. Mr. Little of Chatsworth was in town Tuesday. The latter gentleman has been assisting Mr. Thom in special services at Proton Station.

Mr. Richd. Parslow of Swinton Park is spending a few days with his daughter, Mrs. E. P. Lawrence.

Mrs. Tuck and Mrs. C. W. Rutledge of Markdale called on the Advance Tuesday.

Miss Gertie Vanzant, who has been visiting friends here for the past few weeks, returned to her home in Toronto on Monday.

Mr. W. Thompson of Dobbinton visited friends in town for a couple of days during the past week.

It is reported that Ladysmith is relieved, 17 Canadians killed and 40 wounded, but report is not confirmed.

Stone's Settlement.

From Our Own Correspondent.

On Thursday last a gloomy sadness pervaded this neighborhood when it was announced that the messenger of death had snatched from our midst an old and dearly beloved friend and neighbor in the person of Mrs. Martha M., relict of the late Wm. Stone. The deceased, who had passed the patriarchal age of 86 years, had always been possessed of a robust constitution, and until quite recently was able to attend to her own little household duties. About the last of January she was taken sick, but thinking it was nothing serious declined medical aid until two three days previous to her death, when she seemed to realize that the end was near, and desired that a doctor should be summoned, but he entertained no hopes of her recovery, and she passed peacefully away on Thursday, retaining full consciousness to the last. For forty-five years she had been a true and faithful member of the Methodist church and was attended in her last hour by the Rev. Mr. Humphreys of Priceville, after whom she repeated word for word the 23rd Psalm, also the lines of that beautiful hymn, "What a friend we have in Jesus, half an hour before she died. Her end was peace. It is a remarkable coincidence that she survived her husband until attaining the age at which he died, viz., 86 years and two months. The deceased lady was born at Abbeyleix, Ireland, on the 25th December 1813, and was married to Mr. Wm. Stone of the same place in January 1838. With her husband and four children she landed in Canada in June, 1847, locating temporarily in the township of Innisfil finally locating in Artemesia in March, 1854, from which time she has continued to be a resident of this line. She leaves five out of eight children to mourn her loss, viz.: Mr. Henry and Mrs. E. Purdy, this line; Edward and William Arthur, British Columbia; and Mrs. A. Williams, Rat Portage. She also leaves two brothers and three sisters, viz.: Mr. Sam Whittaker, Denver, Col.; Mr. Arthur Whittaker, S. Dakota; Mrs. A. Michie Kansas; Mrs. A. Dalley, New Jersey, and Mrs. G. Strangways, Elora, Ont. A large number of relatives and friends followed her remains to the last resting place, where they laid her beside her husband in the family burial plot in Flesherton cemetery.

The relatives of the late Mrs. Wm. Stone desire to express their thanks to Messrs. Egan and Cairns of Ceylon for their kind respects to the dead, by closing their respective places of business as the funeral cortege passed through the village on Saturday last.

Mr G Strangways of Elora, and Mr. and Mrs Williams of Corbetton, attended the funeral of the late Mrs. Wm Stone.
