AUDITOR'S REPORT TO THE SHAREHOLDERS.

I have compared the above Balance Sheet with the books and accounts at the chief office of The Standard Bank of Canada, and with the certified returns received from its branches, and after checking the cash and verifying the securities at the chief office and certain of the principal branches on January 31st, 1917, I certify that in my opinion such Balance Sheet exhibits a true and correct view of the state of the Bank's affairs according to the best of my information, the explanations given to me, and as shown by the books of the Bank.

In addition to the examination mentioned, the cash and securities at the chief office and certain of the principal branches were checked and verified by me at another time during the year, and found to be in accord with the books of the Bank.

All information and explanations required have been given to me, and all transactions of the Bank which have come under my notice have, in my opinion, been within the powers of the Bank.
