The Singhampton branch of the Women's Institute held their usual monthly meeting on August 10th at the home of Mrs. Geo. Riddell. Both the president and vice-president were present. After opening the meeting a busy afternoon was spent in quilting. About thirty were present. The Institute propose sending a bale to the Northern Ontario Relief Committee and are asking for donations from all who care to help in the good cause. This society contributed $20 to the field kitchen presented to the 177th Battalion and are also engaged in other work. The ladies were to have had a paper by Miss N. Taylor, but as quilting was late they will have the pleasure of hearing her at the meeting in September at Mrs. Wm. Tompkins'. Among thase present at Mrs. Riddill's were Mrs. A. Hanley of Swift Current, and daughter, and Mrs J. Dowling of Creemore. It is quite a number of years since Mrs. Hanley went West. Her friends were glad to have her with them again.—Bulletin.

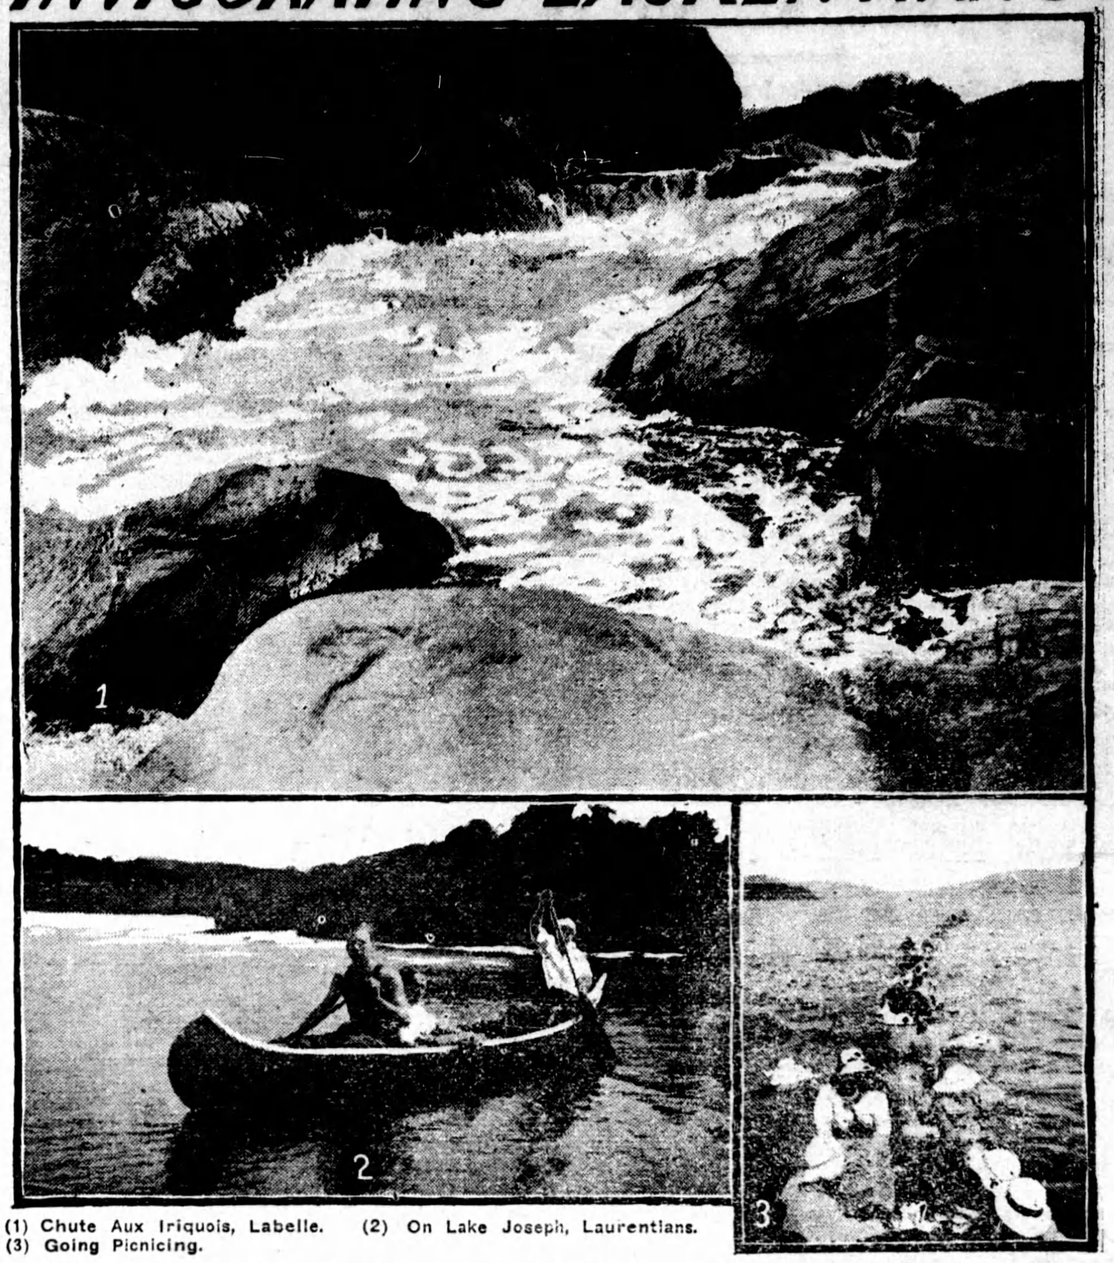
INVIGORATING LAURENTIANS



(1) Chute Aux Iriquois, Labelle. (2) On Lake Joseph, Laurentians. (3) Going Picnicing.

ONE does not need to be wealthy to enjoy the luxury of a very pleasant holiday amongst some of the most beautiful scenes in the world, for amongst the Laurentian Mountains you can be accommodated at a nice boarding house or hotel at extremely reasonable rates. The Canadian Pacific Railway serves the real pleasure haunts of the Laurentians. Shawbridge, Piedmont, Ste. Adele, Ste. Margaret, Val Morin, Ste. Agathe, St. Jovite, Mont. Tremblant, Labelle, Annonciation, Nominingue, Barrette, and Mount Laurier, are all on the line that crosses this enchanting district for a distance of 158 miles. The atmosphere amidst these resorts is bracing and