How Mafeking Was Relieved.

Leaving Barkley West on May 4, with secret orders, the column advanced at the average rate of speed of 25 miles a day, notwithstanding the fact that it was encumbered with 20 waggons with stores. Reaching Vryburg on May 10, it was found that the Boers were in force on the right flank. Then, according to one account, followed a race on parallel lines for Kooloosrand, the Boers aiming to head off the column there. The Boers arrived first, but Colonel Mahon, finding that he had been out-distanced, made a detour to the west in the night. The Boers, however, were alert. They followed the British closely, and on May 13 hotly attacked the British, as recorded by Gen. Roberts' despatch. The encounter was fierce, both forces fighting under the stimulus of the important issue involved, but the Boers were severly defeated, leaving 18 of their dead on the field. After this, the column made a wide detour, and joined Col. Plumer. The united forces then marched against the besiegers, and heavily bombarded their lagers, inflicting considerable loss. The resistance of the burghers was not strong, they being anxious to preserve their line of retreat. They finally fled, taking their guns with them. The British captured a number of prisioners and considerable ammunition. The Boer loss according to a despatch from Lorenzo Marques, was 80 kil ed.

CAPE TOWN, May 21.—British troops have arrived at Veereenicing in the Transvaal, north of the Vaal river. The bridge across the Vaal was found to be intact. Twenty-seven Free State and Transvaal locomotives were captured.

CROW—At Eugenia, on Friday, 18th inst., Thos. Crowe, aged 61 years.

Eugenia Methodist S. S.

The annual business meeting of the Eugenia Methodist Sundayschool washeld last week. The report of the school for the past year was very favorable and encouraging. The school is steadily increasing in members, and the staff of officers and teachers are working faithfully and harmoniously, and there are indications of more earnest and prayeful study of God's Word by the members of the school, and also evidence of deeper thought and personal application of the Word. We are looking for, praying for, converted hearts and pious lives of young men and women. The school's financial standing was shown to be good, with prospects of further enlargement of means to spread abroad in our midst religious literature and also more fully equip the school for advanced study and spiritual song. The following officers were elected for the current year: Superintendent, F. T. Carr; Assist. Superintendent, Leonard Latimer; Sec., Edward Turner; Treasurer, Solomon Turner; Bible class teacher, F. L. Sine; intermediate class teacher, Mrs. L. Latimer; primary class, No. 1, Miss Edith Carr; primary class No. 2, Mrs. McMullen; auxiliary teachers, Mrs. F. T. Carr, Miss Austin, Mrs. J. A. Williams, Mrs. Johnson, Mr. Isaac Turner; Mrs. Williams, Organist; assistants, Miss Annie Wilson, Miss Abbie McMullen.—COM.

In answer to a question, the Municipal World says that a reeve of a municipality may make or second motions in council meetings. The World is a recognized authority on municipal law, and its decision will be generally accepted. This will create quite a change in the proceeding in councils as in the past reeves have not gone beyond suggesting motions and voting in case of ties.

BLUES

Ever have them? Then we can't tell you anything about them. You know how dark everything looks and how you are about ready to give up. Somehow, you can't throw off the terrible depression.
Are things really so blue? Isn't it your nerves, after all? That's where the trouble is. Your nerves are being poisoned from the impurities in your blood.
Ayer's Sarsaparilla
purifies the blood and gives power and stability to the nerves. It makes health and strength, activity and cheerfulness.
This is what "Ayer's" will do for you. It's the oldest Sarsaparilla in the land, the kind that was old before other Sarsaparillas were known.
This also accounts for the saying, "One bottle of Ayer's is worth three bottles of the ordinary kind."

Maxwell

From Our Own Correspondent.

Mr. and Mrs. Hamilton of Flesherton visited friends here on Sunday.

Mr. Wm. Bemrose and Mr. George Long have bidden us farewell for some time, as they intend sailing from Collingwood in a few days. We wish them both success and that they may both have a pleasant season. May their roads be smooth, foes few and friends many.

Misses Rita and Eva Small spent Sunday with friends in Maxwell.

