WE CURE STRICTURE

Thousands of young and middle-aged men are troubled with this disease—many unconsciously. They may have a smarting sensation, small, twisting stream, sharp cutting pains at times, slight discharge, difficulty in commencing, weak organs, emissions, and all the symptoms of nervous debility—they have STRICTURE. Don't let doctors experiment on you, by cutting, stretching, or tearing you. This will not cure you, as it will return. Our NEW METHOD TREATMENT absorbs the stricture tissue; hence removes the stricture permanently. It can never return. No pain, no suffering, no detention from business by our method. The sexual organs are strengthened. The nerves are invigorated, and the bliss of manhood returns.

WE CURE GLEET

Thousands of young and middle-aged men are having their sexual vigor and vitality continually sapped by this disease. They are frequently unconscious of the cause of these symptoms. General Weakness, Unnatural Discharges, Falling Manhood, Nervousness, Poor Memory, Irritability, at times Smarting Sensation, Sunken Eyes, with dark circles, Weak Back, General Depression, Lack of Ambition, Varicocele, Shrunken Parts, etc. GLEET and STRICTURE may be the cause. Don't consult family doctors, as they have no experience in these special diseases—don't allow Quacks to experiment on you. Consult Specialists, who have made a life study of Diseases of Men and Women. Our NEW METHOD TREATMENT will positively cure you. One thousand dollars for a case we accept for treatment and cannot cure. Terms moderate for a cure.

CURES GUARANTEED

We treat and cure: EMISSIONS, VARICOCELE, SYPHILIS, GLEET, STRICTURE, IMPOTENCY, SECRET DRAINS, UNNATURAL DISCHARGES, KIDNEY and BLADDER Diseases. CONSULTATION FREE. BOOKS FREE. If unable to call, write for QUESTION BLANK for HOME TREATMENT.

Address and Presentation

An event of unusual interest took place on Friday evening at Maxwell when a party of about 200 people met at the Presbyterian manse and took the minister and his family completely by surprise. Inviting Mr. and Mrs Flemming out to the lawn F. C. Bruce read the following address: Feversham Aug. 3rd, 1900

Rev. Mr and Mrs. Fleming, Maxwell

DEAR FRIENDS—We, as representatives of Feversham Presbyterian church, feel called upon at this time to acknowledge the great work and unwavering interest that has been shown by you in our behalf and in the welfare of our church. We would indeed be very calloused and indifferent to our spiritual need if we from time to time remained under your teaching and notes of warning and continued to be indifferent to our souls salvation. Your congregation at this time esteem it a great and unalloyed pleasure to have the opportunity of thanking you in person for the interest you have ever expressed for us as evinced by your earnest labors among us and we assure you from the depths of our hearts that we accord both you and Mrs. Fleming an overflowing measure of confidence, love and respect. We would therefore beg you to accept our offering, not for its money value which is small but as a mark of esteem in which you are both held by us. May you be long spared to minister to our wants and also enjoy many an hour of rest between your labours is the earnest desire and wish of your loving congregation. Signed in behalf of the congregation

Mrs. James Douglas,
Mrs. F. C. Bruce.

Mr. James Douglas, Mr. and Mrs. A. Inkster then presented Mr. and Mrs. Fleming with two lovely wicker rocker chairs, a handsome parlor lamp and silver cake basket. Mr. Fleming made a very suitable reply touching on the bond of sympathy and good feeling which had existed in such a marked degree between him and his people, and while he did not believe in gift giving and petting a minister because it had a tendency to elevate some with him, it had the opposite effect, that of humbling him, yet at this time he accepted the offering and then thanked them for their kindness.

Hardly was he through speaking when Miss McDonald stepped forward and read the following address from his McIntyre congregation:

REV. P. FLEMING—We, the members and adherents of your McIntyre congregation, cannot allow this occasion to pass without in some slight manner giving expression to the high esteem in which you are held by us. We admire your trueness of character and earnestness in preaching with boldness Jesus Christ and him crucified. You have endeared yourself to us by the lively interest you have taken in the spiritual welfare of your young people and their society, pointing them to the lamb of God who alone taketh away sin. As you have always taken an active interest in our hours of pleasure and enjoyment, so also in the hours of trial and suffering you have not been negligent, speaking word of cheer to the afflicted and comforting those on a dying pillow. We hope your stay may be long among us and although a cloud may sometimes appear, yet behind it there is the silver lining of Christ's righteousness. Please accept this purse as small token of our love for you, and when your labors for the Master are done may you hear the words pronounced, "Well done, good and faithful servant, enter thou into the joy of thy Lord."

