G. A. WALTON, Agent,
37,] **Sparks Street, Ottawa.** [37.

ARE NOTED FOR DOING THE BEST WORK USING *a much smaller needle* for the same thread than any other shuttle machine in the *world*, and the complaints made by Boot, Shoe and Harness Makers of the work ripping are overcome by the use of the HOWE MACHINE. The work on leather being the most beautiful and equal in strength and durability to the best hand work with the same thread. The tensions are the best and most perfect at slow and rapid rates of speed of any other, and the needle is the shortest and strongest made. These with other valuable and recent improvements make them the best shuttle machines the world has ever seen. Boot, Shoe, Harness and Carriage Makers who desire to have their work done in a manner that will give entire satisfaction to customers will find the HOWE MACHINE indispensable in their business. I am also agent for the world renowned WHEELER & WILSON'S MACHINES that have met with such signal success since my opening up the agency here.

LIFE, GROWTH AND BEAUTY

Mrs. S. A. Allen's World's Hair Restorer and Dressing invigorate, strengthen and lengthen the hair. They act directly upon the roots of the hair, supplying required nourishment, and natural color and beauty returns. Grey hair disappears, bald spots are covered, hair stops falling, and luxuriant growth is the result. Ladies and Children will appreciate the delightful fragrance and rich, glossy appearance imparted to the hair, and no fear of soiling the skin, scalp, or most elegant head-dress.

Sold by all Druggists.
