GENERAL MACHINIST

Varian Associates of Canada Limited, a high technology electronics company requires a General Machinist.

Applicants must have a minimum of three years machine shop experience. In addition to operating the ususal machine shop equipment, the successful candidate will be trained on operating an E.D.M. machine. Preference will be given to applicants who have experience in operating any type of E.D.M. machine. After the initial training period, the candidate will be required to work a 4 p.m. to 12.30 a.m. shift, in which case a shift premium will be paid.

Varian provides competitive salaries, a mainly company paid benefits program and excellent working conditions.

For interview, contact the Personnel Department.