Signed in behalf of the congregation

Hugh Roberts Alex McIntyre
Neil McPhail Hector McInnis.

And at the proper moment Misses McPhail and McIntyre presented Mr Fleming with a well filled purse. This was another surprise for him as he naturaly concluded that the first presentation was from the three congregations as one, and had the effect of making it very difficult for him to speak, but what he did say brought the tears to many eyes. Dr. Scott then came forward and in an able manner assured both Mr. and Mrs. Fleming of the successful work being accomplished in Maxwell congregation and of the good will and friendly feeling that exists between them as a pastor and people. He regretted that through a misunderstanding they had been unable to show their good feeling save in words only. Mr. Hugh Roberts of McIntyre also spoke in glowing terms of the friendly relations existing all through his people in McIntyre. The program was then changed and an abundance of the good things of this life were urged upon everyone present, after which games and sports were engaged in until parting time came, and all went home feeling that the surprise had been a complete success.

Returned From Paree

Mr. Mervyn Vanzant, who has been visiting England and the Paris exposition writes the following short but interesting sketch of his travels:

DEAR EDITOR,—I have returned from Europe and thought a short note for The Advance might not be unacceptable. We landed in England after a very warm and uneventful journey. I first went to Somersetshire, near Taunton, a very ancient, busy and interesting city. From here I cycled down through Devonshire through the cities of Exeter, Plymouth, Torquay, Tynemouth and several smaller places. The scenery in Devon is very gentle and beautiful. From here I cycled up near Bath and Bristol, and saw Wel s' cathedral (one of England's finest) and also the ruins of Glastonbury abbey, which was destroyed by fire in the thirteenth century and never rebuilt. I next went to Paris via New Haven, Dieppe and Rouen. The train stopped long enough for me to see Salisbury cathedral, which has a very fine stone spire 364 feet high. I stopped in Paris eleven days and took nine days to go through the exposition, which is very grand and beautiful. It simply baffles description. I think I can safely verify the statement that the French excel the world in taste. The Art building was exceedingly grand and also the French, German, Austrian and Italian exhibits. I mounted the Eifel tower, 1000 feet high. The Canada building is a credit to the country. In Paris I visited Notre Dame, Madelino and several of the larger churches, also the Louvre, Napoleon's tomb, the principal gardens and parks and many other interesting places. From Paris I went to London, Eng., and after a stay of eleven days went to Liverpool. From here I went to the old walled town of Chester and again started on a cycling tour. I first went through the north of Wales to Conway, another walled town, and followed the Conway river down a most beautiful valley to the centre of Wales, and then to Shrewsbury, Kidderminster, Stratford-on-Avon, Banbury and Oxford. From Oxford I turned back and cycled to Leamington and on through Warwick and Kenilworth, where the two famed castles of the same name are situated, to Burton and the city of Derby. From here I went up near Sheffield and Lincoln to the Dukeries and visited the Chatsworth house (Duke of Devonshire) a most beautiful and charming spot. From here I returned to Chester and on to Liverpool, and took the steamer Parisian, in which were the invalided Canadian soldiers, for home, arriving safely after a thoroughly enjoyable visit to the old lands.

From Our Own Correspondent

The intense heat of the past week and dry weather have ripened crops very fast and this week will see nearly all grain cut or ready to cut.

Bush fires have ben giving considerable annoyance in many instances, but the recent heavy rains have put an effectual damper on them.

A joint stock company has purchased and placed in position a set of heavy platform scales, and now we can have anything weighed from a roll of butter to a span of elephant's.

Born—On Wednesday, August 9th, to Mr. and Mrs. John Winters, a daughter.

Mrs Chas. Napier is ill with an attack of inflammation of the lungs.

Miss Annie Allen of Toronto is visiting the parental home, accompanied by a little girl friend.

Mrs. McDonald and son William of Sault St. Marie, Ont., visited recently with the former's sister, Mrs. Geo. Ecroft.

Miss Martha McKenzie of Priceville has been here the past week visiting friends.

Mrs. H. Holman and Mr. F. W. Nicholson, in answer to a telegram visited their mother who is very ill at Oakville.

The successful applicant for the position of teacher in our school is Mr. J. A. Hutchinson of Brechin, Ont., who comes well recommended and is expected to enter upon his duties on Monday next.

Messrs Thomas and Edward Haney left for Owen Sound last week where they expect to remain for some time.

