Death of Wm. Ferguson.

The death of Wm. Ferguson on Sunday last at his residence in Shelburne was no surprise to his friends, who had noticed that he was gradually getting weaker during the past few days. The deceased was in his 79th year, and was a native of Edinburgh, Scotland. He settled in Priceville in 1852, and resided there until he moved to Shelburne about two years ago. For nearly half a century he was one of the best known men in South Grey, and being a magistrate he was always called Squire Ferguson by the residents of Priceville. He held the position of Superintendent or Inspector of Public Schools in South Grey for 35 years and resigned the position on account of ill health in 1886. He was highly respected by the teachers in his inspectorate, and in 1878 he was presented with a magnificent gold watch by the Teachers' Association of South Grey at their annual meeting at Flesherton, with a handsome silver-headed ebony cane, suitably incribed, as a mark of respect from the teachers of Melanchton and Shelburne. He paid close attention to his duties, and the earnest, hard-working teacher had always a friend in Inspector Ferguson. The deceased leaves a widow and six children, three sons and three daughters. The sons are Thos. Ferguson, of Cheboygan, Mich.; Albert Ferguson, of Dundas; and Geo. Ferguson, of Detroit, Mich. The daughters are Mrs. Geo. Rutherford, Shelburne; Mrs. J. Watson, Walters Falls, and Mrs. W. A. Parker, of Mount McVicar. Mr. Ferguson was a consistent member of the Methodist church, and was for many years a local preacher. His death will be regretted by a host of old friends in Priceville and vicinity. The funeral was held on Tuesday afternoon to Shelburne cemetery.—Free Press.

General Pio del Pilar, the Filipino leader, has been captured by the Americans near Manilla.

Bert Elliott, formerly operator at the depot, Shelburne, had a narrow escape near Flesherton on Tuesday. He was standing near the track giving signals to the engineer of the gravel train when the engine rounded a sharp curve and the stakes which guide the cable attached to the plow broke and allowed the cable to fling around with great force. Had Elliott been standing lower down the bank he would have been cut in two by the cable, but, fortunately, he was part way up the bank and as soon as the stakes broke he started to run. The cable struck him a fearful blow on the right leg before he got out of its reach. His leg is badly swollen and he will be laid up for some time.—Free Press.

A case of particular interest to farmers was tried before Judge Boys and a jury at the division court in Alliston recently. The Alliston Manufacturing Company sued Robert Steele, of Cashtown, to recover the price of a binder. In 1898 Mr. Steele ordered a binder from the agent of the company, but after being tried the machine would not do satisfactory work. A representative of the firm was sent for and neither could he make the machine work. The affair was an apparent failure, and Mr. Steele declined to keep it. The representative of the firm, however, prevailed on him to keep it until the following harvest, and if then they could not make it work they would take it away without cost to Mr. Steele. It did no better in the harvest of 1899 than it did in 1898, and Mr. Steele absolutely refused to keep it, and was forced to go and buy another machine in order to save his harvest. This was Mr. Steele's side of the story, which everybody who knows him believes to be true. The jury, however, decided against him and judgment given for the whole cost of the binder.

Why let all your neighbors and friends think you must be twenty years older than you are? Yet it's impossible to look young with the color of 70 years in the hair. From Our Own Correspondent

On Thursday evening of last week the Rev. Dr. Beaves of Hamilton delivered an eloquent and instructive address on "The Heroes of the Day." The following points were emphasized:—Heroes are not always recognized by their fellows. Heroes have their own peculiar weaknesses. Heroes are heroes by virtue of their mental and moral qualities. Heroism is a thing of the heart as well as of the brain and muscle. Heroes are not found among the boasters and the tyrants. Heroes are true to their convictions. Heroes can stand defeat. Reverses show their nobility and true manhood. Throughout the lecture the speaker referred to many heroes of the present and past.

The congregation of St. Columba have just finished excavating a suitable foundation and yard for a shed on the side of the hill behind the church. The magnitude of the underking must be seen to be appreciated. The amount of work done during the last ten days is an illustration of what can be done by an energetic congregation when they work together and with all their might. The shed, when completed, will eclipse anything of their kind in Grey, both for comfort and appearance.

Mr. John Ferguson of Swinton Park occupied the pulpit of the Methodist church last Sunday.

Mrs. H. Dietz of Detroit is the guest of her sister, Mrs. G. Tryon.

Mrs. S. Wright of Markdale spent a few days with Mrs. Dr. Hutton last week.

Mrs. Robinson of Palmerston is waiting on her sister, Mrs S. Blakeston, who, I am sorry to say, is quite ill at present.

Mr. and Mrs. A. McLean and Mr. Charles and Miss Maggie McLean and Mr. Joan McMillan of Tiverton, Bruce county, are visiting at Mr. M. Cameron's and other friends in this vicinity.

Miss Firth of Durham spent a day or so of last week with Miss Bertha James.

A quiet but pretty wedding was celebrated at the residence of Mr. John McQuarrie on Wednesday afternoon of last week, when his youngest daughter, Miss Maggie, was united in marriage to Mr. Otto Konold of Bunessan. The nuptial knot was tied by Rev. Dr. Beavis in the presence of only the immediate relatives of the contracting parties. The bride was supported by Miss Lizzie McDonald of Boothville and the groom by Mr. Alex. McQuarrie, brother of the bride. The happy couple have the best wishes of the community.

