Grey County's Biggest Store

BARGAINS IN CLOTHING

It isn't the easiest thing in the world to make clothing perfect. The inclination is to cheapen cost wherever possible, especially where things are made in quantities. We do better than the average because we want to. The kind of clothing we handle is the Superb Merchant-Tailor Sort.

FINE as Wit and Skill can Make Them

Occasionally a manufacturer wants some ready money and comes to us with a line of clothing to clear at a big reduction. Knowing we can handle large quantities and have the spot cash to pay for them we usually get the first chance. Two Weeks Ago we put on sale 35 men's suits at $3.90 or 4.50 each. They all sold in about three days. We immediately wired for 50 more, also for samples of lines they could offer at Half Price. The consequence is we purchased largely and will put on sale Thursday morning

The Village Gossip.

Out on her neighbor's shady porch
The villiage gossip sits,
Talking about her sister-in-law
And giving her cousin fits.
And there's not a woman in town who fails
To catch it ere she quits.

Once she was young and rosy-cheeked
And trim and sweet and shy,
And people didn't shun her then,
Or ever wonder why
She always saw the wicked, while
The good escaped her eye.

But that was long ago, before
The wrinkles lined her brow;
Men flocked around her then, but she
Has no admirers now,
And, having feeling, she must find
A vent for them somehow.

She's heard a truly awful thing
Concerning Mildred's beau,
And when she's through with George's wife,
The latter's pretty low.

The children coming home from school
She hurries out to meet,
And questions them, and, being full,
Goes rushing down the street
With many a morsel on her tongue,
Which she considers sweet.

She goes on Sunday to the church
To spy on others there,
And seldom fails to get upon
The track of some affair
That she can magnify somewhat
And then proceed to air.

Yet women sit and listen to
The things that she says and know
Just what she is, but, whispering, pass
Her slanders to and fro,
And ever as they go the rounds,
They grow and grow and grow.

To Reduce Your Boot Measure One Size.

Isn't half as hard neither is it as painful as before the introduction of Putnam's Painless Corn and Wart Extractor. In twenty four hours the corn is removed. Preety and small feet are well assured on everybody, but it can't be done unless you use Putnam's—others are not nearly so good. Putnam's is the best. At druggists.

Markdale, June 20.—A most auspicious event was consummated at Christ church, Markdale, on Wednesday, the 19th inst., when Miss Minnie Alberta, eldest daughter of Mr and Mrs. Wm. Lucas, was united in marriage to Mr. Ernest Hovey of Clinton. The ceremony was performed by the bride's uncle, Rev J. F. Parke of Amherstburg, assisted by Rev. J. R. Newell, in the presence of a number of relatives and near friends. The bride was very becomingly attired in a navy blue travelling suit, with blouse of white duchess satin and carried a shower bouquet of white roses. Her two little maids of honor, Miss Dell Ego and Ilene Trelford, in their pretty gowns of white organdie and with their baskets of white pansies, were very sweet and lent an added charm to the affair. Mr. J. D. Dundas presided at the organ. After the ceremony a reception was held at the home of the bride's parents on George St. Mr. and Mrs. Hovey took their departure on the afternoon train for an extended wedding trip in the eastern provinces. A Chapter of Fatalities.

THROWN FROM A WAGON.

Joseph Soul of Duncan, Euphrasia township, was instantly killed on Saturday by being thrown from a wagon while driving down the rock near his home. An iron on the end of the wagon tongue broke, and the horses ran away. Mr. Soul was thrown from the wagon, alighting on his head and breaking his neck. A daughter was in the vehicle with him at the time but escaped without injury. Deceased was about 65 years of age. Mrs. Ben Carruthers of Kimberley is a daughter of deceased.

HANGED HIMSEF.

Mitchell, June 23.—William Teur, a highly-esteemed retired farmer, living with his daughter, Mrs. John Etty, in the North Ward, arose about 5.30 o'clock and went to the stable. Not having reappeared for some time, search was made for him, with the result that he was found suspended by the neck from a rope attached to a beam. It was a plain case of suicide. Mr. Tuer, strictly temperate, lived happily with his daughter, and was in easy circumstance, having been the owner of a 200-acre farm in Fullerton.

ACCIDENTALY POISONED.

Meaford, June 23.—Miss Minnie Johnston, an estimable young woman, daughter of J. J. Johnston, ex Mayor of this town, died yesterday from the effects of a dose of poison, taken in mistake for a headache powder. The dose was taken ten days ago, and, although an emetic was administered, the poison had done its work, and Miss Johnston is dead. The event has cast a gloom over the whole town.

FATALITY AT A BARN RAISING.

Shelburne, Ont., June 23.—A very serious accident happened Friday afternoon about four miles from here, at a barn raising on the farm of Mr Samuel Shields Joseph Johnston was killed and four others are badly injured. The five men were standing on a scaffold, when some sudden jar of the rising timbers broke the scaffolding, and the men went to the ground below, some heavy timbers falling with them.
