And let his men mix medicines
As well as make your Boots?

What think you of those who do
Keep Boots and Shoes for sale,
Who of their leather cannot judge,
And oft in judgment fail?

But Niehaus understands his trade
His workmen do the same,
And to please all his customers,
Shall ever be his aim.

Doctor Davis!

Physician & Surgeon.

OFFICE,

Merrick Street, between the Wesl'n Methodist Church and the Royal Hotel.

(Up stairs.)

Directly opposite the Market, entrance on Merrick Street.

CAN be consulted at all hours, day and evening, on all Chronic Diseases, Diseases of Women and Children, Midwifery, &c., together with those of a private nature. He has devoted over thirty years to the treatment of the above named diseases, and the success, so far, has been without a parallel, as may be seen from the numerous testimonials in his possession.

Private Diseases.

It is well known that this branch of the medical profession has been much neglected from the fact that it is mostly, epecuiated by quacks, who invariably practice under an assumed name. Dr. D. has devoted much of his time to the various forms of this disease, and by his improved remedies its worst stages are brought under subjection in from four to ten days. The many illsarising from secret habits in both sexes permanently eradicated.

No Mercury Used.

Patients at a distance can treate by corresponding with the Doctor, stating the symptoms of their disease, age, length of time afflicted, etc., and receive his celebrated remedies by express, or as otherwise directed securely packed from observation. A reasonable remittance on all such applications will be required.

Dr. Davis' Celebrated Female Pills.

For Irregularities, Suppression of the menses Leucorrhœa or Whites, and all female difficulties, have been before the public for the past ten years, and are universally admitted to be the best remedy for which they are recommended of any now in use. Thousands have used them without one single instance of their failing, to have the desired effect. Printed directions accompany each box. Sent by mail to any part of the country on the receipt of one dollar.

The doctor can be consulted at all times with the utmost secrecy, as his office is so arranged that it is impossible for patients to see each other, unless by consent.

☞No charge for advice when obtained at the office, if by letter, one dollar.

All letters must be addressed (pre-paid) to D. DAVIS M. D., Hamilton, C. W., and to contain a P. stamp if reply is required.

KENNEDY'S PAIN KILLER!

Experience has fully demonstrated that no remedy has proved so universally prompt and efficient in releaving Coughs as the Pain Killer. It is beside a safe remedy. Full directions with each bottle.

KENNEDY'S HAIR RESTORATIVE!

Genera lDepot, Hamilton, C. W.

TO THE READER.

These Medicines are prepared with great care, and expressly for family use, and are so admirably adapted to preserve health and remove disease, that no family should be without them. If you doubt this, read the following Certificates:—

A PERMANENT CURE.

Mr. James Kennedy—Dear Sir—I feel that it is a duty I owe to suffering humanity, to give a revelation of the great benefits I have derived from the use of your Liniment and Pain Killer. After suffering about seven years with an Erysipelas sore on one of my legs, and being obliged to leave off work on several occasions, at one time being confined to my bed for 21 weeks, and trying every means that medical skill could devise—being aided by the notorious Dr. Tumblety—but all to no purpose; I was induced to try your Liniment and Pain Killer. On a Friday in December, 1862, I was obliged to leave off work, and I commenced to use your remedies in the evening of the same day, and on the following Monday morning I resumed work, and am pleased to say that I have never lost a day since from the effects above stated. I must say in all my experience I never saw an article possessing the same healing properties as Kennedy's Liniment.

Signed, JOSEPH DODSON.
