R. A. (Bert) Wainman was president of the Lindsay Kiwanis Club in 1949 when he inaugurated the idea of presenting the "rose of the month" to the Kiwanian having rendered the best service during each month of the year. On Tuesday, October 20th, the past president renewed acquaintances at the Club luncheon to celebrate his birthday. Once again he introduced the "rose of the month" and made the presentation to Lawson and Don Blakely for their very fine effort in leading all members of the Club in the sale of tickets for the Kiwanis show "Good News".

While Bert Wainman was president of the Club he had the distinction of having the largest inter-club record of any club in Kiwanis International. The Lindsay Club in that year travelled by chartered bus and dined with clubs at Albany, and New York City, N.Y. and Orange N.J.
