Prizes At Winter Fair For Grey Co. Live Stock

For the year 1916 the County of Grey was the only county in western Ontario that offered special county prizes at the Winter Fair in Guelph. This is an honor in itself, and shows that when the war is over the boys from this county who have gone to the front will not find those of us who are left behind not trying to provide for their return. We are trying to make this county of Grey better than it was before the war, and in this way will be able to keep the boys in the county when they come back from the war.

This year again the Board of Agriculture can, through the generosity of the County Council, offer prizes at the Winter Fair. There will not be so many prizes offered in live stock as there were last year, but we are offering a few prizes in grains and roots which will give the grain grower an even chance with the live stock man.

The Board of Agriculture will have cards printed advertising this county. These cards will be provided to everyone exhibiting from this county, to be fastened on the exhibits while at the fair, so that everyone visiting the Winter Fair will be able to see at a glance what class of goods we grow in this county. For this reason it will be better if all who show anything at the Winter Fair, whether for the county prize or not, will send to the secretary of the Board of Agriculture, Thos. H. Binnie, R R 2, Priceville, and get one card for every exhibit made. Do this at the time you make your entries for the fair and you will be sure and get the cards. The following are the prizes offered for 1917 :

1—For the best gelding or mare, any draught breed, 1st $25, 2nd $15.

2—For the best steer or heifer, any beef breed, 2 years old or under, 1st $25, 2nd $15.

3—For the best sheep, long wool breed, 1st $25. 2nd $15.

4—For the best sheep, short wool breed, 1st $25, 2nd $15.

The above live stock must have been raised in Grey county and shown by an amateur exhibitor resident of Grey Co.

5—For the best bushel of potatoes, 1st $1.50, 2nd $1.

6—For the best bushel of mangolds, 1st $1.50, 2nd $1.

7—For the best bushel oats, 1st $1.50, 2nd $1.

8—For the best bushel of barley, 1st $1.50, 2nd $1.

9—For the best ten ears of seed corn on the cob, 1st $1·50, 2nd $1.

The grain and roots must have been raised in Grey county, and shown by an amateur exhibitor resident of Grey Co. In all the foregoing exhibits those wishing to enter the same animal or the same bushel of grain or roots or the same ten ears of corn in classes for open competition may do so and it will not bar them from entering for the county prizes.

Major Bishop Coming Home

Acting-Major William Avory Bishop, the young Owen Sound aviator, who was recently awarded the Victoria Cross, is leaving England for Canada, according to a cable received from him by a friend. Major Bishop cabled that he had been awarded the bar to the D. S. O. He is also said to have received the appointment of chief Instructor of Aerial Gunnery and Squadron Commander in England. In writing to a friend a short time ago he said he had been recommended to take charge of an airdrome in England, but did not give particulars. He was made Acting-Major when he was appointed instructor in gunnery. The bar to the D.S.O. makes the fourth decoration he has won. He already held the Victoria Cross, Distinguished Service Order and Military Cross. The latest decoration he received was for bringing down nine enemy machines in two hours, making a total of more than 40 Boche planes that he has bagged. Two weeks ago he broke the British record for machines brought down and came near breaking the world's record. He was forced to take leave of absence when he fell 4000 feet with his machine aflame and crashed to the ground behind his own lines.

Last Friday a large number of people saw their first aeroplane. No fewer than six of them came into view about the same time going west. The noise of their engines was quite distinct, though some of them were high enough to be described by those who saw them "like a big hawk or crane." On Monday last a truck conveying a crippled machine passed through Durham way again, going to Camp Borden, and it has been learned that the six aviators were American flyers in training at Camp Borden, who had lost their way. Near Wingham they decided to land, choosing a big field for the purpose. Four of them came down all right, one flew foul of a tree and the engine of the other went dead when near the ground and came down too suddenly. None of the adventurous youths were hurt, but they ran long chonces—Review

FROM PRIVATE TO ACTING - MAJOR

ACTING-MAJOR W. P. WATSON, M.C.

IN the supplement to the "London Gazette," dated August 16th, containing a list of awards to officers and men for gallantry and devotion to duty in the field, the following appears:

"Sec. Lt. (A. Capt.) Douglas Barker Watson, Middlex R.—When Acting Adjutant he performed most valuable services to his headquarters, crossing a ridge three times in daylight through heavy machine-gun and rifle fire to obtain exact information as to the situation and dispositions of his battalion. He successfully accomplished his task under very difficult circumstances."

The gallant officer, who is only 21 years of age, was born on the 20th March, 1896, and educated at King Alfred's School, Wantage. He joined the services of the Freight Dept. of the Canadian Pacific Ry., Charing Cross, in December, 1913, and when war broke out he enlisted as a private in the 10th Batt Middlesex Regiment. He was gazetted Sec.-Lt. on the 18th Sept. of the same year, was mentioned in despatches amongst others by Gen. A. J. Murray, C. in C., Egyptian Expeditionary Force on the 18th March, promoted to be Acting Captain whilst commanding a company, on April 10th, and in the "Gazette" on May 25th it was stated: "Capt. D. B. Watson, M.C., to be Acting Major, whilst Major on Headquarters of the Battalion."

War Record of C. P. R. Men.

In spite of the fact that day and night the trains and steamers of that great Imperial organization, the Canadian Pacific Railway, have been occupied in the transportation of soldiers and war materials, and that the huge workshops of the company have been turning out vast supplies of munitions of war instead of engines and rolling stock, no fewer than 8,000 men in the service of the company have gone to the front. In every theatre of war they are to be found—in France, Italy, Russia, the Balkans, Mesopotamia, Africa. Of these 8,000 men (apart from 100 who are serving in the Navy) 1,300 have been killed or wounded, among the killed being Capt. the Hon. A. T. Shaughnessy, son of Lord Shaughnessy, president of the C. P. R.

The C. P. R. and Dominion Express staffs in Great Britain before the war numbered 213, of whom 179 were of military age, and of those 179 no fewer than 158 have joined the colors. Among those who have paid the supreme sacrifice have been Lt. A. E. Voysey, Chief Assistant to the European Manager, and Lt. W. B. McArthur, M.C.

The honors won by officials and employees of the company make a long list. Lt.-Col. C. W. P. Ramsay has been made C.M.G. The D.S.O. has been awarded to Lt.-Col. G. S. Cantlie, general superintendent of car service; Lt.-Col. F. A. Gascoigne, superintendent of car service Montreal; and Maj. J. A. Hesketh, assistant engineer, Winnipeg.

The Military Cross has been gained by Temp. Lt. C. F. Casey (killed), Lt. J. A. Hamilton (killed), Lt. E. Irvine, Regt.-Sgt.-Maj. J. Jeffery, Maj. W. M. Kirkpatrick, Lt. W. B. McArthur (killed), Lt. It should also be mentioned that the European manager of the C. P. R., Lt.-Col. G. McLaren Brown, has been appointed an assistant director (unpaid) at the War Office.
