OTTAWA MARKETS.

[Compiled expressly for the OTTAWA TIMES.]

Times Office, Ottawa,
July 28, 1868.

Notwithstanding the busy time among the farmers, many of whom have not yet finished their hay harvest, and others entering upon the wheat harvest, there was a better general supply in the market yesterday than for the last fortnight.

Potatoes, however, were scarce; there was a great rush of customers for them, and though very poor and small they were readily bought up at the rate of $1.60 per bushel for new, and 90 cents for old.

Poultry—We noticed a middling supply of spring chickens which hold readily at our quotations. Last year's fowls have for sometime past been selling with very little variation at our quoted prices. Of ducks and geese there are none, and of turkeys not sufficient to be noticed.

Eggs are somewhat more plentiful, and sell for 17 cents.

Oats have taken a rise, and are quoted at 57 cents.

Hay—Of this commodity there is a good supply in new, and it is quoted at $12 to $14 per ton.

Green Vegetables—There is a pretty good supply at comparatively moderate prices which sell readily.

SOMEBODY SAYS "there is something peculiarly attractive in a horse. His intelligent eye and ear, his lofty carriage, his free and graceful motion, his vast strength, his obedient temper, and his indispensable use, all endear him to us. We love to look at his fine proportions, and take in the inspiration of his energy and power," but it is only when the horse is properly cared for—when he is free from disease or unsoundness of any kind that he will exhibit those points of attraction, and without which he is of but little value. A package of "Darley's Arabian Heave Remedy and Condition Medicine," should be in possession or every man who owns a horse, to be used in case of emergency. Don't fail to get it. Remember the name, and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Newcastle, C. W., proprietors for the Canadas. Sold by all medicine dealers.

WHO WOULD BE WITHOUT IT.—None, we are sure, if they knew the wonderful effect the "Canadian Pain Destroyer" has upon all kinds of aches and pains. No matter what part is affected, or from what cause it arises, the moment the "Pain Destroyer" is applied, that moment you will get relief. It is the greatest medicine ever known for the cure of rheumatism, pleurisy, neuralgia, toothache, head-ache, sprains, bruises, bowel complaints, &c. Sold by all medicine dealers.

OWNERS OF HORSES REJOICE.—And why not? and who known but that their horses are rejoicing as well; who can prove the contrary? But their owners rejoice because of the astonishing and almost miraculous effects on their horses of "Darley's Arabian Heave Remedy." Some where lean and poor having no appetite, others would devour their food ravenously, yet derive no benefit from it; some were hide-bound with rough and shaggy hair; others had severe colds and coughs; many had the heaves and other complaints peculiar to horses; on all it operated as a charm, the disease or complaint was speedily removed, the appetite and digestive organs corrected—the skin softened, and a sleek and shining appearance given to the coat, all without any danger to, or preventing the horse being used. Remember the name, and see that the signature of Hurd & Co. is on each package. *Northrop & Lyman*, Newcastle, C. W., Proprietors for the Canadas. Sold by all medicine dealers.

A GREAT SENSATION!

A GREAT SENSATION!

PAIN CURED IN AN INSTANT.

IN 1847, the great grand principle—of stopping the most excruciating pain in an instant, without employing such dangerous agents, as Chloroform, Opium, Morphine, Aconine, Ether, etc., was first made known in

RADWAY'S READY RELIEF.

This remedy accomplished this wonderful and delightful desideratum in all cases of external and internal pain. In an instant it afforded relief, the moment it was applied to the parts of the body, where inflammation or pain existed—it at once relieved the patient of the most violent and excruciating pangs and throbs of pain, and imparted the delightful sensation of ease and comfort.

Every kind of pain, whether Rheumatism, Neuralgia, Toothache, Pains in the Chest, Side, Lungs, Stomach, Bowels, Kidneys, Spine, Legs, Arms, Feet, one application was sufficient to kill and exterminate the pain.

Taken internally 20 drops to a tea-spoonful would cure, and will cure, Asiatic Cholera, Fever and Ague, Chills and Fever, Bilious Cholic, Inflammation of the Bowels, Cramps, Spasms, Diarrhœa Dysentery, and every pain that may exist in the inside of man, woman or child; this was Radway's Ready Relief of 1847, and it is Radway's Ready Relief, greatly improved in 1868.

We then started it in its mission of relieving the infirm, pain-stricken, sick, distressed and crippled of all nations throughout the world, and now to-day it is used, patronized and *revered* as a household necessity, in the palaces of Sultans, Emperors, Kaimos, Kings, High Priests, Nobles, as well as in the cottages of the laboring classes of every nation on the face of the earth.

In every war that has taken place within the last 20 years, this remedy has been used as a preventive of malarious and infectious diseases—as well as a cure for wounds, stiff joints, bruises, accidents, and to relieve the soldiers from pain. Letters from Army Surgeons and distinguished Generals and soldiers in our late war are on file, certifying to the wonderful service of the Radway's Ready Relief. It will arm all against attacks of the worst diseases that prevail, as plagues or epidemics, and to those who are seized will at once check the disease and cure the patients sometimes with, and at others without remedial assistance. This is Radway's Ready Relief. Persons afflicted with external pains, or rheumatism, neuralgia, tooth ache, cramps, spasms, etc.: bathe the parts affected, either by rubbing with the hands or with a sponge dipped in the RELIEF, and pain will cease to exist.

The miserable stuffs scented with the Oil of Cassia or Peppermint, sold under the names of *paint*, etc. They are but imitations of Radway's Ready Relief, sent forth to the world under our old advertisements of 1847, etc. They are but imitations, and will die out in a few months. Their makers—nothing but a set of vagabonds, street hawkers, and camp followers of side shows to circuses, after the fashion of the "For Four Cent Man," knowing as much, or rather little, about medicine as Barnum's "What is It!" The doggerel advertisements, they pay hungry Bohemians to write for them. The existence of these miserable imitations of the great and good Ready Relief of Dr. Radway, will be brief—old patrons of Radway's Ready Relief are daily coming back, and so it will ever be—Radway's Ready Relief will ever stand the first, the best, the cheapest and quickest remedy for the instant cure of pain in the world.

Radway's Ready Relief is sold for 75 cents in bottles holding three times as much as any 25 cent bottle of any other remedy for the same purpose—and as much as any $1 of the Pain Killers. One bottle will hold out longer and do more good than half a dozen bottles of any other remedy. Sold by druggists everywhere at 25 cents per bottle, and at 439 St. Paul-street, Montreal.