Rev. J. S. Humphreys will preach to the local lodge of A.O.U.W. next Sunday. Brethren from other societies are cordially invited. This will also be Mr. Humphrey's last service in the Methodist church.

Last Saturday our chief constable, Mr. I. McDonald, received a telegraphic communication from Mt. Forest requesting him to take in charge a "Home" boy who had run away from some farmer near Boothville. Mac executed his mission and on Sunday Mr. T. Stovell of Mount Forest came to the village and took the lad away.

Robert Gourley, jr., met with a painful accident at Sloan's mill on Saturday last by which several of his fingers were cut, one of them being completely severed Dr Carter dressed the wounded member.

Mr. and Mrs. Meldrum visited friends in Durham the past week.

Mrs. Parliament of Paisley was the guest of her sister, Mrs. Fenwick, the past week.

Mr. and Mrs. Samuel Pedlar visited their daughter, Mrs. Hosth, of Leith, for a few days.

Mr. and Mrs. Lapp of Argyle were the guests of ex-Councillor Pedlar for several days.

Stone's Settlement.

From Our Own Correspondent.

The meteorlike ball of fire referred to by your Priceville correspondent in last week's issue is no illusion, but a genuine reality and vouched for by persons of undoubted veracity. The phenomenon first made its apearance a little over a year ago and has been seen on several occasions at intervals varying from weeks to months, sometimes apparently rolling along the ground and sometimes sailing among the tree tops, or dodging from one place to another only a few feet from the ground and finally disappearing. As your correspondent remarked, various theories have been advanced with regard to the phenomenon, some of which were (as in all such cases) of a ridiculous nature. The spook, in all probability belongs to the ingenious fatuus order.

Miss Lizzie McArthur returned home from Proton, where she has been residing with her aunt, Miss Lizzie Campbell, since last fall.

Miss Jenny Lyness has gone to spend a month with friends in Paisley.

Master Herbert and Miss Rosina Robinson are spending this week with friends in the neighborhood of Glen Huron.

Mrs. R. Spicer of Dundalk with her two children are at present the guests of Mr. and Mrs. H Spicer.

Mrs. Perley Harrington of Buffalo, accompanied by Mr. and Mrs. W. W. Trimble of Flesherton, paid a visit to R. Whittaker and family last week.

Nearly every family on our line is possessed of an organ or melodeon. These are surely, signs of prosperity.

Goslings and turkeys are a good crop in this vicinity this season.

Markdale

From Our Own Correspondent.

Mr. Smith, mail carrier from Traverston, met with an accident on Thursday last which will lay him up for some time. He was coming to Markdale with the mail when his horse shied and upset the buggy, throwing Mr. Smith out and breaking three of his ribs. He was taken to the home of Thos. Morrow of the suburbs and the doctor summoned to attend to his injuries.

The Aberdeens are in Mount Forest today (Tuesday) and will battle with the Lornes of that town. This is the first time for these two teams to meet and it is guesswork as to the result.

Mr. C. Gregory has the contract for repairing the Presbyterian church and is starting at it to-day, Tuesday.

I was very much pleased to meet Mrs. Walter Turner last week. Mrs. Turner is an invalid but is recovering nicely and bids fair to be as strong as formerly.

Ceylon.

From Our Own Correspondent.

It is our painful duty this week to announce the death of Mr. Chas Ryan, whom we mentioned last week as having met with a painful accident. Four doctors were in attendance but in spite of all that medical aid and willing hands could do he passed away at 8.45 p. m. Saturday. The remains were taken from the O'Neil House on Sunday morning and conveyed to the home of his parents at the Irish Lake. Mr. Ryan has been engaged in the lumbering business for a number of years and was well known throughout the county. The funeral took place Monday morning to Glenelg R. C. cemetery, followed by a large number of sympathizing friends. Mr. and Mrs. Ryan and family have the sympathy of the community in their sad bereavement.

Mr. Jas. Dyce spent Sunday with friends in Proton.

Mr. Jos. Blackburn of Flesherton visited our village and called on a number of his old friends who were pleased to see him.

We are glad to see Master Willie Sproat and Miss Blanche, who have been sick for the past two weeks, able to be around again.

Mr. S. Hemphill and family spent Sunday with friends in Osprey.

Miss Ida Irwin of Markdale is the guest of Miss M. Sinclair.

Mr. Fred Sproat, who has been in Grand Valley for the past three months, returned home Saturday.

We are pleased to see Miss Clara Cooke able to be out again.

Wedding

A very pretty house wedding was celebrated at the residence of Mr. and Mrs. Donald Ferguson of Swinton Park on Tuesday afternoon, June 12th, when the eldest daughter, Miss Rachel Ferguson, was married to Mr. Geo. W. Parslow, eldest son of Mr. Richard Parslow of Swinton Park. The bride was attended by her sister, Miss Tena Ferguson, and Mr. Jaloh Parslow was groomsman. The Rev. J. S. Humphreys conducted the ceremony. At 9 p.m. while the wedding march was being played by Mrs. Humphreys, the wedding party appeared on the lawn, the bride accompanied by her father, and took their places under a beautiful grove of trees. The bride wore a very becoming gown of dotted Swiss muslin trimmed with valenciennes lace and ribbon. After the bride and groom had received the hearty congratulations of the friends, about eighty guests sat down to a table laden with all the good things of the season. During the evening Messrs. Geo. and John Haw and Peter Walker entertained the company with high class instrumental music. The presents were both numerous and costly.—Herald.
