## Drugging Will Not Cure Catarrh
This loathsome disease is caused by germs that invade the air passages of the head, throat and lungs, and can be cured only by inhalation of medicated air. Stomach medicines, atomizers, snuffs are ineffectual, because they fail to reach the cause of the trouble. Catarrhozone is successful because it is inhaled to every part of the breathing organs, and has power to kill the germ, heals the inflamed tissues and prevents droppings in the throat. Catarrhozone treats more than one thousand square feet of the mucous surface with every breath taken through the inhaler, and affords instant relief. It perfectly cures Catarrh, Asthma and Bronchitis. Sold by Druggists. Two months' treatment, Price $1.00. Small size 25c., or by mail from Polson & Co., Kingston, Ont.

*From Our Own Correspondent*

On Tuesday morning, the 24th, inst., Mrs. Robt. Clemis passed away after a long and painful sickness, heroicly borne. A short and appropriate sermon was preached at the house by Rev. Mr. Scott from Psalm 73: 26, "My flesh and my heart faileth: but God is the strength of my heart, and my portion forever." The deceased expressed the desire to have this as the text of her funeral sermon. A loving wife, an affectionate mother and a kind neighbor has passed to that realm where her works do follow her. A sorrowing husband, five sons and one daughter survive. They have the sympathies of the community in their great and irreparable loss.

## Lady Bank
*From Our Own Correspondent*

Married—On New Years day, Charles Findlay, of Lady Bank, to Lillian Mary, daughter of A Raynor, Esq., of Toronto. The newly married couple arrived at their future home in Lady Bank late on the same evening. Quite a few neighbors and friends received them in a most cordial fashion. After a sumptuous repast had been served and received ample justice, a large array of presents were unpacked, which showed the esteem in which the bride is held by her numerous friends. Songs and stories kept up the interest until the small hours. We wish the young couple bon voyage over the matrimonial sea.

## Stones Settlement.
*From Our Own Correspondent.*

The holidays are now over, visitors are returning to their schools, pupils to their studies, clerks to their desks, editors to their sanctum and idlers to their usual avocation of doing nothing in particular, and many of them grumbling because they have no one to help them.

Ere this item appears in print the municipal election will also be over, and the gratifying expressions heard from all quarters regarding the efficient work done by the municipal council in the past year, indicate that the right men were in the right place.

Mr. Banks and staff are busy taking out the timber for Mr. Lyness' new barn. If Mr. Lyness carries out his contemplated plans he will have a barn which for capacity and modern conventences will be second to none in the township, or very probably in the county, and we thind J. J. will carry out his plans.

Miss Laura Whittaker returns to the Owen Sound business college this week to resume his studies.

A young man, who is of a waggish disposition, and who resides within forty miles of Durham, was recently requested by a Chicago firm to furnish them with the names of a few strictly honest, reliable hustlers who would be likely to act as lively agents for said firm. The young humorist complied by forwarding the names of some of the oldest men, invalids and cripples, he could think of. In due time these "hustlers" received from said firm circulars showing forth in glowing terms the advantages to be gained and the money to be made by being their agents, and telling them they were preferable to anybody else as agents. We understand that at least one of the recipients of said circulars wrote to the firm declining their very generous and soul-stirring offer in a very humorous but appropriate manner. We have not heard what the firm said.

## Explosion at Owen Sound
The acetyline gas generator in the C. P. R. roundhouse at Owen Sound exploded about 7 o'clock Friday night. The cause is unknown. The driver of engine No. 599 had just come in, and Alex. Bennet, a wiper in the roundhouse, tried to turn off the gas, but it was unsuccessful. Thos. Gordon, the turner, went to assist him. Bennet had just left the building when the explosion occurred, which almost wrecked the roundhouse. When Gordon was taken from the wreck he was burned almost beyond recognition. He was attended by Drs. Cameron, Lang, Dow, Howey and Creasor, who were hastily summoned, but could not save the injured man, who died the same night. The concussion was felt in all parts of the town, and wrecked most of the windows in the Pacific hotel.

At the sittings of the County Court before His Honor Judge Creasor, the case of Julian v. Township of Euphrasia, was heard, judgment being reserved. The action was brought to recover damages for the loss of a horse by drowning on a roadway in the township. The circumstances were that the roadway was narrow and that there was a ditch three and a half feet deep alongside. The horse while being driven along the highway, bolted across the road into the ditch and was drowned. On Monday Judge Creasor handed out judgment dismissing the action with costs, holding that the cause was not a defect in the roadway but the running away or bolting of the horses. T. H. Dyre for plaintiff; Lucas, Wright & McArdle for defendant.—Times.

Grey County's Biggest Store
January
## White Goods Sale.
To-day, Thursday morning, we start our annual January White Goods Sale. This season we have put in stock an unusually large assortment of Ladies' White Wear and have laid our plans for the biggest movement of White Goods ever done by this store. There's no reasonable reason why we can't sell white goods as cheap as any store in the Dominion. Buying in large quantities, direct from the Manufacturers, for spot cash, puts us on the ground-floor for prices. You could not in the ordinary way, we honestly believe, buy the materials and make up white garments at home at the cost to you of the finished articles at this store during January; and we think you could not make them better. You are cordially invited to come and inspect whether you wish to buy or not. These prices are suggestive of others equally as good:
