THIS is purely a Canadian Institution, and as such is deserving of the support of the Canadian public.
An Act for the Incorporation of this Company is now before the Parliament of the Dominion.
Over $100,000 of stock is already subscribed and it is the intention to deposit with the Government as a guarantee of our good faith, at least $50,000 as soon as an Act of Incorporation is procured (which will be a provision of our Incorporation.) It is unnecessary here to dilate upon the profits of money invested in Insurance Stock. Suffice it to say, that, at least in one instance 335½ per cent advance has been obtained on insurance stock, and that after the payment of princely dividends. In the meantime Subscriptions to Stock, in Ottawa may be made at the Ontario and Royal Canadian Banks, and a deposit of 10 per cent is requisite which will be deposited in Trust to be returned in case any subscriber is not satisfied with his investment up to one month after the Vice-Regal sanction to the Charter is obtained.

Ætna Life Insurance Company.
ESTABLISHED, A. D. 1820.
Capital and Assets, 1st Jan., 1867, $4,401,833.86
THIS MOST SUCCESSFUL LIFE INSURANCE COMPANY divides the whole of the Profits, every year, among the insured, reducing the cost to about one-half the figures usually charged.
For instance, the annual payment at the age of 30, in most Companies, to insure $2000 is, with profits, about $50, and without profits $43.00
In the Ætna, $2000, to a person 30 years of age, costs the first year 25.31
And each subsequent year 26.74
Which payment is subject to further reduction as the business of the Company increases.
☞ Endowment policies on equally favorable terms.
The fact that the Ætna has, during the past 12 months, insured over 14,000 persons, from among the best business men of the Continent, is the best possible testimonial to the soundness of the Company, and the excellence of its method of doing business.
