Not a case of necessity—A cigar-case.

A noisy piece of crockery—The cup that cheers.

A want that may be "felt."—The want of a hat.

Question for discussion—When a man can't contain himself, is he too large or too small?

A man has been arrested for taking things as they come.

A western paper says of the air, in its relations to man: "It kisses and blesses him, but will not obey Lion." Blobbs says that the description suits his wife exactly.

"Farewell, Susan, you have driven me to the grave," wrote John Larch, of Alabama, four years ago, and left the note on the river bank. He was arrested the other day in Cincinatti, living with another woman.

'Well, Sambo, what's yer up to nowadays?' 'O, I's a carp'ner and j'iner.' 'He! I guess yer is. What department do you perform?' 'What department? Why, I does the circular work.' 'What is dat?' 'Why, I turns de grindstone—g'way.'

"Well, neighbor, what is the most Christian news this morning?" said a gentleman to a friend. "I have just bought a barrel of flour for a poor woman." "Just like you! Who is it you have made happy with your charity this time?" "My wife."

At a Brooklyn wedding, among the presents ostentatiously displaoed, was a one-hundred-dollar bill, a present from the doting father to the darling daughter. After the guests had departed, the old man coolly rolled up the bill and put it in his vest pocket, and that was the end of it.

Mrs. Partington considers the German language utterly repugnant to English tongues and ears. She could never birng herself, she says, to allude to her "good man" as a herr.

"Here, waiter," said a gentleman, as he was about leaving a hotel, "here's a shilling for you because you have attended my fire so well." "Thanks your honor! May you live long, and may I have the making of your fires hereafter."

They have sunsets in Noble County, Minn. A resident writes; Our indescribably beautiful sunset scenes come as near representing the opening portals to the celestial republic of souls beyond, as anything my vision ever beheld.'

A few days aga a very handsome lady entered a dry-goods store and enquired for a "beau." The polite clerk threw himself back and remarked that he was at her service. "Yes, but I want a buff, not a green one," was the reply. The young man went on measuring goods immediately.

Kentucky has introduced a new feature into its schools. When one of the girls fails to spell a word correctly, the boy who spells it right has permission to kiss her. Several girls are fast forgetting all they ever knew about spelling, while the boys are improving with unexampled rapidity.

This is the way one of our poetical contributors is afflicted:—

Oh! I long for a glimpse of summer!
The winter is cold and white;
Oh! I long for the fair new-comer,
Who shall robe the earth in light.
I am weary of storm and snowing,
I am sick in heart and brain;
When will these dark days be going,
And summer return again!

IT IS NO WONDER that invalids lose faith in all specifics, when so many worthless medicines are advertised for the cure of various diseases; but which when tried, are "found wanting." We have yet to learn, however, of the first failure of "Dr. Wistar's Balsam of Wild Cherry," to cure coughs, colds and pulmonary diseases.

EVERYBODY SAYS SO.—That is all who have either used the article themselves or witnessed its effects when used by others; all such, and they are only fit to judge, are unanimous in the opinion that "Darley's Condition Powders and Arabian Heave Remedy" for horses, is superior to anything of the kind heretofore or at present in use for coughs, colds, Thick Wind and all diseases which affect the wind of horses. As a condition medicine it has no equal; there is nothing in it which can injure a horse whether sick or well—nor need the horse be kept from working while using it; it is just the article all who owns horses require, and which they should have constantly on hand. Remember the name, and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Toronto, Out., proprietors for Canada.

When the harrassed man of business tires his brain—
The toiling student, "with visage sickled o'er with the pale cast of thought," becomes daily more gaunt and careworn—
When the victim of Neuralgia is racked by excruciating torment—
The palpitating, burdened, and grief-stricken hearts succumb to the pressure—
When weakness subdues the body from any cause, and when additional strength is required, the most grateful and beneficial effects will ensue from the use of Fellows' Compound Syrup of Hypophosphites.

Whooping Cough.—The most stubborn cases of whooping cough are cured in a few days by Fellows' Syrup of Hypophosphites. The old idea of this disease always running a protracted course has exploded.

BREAKFAST.—EPPS'S COCOA.—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by careful application of the fine properties of well selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills."—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled—"James Epps & Co., Homœopathic Chemists, London."

MANUFACTURE OF COCOA.—"We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles at their works in the Euston Road, London."—See article in *Cassel's Household Guide.*

ELECTRICITY! THOMAS' ECLECTRIC OIL!—WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures Catarrh, Asthma and Croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most skeptical. J. Collard, of Sparta, Ont. writes "send me 6 doz. Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now; its cures are truly wonderful." Wm Maguire, of Franklin, writes, "I have sold all the agents left, it acts like a charm—it was slow at first but takes splendidly now." H. Cole, of Iona, writes, "please forward 6 dozen Thomas' Eclectric Oil. I am nearly out; nothing equals it. It is highly recomended by those who have used it." J. Bedford, Thamesville, writes—"Send at once a further supply of Eclectric Oil. I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodford, writes—"Send me some more Eclectric Oil. I have sold entirely out. Nothing takes like it." Miller & Reed, Ulverton, P.Q., write—"The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb & Co., Buckingham, P.Q., write. "Send us one gross Eclectric Oil. We find it to take well"

IRON IN THE BLOOD

PERUVIAN SYRUP
A PROTOXIDE OF IRON TONIC
DYSPEPSIA — DEBILITY — DRIVEN OUT BY — HUMORS

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, scarching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*
