Danger to the Bacon Trade.

A great many undesirable hogs are being marketed by farmers throughout the province of Ontario. These are being converted into export bacon and forwarded to Great Britain, and because of their quality are sold there at a loss. This loss must ultimately be borne by the farmers, although the packers at the present moment are being severely punished.

As an example we quote the condition of the trade at the Geo. Matthews Company's factory, Ottawa, for the months of November and December, 1901, and the first week in January 1902. In November 1901 a total of 8970 pigs were received at this factory. Of these 5703 were selects, 1692 were lights, 1344 were light fats, 86 were heavy fats, 97 were sows, 3 were stags, 18 were cripples, and 220 were stores, these latter being lean pigs unfit for any purpose. Of 5551 hogs received at the factory in December 1901, the selects numbered 2875, the lights 1172, the light fats 720, the heavy fats 51, the sows 74, the stags 7, the cripples 75, and the stores 217. From the 2nd to the 4th of January, 1902, 1069 hogs were received. Of these 270 were selects, 508 were lights, 156 light fats, 10 heavy fats, 14 sows, 6 stags, 7 cripples, 92 stores. This makes a total for the nine weeks of 8354 selects, 3932 lights, 2120 light fats, 147 heavy fats, 185 sows, 18 stags, 55 cripples, and 529 stores, total 15,190.

Pigs termed selects are those that can be made into the best Wiltshire bacon, and are the sort that have made Canadian bacon famous on the English market. In order to keep up the price of hogs, the packers must receive the sort of hogs that will make the finest Wiltshire sides. To make this the packer must have smooth, well fed pigs with a large amount of lean meat in the carcasses, in proportion to the amount of fat. They must be well finished, and weigh on reaching the packing house from 180 to 200 pounds. On the pigs termed lights the packers lose at least one dollar per head. The light fats can be cut up and put into the retail trade, but too large a number of these light pigs would at any time glut the local market. The heavy fats can be worked up, when not too numerous, but will sell for at least one half dollar per hundred, live weight, less than selects. Sows and stags are very poor property and can only be used in supplying a very inferior trade. In order to be of any value to the packers sows and stags should be made as fat as possible. Cripples are of little or no value to the packers and are always fed at a loss to the farmers. Stores should never reach the pork packers, yet thousands of them are sent every week to the market by the farmers.

If the farmers continue to market such an undesirable lot of pigs, it will seriously affect the Canadian Bacon Trade in Great Britain and will bring about greatly reduced prices for hogs throughout Canada.

Pain in The Joints

May be muscular or rheumatic. The joints are hard to get at, and it requires a powerful, penetrating remedy to reach the affected parts. Polson's Nerviline exactly meets the requirements, for it is both powerful and penetrating. The pain is expelled as if by magic, for one drop of Nerviline equals in strength five drops of other remedies. You won't often call the doctor if Nerviline is in the house. Price 25 cents.

Eugenia

From Our Own Correspondent.

A good many of our young people have been embarking on the matrimonial sea this year to whom we wish bon voyage. Still we have a few bachelors left, who seem anxious to follow suit. Better late than never, boys.

Mrs. J. W. Heath of Leith and two children spent a few days visiting her parents recently.

Mrs. Robert Hawkins has been very ill the past week but is some better at present.

A good many Eugenia people are suffering from la grippe.

The storm of Saturday and Sunday was the worst of the season.

Married—Jan. 1st, 1902, at the home of the bride's parents, Mr. and Mrs. Roy, Eugenia, Mr. Medlar Guy of Osprey to Miss Maggie Roy of Eugenia. Rev. Mr. White of Eugenia tied the bridal knot. None but friends of the family were present. The bride was highly esteemed by a large circle of friends, who join in wishing her and her husband long life, prosperity and happiness.

Married—On Jan. 8, at the home of the bride's parents, Mr. Edward A. Carr to Miss Lizzie Cameron. Rev. L. W. Thos officiated. The young couple are both well and favorably known, and their many friends join in congratulations, wishing them prosperity and happiness wherever they may be.

Mr. Wesley Cowey of Wiarton spent a few days around Eugenia recently, visiting his uncle, Mr. John Williams, sr., and other friends.

Mr. and Mrs. John Sheppard of Moose Jaw, N. W. T., were welcome guests of Mr. and Mrs. Fred Sheppard the past week.

Samuel Gray, formerly of Osprey, who left here last spring for the Northwest, has very foolishly been getting himself, into a heap of trouble. It is alleged that he stole blank grain coupons from a grain buyer's office at Weyburn, Assa., forged the name of the buyer and attempted to collect payment for the same at Winnipeg. Jas. Wilkinson, who came home from Wolseley on Friday last, informs us that he was on his way home, at Winnipeg, he heard that Gray had just had his trial and had been sentenced to the Provincial penitentiary for seven years. Gray's wife and family still reside in Osprey.—Cypress Star.