healthy, and to look on the wonderful profusion of lake, river, woodland, and mountain scenery is in itself, a vigor restorer. In any of the holiday places you can enjoy a comfortable rest, or you may ramble out amongst the romantic valleys and mountain slopes, feeling so happy that you forget what time it is, and perhaps return late for lunch or dinner. The waters of the rivers and lakes are clear and refreshing, and as they have sanded bottoms they are suited to the temperaments of the most critical of swimmers and bathers. Fishing, canoeing, motor boating, tennis, golf, mountain climbing are amongst the chief sports. But if you do not wish to indulge in any of these you may sit on the shaded verandah of your hotel and enjoy yourself chatting with good steady minded Canadian folks, many of whom will be of your own frame of mind.

Bread Making Contests

At Rural School Fairs

PRIZES—Free Courses at Macdonald Institute, Guelph
Free Poultry Raising Courses at Ontario Agricultural College
Free Cook Books and Magazines

Over 1,500 prizes in all will be offered in bread-making contests which will be held this fall at over 250 rural school fairs taking place in Ontario. It will be a great event at the fairs and will stimulate interest in bread-making among young girls between the ages of 12 and 17 years.

Here is a wonderful opportunity for your daughter to win for herself a Free Course in Domestic Science at the famous Macdonald Institute, Guelph. All she has to do is to bake one double loaf of bread and enter it in the contest at the fair according to the conditions explained below and more fully told in the folder we will send you on request. The loaf **must** be baked with

Cream of the West Flour

the hard wheat flour guaranteed for bread.

