The Leading Specialists of America
20 Years in Detroit.
250,000 Cured.

WE CURE STRICTURE

Thousands of young and middle-aged men are troubled with this disease—many unconsciously. They may have a smarting sensation, small, twisting stream, sharp cutting pains at times, slight discharge, difficulty in commencing, weak organs, emissions, and all the symptoms of nervous debility—they have STRICTURE. Don't let doctors experiment on you, by cutting, stretching, or tearing you. This will not cure you, as it will return. Our NEW METHOD TREATMENT absorbs the stricture tissue; hence removes the stricture permanently. It can never return. No pain, no suffering, no detention from business by our method. The sexual organs are strengthened. The nerves are invigorated, and the bliss of manhood returns.

WE CURE GLEET

Thousands of young and middle-aged men are having their sexual vigor and vitality continually sapped by this disease. They are frequently unconscious of the cause of these symptoms. General Weakness, Unnatural Discharges, Failing Manhood, Nervousness, Poor Memory, Irritability, at times Smarting Sensation, Sunken Eyes, with dark circles, Weak Back, General Depression, Lack of Ambition, Varicocele, Shrunken Parts, etc. GLEET and STRICTURE may be the cause. Don't consult family doctors, as they have no experience in these special diseases—don't allow Quacks to experiment on you. Consult Specialists, who have made a life study of Diseases of Men and Women. Our NEW METHOD TREATMENT will positively cure you. One thousand dollars for a case we accept for treatment and cannot cure. Terms moderate for a cure.

CURES GUARANTEED

We treat and cure: EMISSIONS, VARICOCELE, SYPHILIS, GLEET, STRICTURE, IMPOTENCY, SECRET DRAINS, UNNATURAL DISCHARGES, KIDNEY and BLADDER Diseases. CONSULTATION FREE. BOOKS FREE. If unable to call, write for QUESTION BLANK for HOME TREATMENT.

The Laurentide pulp mills at Grande Mere, Quebec, were destroyed by fire. The loss is about $400,000. Printing paper will now be scarcer than ever.

At a recent school examination for girls this composition was handed in by a girl of 12: "The boy is not a animal, yet they can be heard a considerable distance. When a boy hollers he opens his big mouth like a frog, but girls hold their tongue till they are spoken to, and they answer respectable and tell just how it was. A boy thinks himself clever, because he can wade where the water is deep. When a boy grows up he is called a husband, and then he stops wading and stays out at nights, but a grown up girl is a widow and keeps house."—Ledger Monthly.

At a meeting of the District Committee of the Canadian Lacrosse Association, held in Toronto Monday night, for the purpose of arranging the junior and intermediate district for the coming season, it was decided to compose Grey district of the following clubs:—Markdale, Shelburne, Orangeville II., Erin, Owen Sound; Secretary, L. G. Campbell, Markdale. The secretary of each district is its convener, and will call the district meetings not later than May 20, at the most convenient point for the clubs. These meetings will make all arrangements for their season.—Economist.

Rev. C. H. and Mrs. Philmore were in town for a few days packing up their household effects for shipment to Port Dalhousie, where they will reside with his parents. Though much improved, we regret to learn that Mr. Philmore's nervous system is still very weak, and his physicians have advised retirement from active duties until he regains his lost energy. Mr. Philmore will therefore live quietly with his parents at Port Dalhousie, carefully avoiding any kind of mental labor or exercise which might have a tendency to excite the nervous system. The rev. gentleman has entirely abandoned all hope of ever again engaging in the work of the ministry.—Meaford Mirror.

In a letter to an Orangeville friend a Canadian in Chicago says: "It keeps a Britisher on the defence all the time in Chicago to ward off the jibes and slurs that are thrown at the incompetence of some of our men. Triumph! Certainly Roberts will triumph. The British cause is a just one. The Boers have been covenant breakers, and can no longer be treated as honorable. They must suffer the ignominy of losing their identity as republics because they were unwilling to be just and to adjust themselves to modern political principles. Some of the papers in Chicago are in open sympathy with the Boers. The Times Herald, which I take, is an ardent admirer of Britain and supports in a true polemic manner the British cause in the war. But they are all coming round to see that ultimate triumph of the British arms is certain and that it will be the best thing for the Boers, for the African blacks and for civilization. Theories aside, I have learned in my four years residence in this country that the government of Canada, legislative executive and judicial, is vastly superior to that of the United States. The difference is largely due to the fact that the people of Canada are homogeneous. The people of this country are quite heterogeneous, and with the franchise in their possession they are a prey to tricky politicians who are not infrequently actuated by motives quite remote from good."

INDIGESTION

If you have it, you know it. You know all about the heavy feeling in the stomach, the formation of gas, the nausea, sick headache, and general weakness of the whole body.

You can't have it a week without your blood being impure and your nerves all exhausted. There's just one remedy for you——

Ayer's Sarsaparilla

There's nothing new about it. Your grandparents took it. 'Twas an old Sarsaparilla before other sarsaparillas were known. It made the word "Sarsaparilla" famous over the whole world.

There's no other sarsaparilla like it. In age and power to cure it's "The leader of them all."

$1.00 a bottle. All druggists.

Ayer's Pills cure constipation.

"After suffering terribly I was induced to try your Sarsaparilla. I took three bottles and now feel like a new man. I would advise all my fellow creatures to try this medicine, for it has stood the test of time and its curative power cannot be excelled." I. D. GOOD, Jan. 30, 1899. Browntown, Va.

Write the Doctor.

If you have any complaint whatever and desire the best medical advice you can possibly receive, write the doctor freely. You will receive a prompt reply, without cost. Address, DR. J. C. AYER, Lowell, Mass.
