SWP means Sherwin-Williams Paint (Prepared). This is the best paint for you to use because it is made of pure materials—pure lead, pure zinc, pure Linseed Oil, and pure coloring pigments which are thoroughly mixed and ground in scientific proportions by powerful machinery.

It is better than the old fashioned hand-mixed paint because the materials are put together according to correct chemical formulae which have been tested out in a practical way. • Its fine grinding makes it cover nearly 50% more surface than hand-mixed paint.

SWP is an economical paint because it will cover the greatest amount of surface, wear longest, and look best.—Ask us for color cards.

Special Prizes at Guelph for Grey County Farmers

For the past two years the Grey County Board of Agriculture have, by the generosity of the County Council, been able to offer prizes at the Winter Fair for live stock raised and owned by a resident of this county. In 1913 the prizes totalled $100 and of this amount $40 were claimed as prizes. Last winter the Board was able to supplement the grant of the County Council and made the total prizes offered amount to $150. More than half of this amount was claimed and the Board feel that in justice to those who would like to exhibit this year, that the prizes be the same as they were last year. It will be noticed that these prizes are only for amateurs, therefore those who have won money in open competition at any of our large fairs will be barred from winning these prizes. This should encourage as many as possible of our younger men to show at this year's Winter Fair.

The prizes offered are as follows:

For the best stallion, raised in Grey County, shown by an amateur exhibitor, resident of the County of Grey. Prizes 1st $25; 2nd $15.

For the best gelding or mare, any draught breed, raised in Grey County shown by an amateur exhibitor, resident of the County of Grey. Prizes, 1st $25; 2nd $15.

For the best steer or heifer, any beef breed, 2 years of age or under, prizes, 1st $25; 2nd $15. These prizes are open only to exhibits raised in the County of Grey and shown by amateur exhibitors, resident of the County of Grey.

For the best sheep of a long wooled breed, raised in the County of Grey and shown by an amateur exhibitor, resident of the County of Grey. Prizes, 1st, $10; 2nd $5.00.

For the best sheep of a medium wooled breed, raised in the County of Grey and shown by an amateur exhibitor, resident of the County of Grey. Prizes, 1st $10; 2nd $5.00.

As many as possible should make an effort to secure one or more of these prizes and thus advertise the stock of the County and for themselves as well. For further information write

A travelling agent who visited Ripley last Thursday, got very much alarmed when he visited a certain house and discovered a number of persons talking in a foreign language. She immediately reported at the neighouring house that she suspeted that German spies were in our midst. Upon investigation it was learned that there was no reason for suspicion. It was a Gaelic prayer meeting that was being conducted and all those present were true British citizens, who all spoke the Gaelic. Neighbors had a hearty laugh when they learned that those who were attending the meeting were mistaken for German spies.

Wright Telford & McDonald,
Owen Sound, Ont., Solicitors for Executors

All the outcry about the Niagara peach crop being ruined by the frost was without foundation, and we are now told that the crop from present indications is likely to be one of the largest ever harvested. This is good news for it means with proper methods of distribution cheap peaches for all of us, and next to the Canadian apples Canadian peaches, most of which come from the Niagara district, though Essex and Lambton now furnish a goodly share, should be the most prized of our Canadian fruits.

War time is no harvest for Toronto hotels. It has been stated that an enormous drop in the revenue of the bars has taken place. In some cases the difference has been as great as over 70 per cent. for a single day. The hotel business is no longer the "good thing" it was in times of peace and plenty. Five hotels have recently gotten into financial difficulties since the war started. The last to be reported is the Daly House. Others which preceded it were the Palmer House, which closed entirely; Dunning's, the Woodbine and the Arlington. It is also reported that two other licensed places in the congested district are finding the going exceptionally hard.