This is a splendid flour which makes the biggest, bulging loaves—whitest, lightest and most wholesome bread you ever baked. Is this not a splendid opportunity to interest your daughters in breadmaking?

Here are the Splendid Prizes offered for the best loaf of bread baked with Cream of the West Flour. The following are offered at each local Fair:

1st Prize.—1 paid-up subscription to "My Magazine" for 1 year. This magazine is full from cover to cover every month with articles suitable for young people of all ages. It is published in England. Value $2.50 per year.

2nd Prize.—6 months paid-up subscription to "My Magazine" Value $1.25.

Extra Prizes.—When entries exceed ten a 3rd prize will be awarded of 6 mos. paid-up subscription to "My Magazine." When the number of entries exceeds twenty the judges at the fair will award 4th, 5th, and 6th prizes of one year's paid-up subscriptions to "The Little Paper." This is a wonderful little publication issued every month in England. Its eight pages are packed with highly engaging information and stories relating to history, nature-study, animals, bird-life, etc.

Important — The winners of 1st prizes at the fairs automatically become competitors for the Provincial Prizes. The second half of the double loaf is sent to Ontario Agricultural College, Guelph, by the district representative in special container provided. The judging is done by Miss M. A. Purdy of the Department of Breadmaking and Flour Testing at the College.

Provincial Prizes—The winners of first prize at each local fair compete for following Provincial prizes. The first and second prizes, or third and fourth prizes, will not be awarded in any one county:

1st Prize.—Short Course (3 months) in Domestic Science at Macdonald Institute, Guelph. The Macdonald Institute does not accept students under the age of 17 years; if the winner be less than 17 we present her with a certificate entitling her to take the course when she reaches the right age. Value of course $75.00, which pays for fees, room, board and washing. The winner lives at Macdonald Hall while taking course.

2nd Prize.—Short Course (3 months) in Domestic Science at Macdonald Institute, Guelph.

3rd Prize.—Short Course (4 weeks) in Poultry Raising at Ontario Agricultural College, Guelph. Girls taking this course do not live at the College, but good boarding houses will be secured for them in Guelph. Value of course $35.00, which pays board of student in Guelph. (No fees are charged for course.)

4th Prize.—Short Course (4 weeks) in Poultry Raising at the Ontario Agricultural College.

Each loaf must be accompanied by the part of the flour bag containing the face of the Old Miller (important) and an entry form must be signed by the girl and parents or guardian stating date of birth, P.O. address, and giving name of dealer from whom Cream of the West Flour was purchased. The form will state that the girl actually baked the loaf entered in the competition. The forms will be provided at the time of the fair. The decision of the judges is final. Not more than one entry may be made by each girl and not more than one prize will be awarded to the same family.

The Results of the contests at the fair will be made known in the usual way as in the case of all the other regular contests. The Provincial results will be announced as soon as possible after the conclusion of the Rural School Fairs in the Province.

Do Not Miss this Great Opportunity: Every girl between 12 and 17 years should compete. What a splendid way to stir up increased interest in breadmaking! Get a supply of Cream of the West Flour at your dealers and practise using it as often as possible to increase the chances of winning. If your dealer cannot sell it to you, write to the Campbell Flour Mills Co., Ltd., Toronto, and they will promptly tell you the nearest place to get it.

No Competitions in Counties Named Below: The competition is open to all parts of the province where Rural School Fairs are held, except the districts of Rainy River, Kenora, Manitoulin and Thunder Bay. These districts are the only parts of the province where school fairs are held by the Department of Agriculture in which this competition will not be a feature. There are no district-representatives of the Department of Agriculture in the Counties of Huron, Perth, Wellington, Haliburton, Prescott, Russell or Lincoln, and no rural school fairs are held in these Counties by the Department of Agriculture. We regret, therefore, that the competition cannot include these Counties.