A very serious runaway accident which it seems a little short of a miracle was not attended with fatal consequences occurred on Sunday the 5th inst. Mrs. Wm. Chard and three young members of the family had just left their own gate in a democrat, when through some defect in the neckyoke the tongue fell to the ground causing the horses which were spirited to make a furious dash along the road, throwing the occupants of the rig violently to the ground. Mrs. Chard was dragged along the road for a considerable distance, and was picked up insensible, receiving a serious scalp wound and numerous bruises about the body. It was a close call, but we are glad to report that she is improving nicely under Dr. Carter's care. The other occupants of the rig miraculously escaped with slight injuries.

Miss Mabel Carr returned with her sister from a visit to Claremont.

Miss Jean Fleming of Philadelphia is visiting with her uncle and aunt, Mr. and Mrs. James Woodburn.

Mr. Thompson Wilson has been somewhat under the weather for some time.

Mrs. Mackie, Mrs. and Miss Fife of Toronto, and Miss Annie McLean of St. Catherines, who have been guests at the Eugenia house, returned to their homes on Tuesday.

Priceville

From Our Own Correspondent.

Master Hugh Cameron of this village had a very peculiar and unique experience last week. Hugh, who is working for Angus McKechnie, is a very industrious little man and exceedingly fond of horses, hence it is not surprising that during his hours of sleep visions of harvest fields, horses and wagons should float through his mind. However, one night lately these dreams assumed a more practical and somewhat serious aspect, for Hugh got up and went out to the fields, caught the horses, harnessed and hitched them to the wagon and when found he was sitting in the wagon fast asleep.

The parents and children of the Presbyterian Sunday school held a very enjoyable picnic in Mather's grove on Wednesday afternoon of last week.

The fine rains of the beginning of this week were very much appreciated by everyone. The pasture fields and root crops present a much fresher appearance as a result.

Donald Campbell of this village has secured the contract of building the large shed for the Presbyterian church.

Hector McLean is erecting a very neat brick house for Mrs. McNulty of the South Line.

Mrs. Hastings of Metz is the guest of Miss Fanny James at present.

Miss Minnie Walters and Miss Glass of Hamilton are visiting at Mrs. William Walters of O. D. R.

Miss Edith Hartley of Toronto is spending her holidays with her sister, Mrs. Sidney Blakeston.

John Simpson of Chicago is home on a visit to his parents.

Hugh McRae left last week for a few days' rest with friends in Trowbridge.

Miss Maggie Derby, who has been visiting her friend, Miss Bertha James, returned to her home in Durham last week.

Kimberley

The following items were sent in by a special correspondent.

A bush fire has been raging here in a cedar swamp during the past week. The fire broke out in T. Abercrombie's flat and swept everything before it. It burnt a large amount of timber belonging to J. R. Fawcett and T. Abercrombie, and some fencing of H. Hurd and C. Rear's, and had it not been for the help of several men and the abundant rains of Saturday and Sunday much more damage would have been done, as several buildings are near the swamp and the residents of this place have reason to thank the Giver of all good for the rains of Saturday and Sunday. The fire burns the vegetable soil here and is exceedingly hard to extinguish.

Harvesting is well on here now. The farmers are pulling peas and housing oats.

Mr. Geo. Pentland visited friends in Kimberley lately.

Miss Edna Thurston is recovering from her recent illness.

Miss Flossie Thurston of Flesherton is visiting with her grandparents, Mr. and Mrs. J. M. Thurston.

Robert Stuart had the misfortune one day recently to get his foot badly cut. The doctor dressed the wound, but Rob has still to go on a crutch, and we hope he will soon be around again.

Ceylon.

From Our Own Correspondent.

The garden party that took place on Friday evening at the residence of Mr Jas. McMullen in aid of the India Famine Fund was a decided success. A most enjoyable time was spent and we believe some twenty-two dollars were netted.

Miss Lauder of Durham is the guest of Miss O'Neil.

Mr. McMannus of Shelburne, and Mr. Maxwell of Dundalk, were the guests of the Misses Collinson last week.

Miss Ella Wilcock has been visiting friends near Berkley.

Mrs. Morrow and Miss Hemphill of Dundalk are visiting at Messrs. J. and S. Hemphill's.

Miss Crawford of Durham is the guest of Miss Collinson.

Miss I. Irwin of Markdale is the guest of Miss Sinclair.

Miss B. McKenzie is visiting friends near Eugenia.

Mr. John Gott, who had his hand so severely mangled by a saw a few weeks ago and went to Toronto General hospital for treatment, returned home on Saturday night and we are pleased to know will recover without losing any of his fingers which was at first feared.

Mr. Stewart, M. A., Ph. D., and son of Toronto spent most of last week visiting at the home of Mr. John Johnson and other friends near Inistioge.

Mr. Stewart addressed the Sunday school in an interesting manner Sunday.
