Because Wm. Pollick, a farmer of Kincardine township, sold a team of horses to a Paisley buyer after having promised to sell them to him on Saturday last, a Ripley horse dealer became so incensed that he assaulted him and gave him a bad beating. The horse buyer later, without appearing in court paid a fine of $10.00 and costs. It is said that Pollick's injuries were such that it was necessary for him to be taken to the Kincardine hospital.

While engaged in running the small press in this office on Friday morning last, Ed. Bowman had the misfortune to have his right hand caught in the machine. Two of the envelopes which Ed was running fell into the machinery and in endeavoring to recover them his hand was caught. Fortunately the drive shaft of the press broke which stopped the machine and prevented a more serious accident. As it was, his hand was badly squeezed and he will be off work for some time.

On an information laid against him by license Inspector White, Mr. J. Becker of Carrick appeared before Magistrate Tolton on Friday, charged with procuring liquor while on the prohibitary list. He was found guilty and assessed $10.00 and costs, amounting in all to $15.50. In giving evidence, Becker informed the court that he had secured his liquor at a Neustadt hotel and although that village is out of his district, Mr. White is investigating the case and a charge against the hotelkeeper will probably be laid. As the license Inspector for that section of Grey resides in a distant part of the county it is claimed that the hotel-keepers in Neustadt and surrounding country pay little or no heed to the laws governing the sale of booze.—Telescope.

On nomination night Dr. Crow claimed to know a party who had not paid his water rates for years, and of course, subsequent events have proven that he knew what he was talking about.—Chesley Enterprise.

Mr. Bieman, a Bentinck farmer living near Crawford, left his hired man named Charles Becking at home last Friday while he went over to see his father-in-law who was ill. When he returned home he discovered that a suit case and $10 were missing. He came to Hanover to lodge a complaint, but for private reasons decided not to push the case.