Stones Settlement.

From Our Own Correspondent.

We have snow enough to meet all requirements

On Monday evening, the 13th inst., about two dozen of the pupils of our public school assembled at the residence of Mr. Henry Stone, from whence they proceeded en masse to the residence of Mr. and Mrs. Wood, and as some of them on being admitted were found to be carrying baskets, satchels, etc., it is quite possible that the thought occurred to Mr. Wood that his duties were to be augmented by the starting of a night school. If such were his thoughts, they were soon dispelled, for after a few commonplace remarks and the visitors had settled themselves for the evening, the object of their visit was made known in a neat little speech by Miss Sadie Fletcher, who, at the same time, on behalf of the pupils, presented Mrs. Wood with a very handsome silver cake basket as a slight token of their appreciation of the unremitting pains she had taken in training the children to sing for the recent concert. This was quite a surprise to Mr. and Mrs. Wood, and Mr. Wood, in behalf of his estimable lady, thanked his pupils for their unexpected kindness, assuring them that during their stay amongst them Mrs. Wood will always feel it a source of pleasure to do all in her power to assist them on all such occasions; Mrs. Wood also signified her intention of going to the school once a week to devote an hour or two in teaching them vocal music. Some of the young folks enjoyed themselves in various ways, while the older ones busied themselves in laying out the sumptuous spread which they had previously provided and which was afterwards disposed of in the usual felicitous manner. Vocal and instrumental music was kept up until about 11 p. m., when the visitors took their departure for their respective homes, well pleased with a well spent and most enjoyable evening.

We omitted to mention when last writing that Mr Frank Quinn was again re-elected school trustee. Mr. A. J. Kennedy still retains the office as secretary-treasurer.

We are sorry to announce that Mrs R. Waltraker is again under the doctor's care.

Our school is now provided with a cocoanole board for the amusement of the children during the wintry noon hours.

Miss Jane Lyness has purchased a new Cabinet organ direct from the factory, thus obtaining a superior instrument by saving agents profits. Our line is tolerably well supplied with music at present, for within two miles there are 11 organs, 2 violins, 1 fife, 1 piccolo, several mouth organs, and if we only had a triangle and a couple of tom toms we could beat the band.

Port Law

From Our Own Correspondent

Mrs. Falls' illness has assumed a serious form and she is at present very low, but we are glad to hear that her medical attendant has hopes of her ultimate recovery.

Mr. W. R. Dyson is laid up with a sore foot, caused by impaired circulation.

Mr. J. W. Haney had a severe attack of illness but is up and around again.

Mr. John Black and family have removed to near Dundalk.

Mr. Will Jamieson has been laid up with an attack of grippe, but is able to be at his work again.

Mrs. John Kerr is at present on the sick list, also Mrs R. T. White.

Mr. James Caufield has been suffering for the past week with a severe attack of quinsy.

Mr. Henry Wood has purchased the Dr. Christoe farm in this neighborhood.

We understand Mr. Alex Henry has sold his farm on the fourth line and purchased a larger one near Markdale.

Mr. Thomas Haney visited friends in Owen Sound recently.

Mr. Wesley Meads, wife and daughter of Duluth, have been here on a visit with Mrs. Meads' brother, Mr. John Winters, and a host of other relatives.

Allan Saunders, who has been working with Mr. W. J. Blackburn, slipped and fell while walking on the road and dislocated his arm at the elbow.

Dundalk.

From Our Own Correspondent.

The annual meeting of Erskine Presbyterian church was held on the 15th inst. The Rev. James Buchanan presiding. The business of the past year was reviewed and the reports presented by the several branches of the church and the work done was gratifying, each branch having a nice balance to their credit. The following are the gentlemen comprising the session: Messrs. Sinclair, D. Campbell, Dr. Martin, S. Morehead. Managers, Messrs. Fennel, Cowan, Wilson, McArthur, Henderson and Sinclair. The church is making great headway both financially and spiritually, under the able and eloquent pastorate of Rev. J. Buchanan.

The carnival given here on Friday evening was a success, though the maskers were not so numerous as they ought to have been.

Mrs. Rev Ross and little daughter of Orillia are visiting Mrs. R's parents, Mr. and Mrs. McGregor.

Grey County's Biggest Store

JANUARY
White Goods Sale.

To-day, Thursday morning, we start our annual January White Goods Sale. This season we have put in stock an unusually large assortment of Ladies' White Wear and have laid our plans for the biggest movement of White Goods ever done by this store. There's no reasonable reason why we can't sell white goods as cheap as any store in the Dominion. Buying in large quantities, direct from the Manufactures, for spot cash, puts us on the ground-floor for prices. You could not in the ordinary way, we honestly believe, buy the materials and make up white garments at home at the cost to you of the finished articles at this store during January; and we think you could not make them better. You are cordially invited to come and inspect whether you wish to buy or not. These prices are suggestive of others equally as good:
