WATERS'S QUININE WINE

Is of all the preparations of Quinine the most perfect, of all tonics the most efficient, of all stomachics the most grateful, of all stimulants the most innocent; its taste is pleasant, its action gentle, its effect certain, it creates appetite, assists digestion, and gives tone and strength to every tissue and fibre, and invigorates the whole human economy. It may be taken with benefit at all times, and all seasons, by the young or old, the weak or strong. Like all successful preparations it has many servile imitators, but not one rival.
