Priceville

From Our Own Correspondent

The following Pricevillers took in the excursion to Owen Sound last week Mrs. Cameron, Mrs. John McArthur and the Misses Sara McLean, G. McLeod and Nathalie Grier. We incidentally learned that one of the young ladies got nearly "froze" in our county town but really it is no wonder for we always expect to find "frost" up north even in summer. We hope he will visit this burg before the the return of hot weather.

Mrs. Lawrence and children of Dornoch were callers at Mr. W. J. Blakeston's this week, while on her way to friends in Swinton Park. Mrs. W. J. Blakeston accompanied them to Proton.

Mrs. J. McMaster returned to her home in Sarnia last week. On her way she intends taking in the Pan-American.

Misses Fanny James and Maggie Derby left for Buffalo last Thursday. We wish the young ladies a pleasant trip.

Quarterly meeting services on the Priceville circuit were held at the Ebenezer appointment last Sunday.

Miss Edith James left last Thursday for a visit to her cousin. Mrs Switzes of of Norwood.

Mr. P. Bolger is getting a new roof put on the Crown Hotel. Messrs. D. Campbell and John McDonald have the contract.

Miss Beatrice Robertson of Palmerston is visiting at Mr. Sydney Blakeston's.

Miss Jennie James left for Caistorville last Wednesday to visit the Rev. Mr. Ottewells.

Nothing Hunts Out Corns

Like tight boots. Nothing removes corns with such certainty as Putnam's Painless Corn Extractor. Beware of poisonous substitutes. Ask for and get Putnam's Painless Corn Extractor at druggists. For if you get it—you've got a dead sure thing. All druggists sell it, or by mail post paid on receipt of 25 cents. N. C. Polson & Co., Kingston Ont

At the advanced age of 80 years and 4 months Mr. Joseph Hawken, of the 11th line, Euphrasia, passed away on Thursday, the 25th July. The old gentleman had been in a critical state of health for several months but otherwise was able to be about as usual up to the moment of his demise. He passed peacefuly away while sitting in his chair. His wife died two years ago last October. Mr. Hawken had been a resident of Euphrasia for thirty five-years, was a consistent member and much respected official of the Methodist church for over half a century and will be much missed in this circle, his genial disposition and good judgement being prominent characteristics. The funeral took place on Sunday afternoon to Harkaway cemetery and was largely attended. An appropriate service was held in the church, Rev. Wm Buchanan officiating, after which the remains were laid away in the family plot beside those of his late partner in life. "Blessed are they which die in the Lord."—Markdale Standard.

The Pain of Sore Feet

Just about the most tantalizing of all pains comes from sore feet. To get relief bathe the feet in warm water and then rub them with Polson's Nerviline. It penetrates through the pores of the skin, takes out the soreness, reduces, swelling, invigorates the tired muscles tones up circulation, and prevents the feet from becoming sore again. Nerviline is a protection and safe-guard against the pains and aches of the entire family and cures rheumatism, neuralgia, toothache, &c. 25 cents.

John Brown, Ex-Councillor of Bentick, had quite an experience last week. It seems he was driving a load of wheat to the barn with lighted pipe in his mouth the load caught fire and burned to ashes, including a brand new wagon. The horses were detached in time to save them, but the fire ran along the ground, destroyed considerable grain and would have destroyed more had it not been ultimately extinguished by plowing up the ground and cutting off the stubble connection. Mr. Brown had his hands and face badly scorched in trying to extinguish the fire.—Chronicle.

Mr. Joseph Blackburn, of Flesherton, who, by the way, is our able correspondent there, had been an invalid for about twelve years. We notice by last week's Advance that a special telephone is to be put in connecting his residence with the Methodist church, in order that he may enjoy the benefit of Sunday services at his own home. The idea seems to have originated in the fertile brain of Mr. R. N. Henderson. While Mr. Blackburn is a devoted Presbyterian we know him well enough to believe he can feast on a Gospel message from whatever source it comes. We are glad to know that the good people of the place are bringing the church to him since he can't go to church. Mr. Henderson too, deserves credit for putting the idea into effect.—Chronicle.

Hay Fever Germs are Now Floating About.

They are in the air everywhere, too minute to see, but just waiting for a chance to get into your lungs. Then they will play havoc with your breathing apparatus, and you'll wonder what to do. The doctor will say you had better inhale Catarrhozone for it kills Hay Fever germs and moreover is dead certain to reach them. Catarrhozone cures every time, and absolutely prevents the disease from returning. You inhale Catarrhozone with the air breathed; it goes directly to the scource of the trouble and cures it by removing the cause. At druggists or sent with guarantee of cure, to any address for $1.00 forwarded to Polson & Co., Kingston, Ont.
