Big Fire at Hanover.

Hanover had a terribly disastrous fire on Thursday evening last, the brilliant reflection of which was seen as far east as Eugenia, a distance of thirty-two miles. The fire started in Knechtel's big furniture factory, which was entirely consumed, together with a large number of business places.

The loss to the working men is great, many of whom built fine homes for themselves, expecting to pay for them with the money earned in the factory. The loss to the business men is very large. The fire coming as it did five days before Christmas has almost ruined the large trade they expected at this season of the year. It is not known whether the firm will rebuild or not. If they do not it will be a bad thing for Hanover. If they do the town will stand by them and do all in their power to aid them by bonuses, loans or gifts. Here are the losses, with insurance, as far as could be obtained:—The Knechtel Furniture Company, loss on building, machinery and stock, $150,000, insurance $80,000, distributsd among the following insurance companies: National, Aetna, Mercantile Fire, Millers' Mfg., British America Assurance Co., Lancashire, Hartford Royal, Gore District Mutual Fire, Waterloo Mutual, Economical, Wellington, Alliance Fire, Queen's Pheonix. Groff & Weppler dry goods and groceries, loss $5,000: insurance, $8,500. B. F. Ahrens, hardware, loss, $4,000; insurance, $3,500. Thos. Poehlman & Co., flour, feed and groceries, loss. $2,000; insurance $800. Chas. Doepel, storehouse, household goods and stock of groceries, flour and feed, loss, $2,700; insurance, $1,500. Greutzner Furniture Co., retailers. loss, $3,500; insurance not known. E H Gruetzner, undertaker, loss, $1,000; insurance not known. H. Greutzner, electrican, loss, $600, insurance not known. H. Maurier, blacksmith shop and waggon shop and show rooms, loss, $2,000; insurance, $1,000 R. G. Vincent, inventor, machine used for manufacturing a patent bed spring. He spent ten or fifteen years in completing it, and it is a total loss; loss $500; no insurance. The following places are damaged:—F. Forster, residence and furniture, loss, $300, insurance, $850; J. Meyers, loss on furniture $200, insurance not known; Mrs. Heller, loss on furniture, $200, insured; Presbyterian church, loss on building and shed, probably $200, insured; Disney & Doulin, chair factory, windows badly damaged, and many other buildings scorched and windows broken.

A Disgrace to Proton

On Friday morning Patrick Ryan, who was committed as a vagrant by Proton authorities, died at the Owen Sound jail. The statutory jury was empanelled by the coroner, Dr. Allen Cameron, and an inquest was held. Dr. Middleboro, the gaol surgeon, gave evidence that deceased was suffering from paralysis, resulting from falling from a fence in Proton township. He said that there could have been no hope for the recovery of the deceased from the first. The jury after some deliberation brought in the following remarkable verdict. "We find the death was caused by paralysis arising from an accident to his back, and that we as a jury, think it proper that we censure the township of Proton for not having cared for and given treatment to the deceased. And in our opinion it should be the duty of each township to care for its aged and infirm residents in accordance with section 208, Statues Criminal Law, as revised." The revised section of the statutes above referred to makes it unlawful to remove a patient, who has been a resident of the county for more than two years, from his bed to the county jail. Patrick Ryan has been a resident of the county twenty-five years. The remains were buried on Saturday and was the first person who died in the jail to be interred in the Roman Catholic cemetery. At the jail the unfortunate man received every kindness and throughout his illness was constantly attended by a couple of the prisoners. He was in a perfectly helpless condition from his neck downward The verdict of the jury is not too expressive, and it is to be hoped that the time is not far distant when these infirm and aged dependants on public charity will have a home provided that will be uncontaminated with an atmosphere rendered disgraceful by the presence of criminals, cell doors and barred windows.—O. S. Times.

From Our Own Correspondent

A happy New Year to you, Mr. Editor, and all your assistants.

The many friends of Mr. George Campbell Parks are pleased to see him home after a long absence in Manitoba.

Miss Sarah Pedlar of Toronto and Mr. Luther Pedlar of New York are welcome visitors at their parental home for the Christmasholidays.

The Presbyterians have erected a very handsome fence around their church and lot. If the young lads who repeatedly throw stones at the windows of this church do not stop they will meet with a surprise some of these days, as they are well known. A word to the wise ought to be sufficient.

Born—On Dec. 11, to Mr. and Mrs Joseph Williams, a son.

Miss Maggie Fleming, who has been visiting friends here for some time, has returned to her home in Philadelphia. The many friends she has made here were sorry to witness her departure.

The late Mr. Purdy's store and residence has again changed hands, Mr. S. Osborne being the purchaser. Mr. Osborne will fix it up and open a general store.

Mrs. F. T. Carr has gone to spend Christmas holidays with her daughter, Mrs. Russnell of Toronto.

The Light of the World, or Our Saviour in Art.

Cost nearly $100,000 to produce. Contains nearly 100 full-page engravings of our Saviour and His Mother by the world's greatest painters. True copies of the greatest Masterpeices in the art galleries of Europe. Every picture is as beautiful as a sunrise over the hilltops. Contains descriptions of the paintings, biography of the painters, the names and location of the galleries in Europe where the original may be seen. Also contains a Child's Department, including a Child's Story of the Christ and His Mother, beautifully written, to fit each picture. This wonderful book, matchless in its purity and beauty, appeals to every mother's heart, and in every Christian home where there are children the book sells itself. Christian men and women are making money rapidly taking orders. A Christian man or woman can in this community soon make $1,000 taking orders for Christmas presents. Mrs. Waite, our agent in Massachusetts, has sold over $3,000 worth of the books in a very short time. Mrs. Sackett, our agent in New York, has sold over $1,500 worth of books in a very short time. The book is printed on a velvet-finished paper, beautifully bound in Cardinal Red and gold, and adorned with golden roses and lilies. It is, without doubt, the most beautiful book of this century. Write for terms quickly and get the management of that territory. You can work on salary or commission, and when you prove your success we will promote you to the position of Manager and Correspondent, at a permanent salary, to devote your time to attending to agents and the correspondence. TIME IS LIFE

The father? Gone for the doctor. The mother? Alone with her suffering child. Will the doctor never come? When there is croup in the house you can't get the doctor quick enough. It's too dangerous to wait. Don't make such a mistake again; it may cost a life. Always keep on hand a dollar bottle of

Ayer's Cherry Pectoral

It cures the croup at once. Then when any one in the family comes down with a hard cold or cough a few doses of the Pectoral will cut short the attack at once. A 25 cent bottle will cure a miserable cold; the 50c. size is better for a cold that has been hanging on.

Keep the dollar size on hand.

"About 25 years ago I came near dying with consumption, but was cured with Ayer's Cherry Pectoral, since which time I have kept Ayer's medicines in the house and recommend them to all my friends."
