Eugenia

From Our Own Corresdonpent.

The amateur blizzard of Saturday came as a surprise after the fine weather we had been having

The maple sugar season was short and sweet this year.

Mr. Will Purvis of Toronto was a welcome visitor at the parental home for a few days recently.

Mr. R. Purvis has erected at his home a neat refrigerator, so his customers are assured of good fresh meat this coming summer.

Our saw mills and factorys are rushing business while the Beaver is at its best.

Mrs. White of Toronto was the guest of her sister, Mrs. Munshaw, of the Eugenia House, the past week.

Master Laurie Munshaw, who has been visiting friends in Toronto for a couple of weeks, has returned home.

Mrs. Gorley, Sr., has been very ill, but is now some bett r.

Mr. Madill has been under the weather for some time past.

We are pleased to welcome Mr. and Mrs. Bley of Trenton as residents to our village.

(From a special correspondent.)

April has beams amid her (snow) shows, but bare are her gardens and cold her bowers.

The unexpected has happened. The late esteemed principal of our public school, Mr. Sine, has severed his connection with the school here to take the principalship of the school at Hawkesbury, Ont., at a very much advanced salary. May success attend him. Before leaving here the scholars presented him with a memento in the shape of a beautiful shaving set. The Methodist choir also, of whom he was a very able and earnest worker, presented him with a handsome album.

And so changes are rife in our community and business life. Men come and go. At the hoop and veneer mill the logs are disappearing and the manufactured stock finding its way to the markets of the wide world.

Even the post office paraphernalia took a flit and a change in the storm of Saturday last, from Mr. Park's store to that of Mr. Sheppard, back to its old abode in the Purdy stand. After tribulations great, comes rest.

The Rev. Mr. White, after a two weeks' rest and a visit to home, dear home, has fully recovered his wonted health, and filled his own pulpit on Sunday last. Glad to see his genial face again out around.

Tender Corns,

Soft corns, corns of all kinds removed without pain or sore spots by Putnam,s Painless Corn Extractor. Thousands testify that it is certain, painless and prompt. Beware of substitues offered for the genuine "Putnam's" Extractor. Sure, safe, harmless. At all druggists or sent by mail upon receipt of twenty-five cents. N. C. Polson & Co., Kingston, Ont.

It is said another newspaper is about to be started in Collingwood, to be called the Collingwood News.

Lunan—Swankey.—At the residence of the bride's parents, Kirkville, on Wednesday, April 3rd, 1901, by the Rev. A. Taddison, Mr. Will Lunan to Miss Levina Swankey, both of Kirkville.

Duncan Marshall, publisher of The Thornbury Standard, has accepted a situation as assistant Provincial Organizer for the Liberals. Mr. Marshall will have the counties from York to Grey, inclusive, to look after. We understand that Mr. Marshall will reside in Toronto. Meaford Mirror.

The good pastor of a church not a hundred miles from Guelph recently caused a succession of smiles to ripple over the faces of his congregation by quietly remarking, at the close of an operatic performance by the salaried soloist. "We will now resume the worship of God."

There isn't any money in farming—so we are told occasionally—but still some of 'em manage to handle a dollar or so occasionally. For instance, one of Shelburne's cattle buyers, Mr. John Large, paid one farmer over $450 for a lot of cattle delivered here last week. Another farmer was contracted with by the same buyer for hogs and cattle to the extent of between $700 and $800—hogs to be delivered this week, and cattle about the first of May.—Shelburne Economist.

All shrewd newspaper readers, especially the ladies, readily acknowledge that the real news that affects the pocket book is found in the advertisements of the local merchants. The merchant who advertises is a reporter. He reports to the newspapers what he has to offer. It is real news. It affects the pocketbook of every family. If some merchant is making a great run on shoes, that is news that every person who needs shoes should know. If another is offering special bargains in spring clothes, underwear, corsets, hats, furniture, dry goods, carpets, groceries, stoves, or anything a family needs, why it is news that means money to every family, and the people ought to know it. That's why the live merchants advertise in the newspapers.

Crossley and Hunter, evangelists, are holding special services in Mount Forest

The Methodists of Thornbury are erecting a new parsonage.

At the Great Northern Exhibition last September a jockey named John Tyne, who lives near Barrie, was injured from colliding with a team driven by Robert Adams, a Nottawasaga farmer. Adams drove across the track while the flat race, in which Tyne was riding, was in progress. The horse was so badly injured that it had to be killed, and Tyne was so seriously hurt as to be confined to the hospital for several weeks. A suit for $1000 damages was entered against Adams and came up for trial at the Assizes at Barrie last week, and the jury brought in a verdict of $200 and costs against Adams. The trial Judge charged strongly in favor of the defendant, and stated that Adams had as much right on the track as Tyne, but the jury thought otherwise. H. A. Strathy, Barrie, for plaintiff; W. T. Allan, Collingwood, for defendant.—Collingwood Messenger.

A lot of farmers around Woodstock are in distress. Four or five years ago a man came around, who said he was the agent for the Canadian Farm Advertiser of Guelph. He got the farmers to let him advertise their farms for sale. If sold his concern was to get three per cent. of the prices. A lot of farmers signed contracts. Some farms were sold; most were not. Now another agent is around displaying to the astonished yeoman a paper with their signatures attached, in which they agree if they were not sold in three years to pay to the advertiser one per cent. of the price put on them. One farmer has a claim of $210 against him. others are lower. They all say they never made an agreement to pay one per cent. and claim that it is a swindle.

Father, dear father, come home with me now, for ma has some carpets to beat; she's got all the furniture out in the yard, from the front clean out to the street. The stove must come down and be put in the shed, and the yard must be cleared of some grass, for it's time to clean house, and the devil's to pay—and the front windows need some new glass. Father, dear father, come home with me now, and bring some bologna and cheese, it's most 12 o'clock and there's nothing to eat—I'm so hungry I'm weak in the knees. All the dinner we'll have will be cold scraps and such, and we'll have to eat standing up, too, for the table and all are out in in the back, oh, I wish house cleaning was through. Father, dear father, come home with me now, for Ma is as mad as as a Turk; she says that you're only a lazy old thing, and that she shall put you to work. There's painting to do and paper to hang, and the windows and casing to scrub, for it's housecleaning time and you've got to come home and revel in suds, and cold grub.

The Druggists are Busy.

Druggists report a great demand for the new 25 cent size of Catarrhozone, and to-day sales almost cleared out their stock. They explain this rapid run on Catarrhozone by the fact that it gives better satisfaction than any other remedy on the market. Druggists say that Catarrhozone is the only remedy that really does cure Catarrh, Bronchitis, and Asthma. It relieves quickly, is pleasant and convenient to use, and guaranteed to cure, or your money back Readers suffering from Irritable Throat, Bronchitis, Catarrh, &c., are strongly advised to try Catarrhozone; it never fails to cure even the worst cases.

BLUES

Ever have them? Then we can't tell you anything about them. You know how dark everything looks and how you are about ready to give up. Somehow, you can't throw off the terrible depression.
Are things really so blue? Isn't it your nerves, after all? That's where the trouble is. Your nerves are being poisoned from the impurities in your blood.
Ayer's Sarsaparilla
purifies the blood and gives power and stability to the nerves. It makes health and strength, activity and cheerfulness.
This is what "Ayer's" will do for you. It's the oldest Sarsaparilla in the land, the kind that was old before other Sarsaparillas were known.
This also accounts for the saying, "One bottle of Ayer's is worth three bottles of the ordinary kind."
$1.00 a bottle. All druggists.