A sad message was brought to the home of Mr. W. H. Guy a week ago last Thursday, when it was announced that death had claimed for its victim Miss Julia McLean, formerly of McIntyre, a niece of Mrs. Guy. It was a sudden shock, as the young woman was around as usual on Tuesday till the evening, when she took sick. Dr. Ball of Singhampton was in attendance, but about 9.30 Wednesday evening she passed away.

Born—On May 14th, to Mr. and Mrs. Fred Spofford, a daughter. Also to Mr. and Mrs. Wm. Clinton, a daughter.

Mr. and Mrs. Wright of Clarksburg were callers in our village last week.

The celebration of the Queen's Birthday was thoroughly enjoyed by all our people. Fish hooks were in evidence and the juvenile portion of our boys had on hand a supply of firecrackers. The Ladies' Aid of the Presbyterian church held a garden party at the home of Mr. McCallum which was well attended, the proceeds amounting to about $23.

Mr. H. Horon has commenced the frame work of Mr. W. H. Guy's barn.

Born—On May 23, to Mr. and Mrs. Ed. Pedlar, a son. Mrs. Will Cousins of Singhampton, is with her sister, Mrs. Pedlar, for a few days.

Mr Harry McCallum of Desboro spent the 24th with his parents, accompanied by a young friend.

Osprey Council met at McIntyre on the 24th of May and will meet here as a Court of Revision on Thursday this week.

Miss Julia Guy spent the 24th with friends at McIntyre.

Markdale

From Our Own Correspondent.

The 24th of May exceeded our expectations. The day was fine, the crowd was very large and the program was executed in first class order. The first number was a parade of the Boers followed closely by the British. A sham battle took place on the square when, after a fierce fight the English routed the Boers and finally captured the whole force. The loss on both sides was somewhat heavy. A vast contrast was exhibited in the humanity of the two armies, the Boers leaving their wounded to suffer while the British had their doctors and Red Cross nurses who tenderly looked after the wants of our wounded boys. This scene, which is only partly described above, was worth going miles to see. The next number was the football match—Chatsworth v. Markdale—which resulted in a tie, each team scoring one goal After dinner the bicycle race took place The prize winners were: For place, 1st Collins, Chatsworth; 2nd Geo. Alton, Markdale; 3rd Galbraith, Markdale. Time: Ern Merriam, Chatsworth. The lacrosse match was between Durham and Markdale and was won easily by the Aberdeens with a score of 5 to 3 We have seen a good many matches of the national game played but we are pleased to state that we never saw one played with such good feeling and little roughness. Bad language was conspicuous by its absence. In fact for such a large crowd the day passed off very quietly The concert in the evening was interfered with by the fire alarm. The gate receipts amounted to $153 and concert about $50.

FIRE—The fire alarm was rounded from Plewes' mill on the evening of the 24th, and the mill now lies in ruins, together with his barn and the house occupied by his miller, Mr. S. E. Campbell, the latter's household effects being saved. The origin of the fire is a mystery. Mr. Plewes had just completed overhauling and putting in a lot of new machinery, in all amounting to over $2000 worth, and had it ready to start next day, but the fire fiend has blighted all his hopes. I understand that there is a small insurance, but even so Mr. Plewes is an exceedingly heavy loser. Mr. Will Mathewson also lost over $50 worth of tools and the other workmen also lost their tools. I learn as I write that Mr. Plewes' loss is ten thousand dollars.

Miss Harnden, milliner for McFarland & Richards, Dundalk, is holidaying and Miss Violet McDuff of our town is filling the vacancy.

Mrs. Rev. Hunter and Mrs. Thomas Morrow picnicked with their respective S. S. classes on the 25th at the home of the latter teacher The boys report having had an elegant time.

Port Law

From Our Own Correspondent

Seeding is about over and now we hope for rain to "cheer the thirsty ground."

Rev. Mr. Hill of Dundalk paid a pastoral visit to his parishioners here recently.

The pupils of our public school displayed practical sympathy with the Ottawa fire sufferers by casting in their mites for aid.

Born—On May 21st, to Mr. and Mrs. Wm. Taylor, a son.

Mr. and Mrs. E. Montgomery and little son of Sunnidale have returned home after visiting Mrs. M's parents, Mr. and Mrs. Thompson, sr., and other relatives here.

Mrs. G. Condell and children of Toronto are visiting with the former's parents, Mr. and Mrs. Wm. McLennan.

Mrs. McLennan and her son James have both had a severe siege of illness, but we are pleased to hear that they are improving.

Mr. Thompson, Sr., has returned from a visit with his daughters in Sunnidale

The Messrs. Eudell Bros. have completed, with the exception of a few finishing touches, the substructure of Mr. J. A Thompson's new barn. It is a substantial piece of workmanship. Their next job is at W. R. Simmons', who is erecting a piggery and driving house.

Everybody has seen the eclipse.

Wareham

Again the old earth has thrown off her mantle of whiteness and has adorned herself in beautiful green. Vegetation is in foliage and orchards are bedecked with blossoms of pink and white. Surely the world is a beautiful place and our own dear village the prettiest spot of all.

Mr. F. Irish has immigrated to the west for the summer. We wish him a pleasant journey and a speedy return.

TO FIT OR NOT TO FIT

W. A. Armstrong,
JEWELER AND OPTICIAN,
FLESHERTON.

Mrs Wright has returned home from spending the winter in Toronto.

Mr. Thos. Ross is suffering from rheumatism.

Mr. C. McMillin & Son's are erecting a magnificent barn.

One of our young men was startled from a pleasant dream by burglars in his room. After a shower of words and boots he found it was only a little mouse. Nervous young men should not sleep alone.

School teacher Miss Ley, with a number of friends, attended convention at Flesherton and report a pleasant and profitable time.

Our choir have engaged another bass singer, Mr Fornace Douglas. Appearance as well as music is thus greatly improved.

Vandeleur.

From Our Own Correspondent

Mr. R. Buchannan lost a valuable cow recently.

Mr. and Mrs. W. J. McCallum of Stratford are visiting friends in this vicinity.

On Wednesday evening last Mr. Sheldon Boyd, of this place, and Miss Clara Quinton, were united in marriage at the home of her brother, Robert Quinton, ninth line of Euphrasia, the Rev. Mr. McCalaren officiating. The bride was the recipient of many useful and valuable presents from many friends and acquaintances, who were there. Your correspondent joins in wishing them long life an prosperity.

On Thursday week Mr. Geo. Pritchard received a telegram from Allenford stating that his father was seriously ill. He left immediately for that place but arrived too late to see his father alive. The deceased was about 75 years of age. He had been making his home with his son George for some time and only left a few days before, apparently in his usual health, for a short visit to Allenford, where he was taken suddenly ill with the above result. The remains were interred in Tara the following Saturday.

The trustees of the Methodist church have decided to remodel the old church here, veneering and adding ten feet to its length and a basement. Contracts have been let for that purpose, but we have not heard who the contractors are.

The Ladies Aid held a very successful garden party in the school grounds in the afternoon and evening of the 24th. Mr. Wm. Buchanan occupied the chair and a good program was rendered, consisting of recitations, etc., and closed by a patriotic song by four little girls. The proceeds, amounting to $27, will go to the church fund.

Kimberley

From Our Own Correspondent

Quite a number from this locality attended Mr. Goff's camp meeting at Clarksburg on the 24th, while a number of others took in the sports at Maradale.

Mr. Nicholas Abercrombie of the "Advance" staff visited with friends in Kimberley on Sunday.

Our friend Dr. Bibby has been in Clarksburg for the past week or so, where his wife is very ill. We hope soon to see Mrs. Bibby around again.

Miss Mamie Thurston of Flesherton visited with her gandparents, Mr. and Mrs. J. M. Thurston.

Mrs. J. Plewes has been somewhat under the weather for the past few days.

Several parties camped along the river on the 24th May, while some passed through the village to Eugenia.
