Stationery.

CARTER'S

COMBINED WRITING & COPYING INK.

THE ADVANTAGES OF THIS OVER OTHER INKS ARE:

First. It flows freely from the pen, and does not thicken by exposure to the air.

Second. It will give a perfect and instantaneous copy.

Third. It will not mould.

Fourth. Being equally as good for Copying as for Book-keeping, it entirely does away with the use of two kinds of Ink.

Fifth. It is more permanent than common Inks.

Sixth. The color, when first written, is a beautiful dark green, but in a remarkably short time it changes to a BRILLIANT JET BLACK—not a brownish black.

Seventh. It is admirably adapted to the most delicate writing, and ALWAYS "makes its mark."

This Ink is warranted to flow as freely as Arnold's, or any other Writing Fluid now in use; to give as perfect a copy as any Copying Ink; and not to mould.

Parties using Carter's Ink, and What They Say About it.

Post Office—"Best ink, by far; have used it for years."

Harnden Express Company—"Tried every kind, and give this the preference."

Bank of the Metropolis—"Grand, good ink; use it altogether."

Hamilton Bank—"We use Carter's Ink, and think it the best."

Jordon, Marsh & Co.—"Would not take any other as a gift."

J. R. Palmer & Co.—"It writes splendidly and copies beautifully."

Aetna Life Ins. Company—"Never used any ink we liked so well."

Paymaster's Office—"Best ink ever made in this or any other country."

POST OFFICE, PHILADELPHIA—I give it a preference over any other ink I have ever used. It flows freely, and does not gum with exposure.

PAIN KILLER

A PURELY VEGETABLE MEDICINE

TAKEN INTERNALLY, CURES

Sudden Colds, Catarrh, Coughs, Bronchitis, Asthma, Fever and Ague, Dyspepsia, Liver Complaint, Acid Stomach, Headache, Heartburn, Indigestion, Canker in the Mouth, Throat or Stomach, Sick Headache, Sea Sickness, Piles, Kidney Complaints Canker Rash, Cramp and Pain in the Stomach, Painter's Colic, Diarrhœa, Dysentery, Summer Complaint, Cholera Morbus, Cholera Infantum and Cholera.

APPLIED EXTERNALLY, CURES

Scalds, Burns, Frostbites, Chilblains, Erysipelas, Ringworms, Whitlows, Boils, Old Sores, Sprains, Bruises, Toothache, Headache, Neuralgia in the Face or Head, Pains in the Side, Pains in the Back and Loins, Rheumatism, Rheumatic Gout, Neuralgic or Rheumatic Pains in the Joints and Limbs, Stings of Insects, Scorpions, Centipedes, and the Bites of Poisonous Insects and Venomous Reptiles.

At this season, when coughs and colds are so prevalent, an effectual remedy, and one easily obtained, is *Perry Davis' Vegetable Pain Killer.* It is no new nostrum, vended by unknown agents, but has stood the test of over 20 years; and those who use the article, internally or externally, will connect with it grateful recollections of its worthy inventor.—*Hastings' Chronicle, C.W.*

PAIN KILLER.—The testimonials borne to the efficacy of this valuable medicine are sufficient to warrant its introduction into every house. Our own opinion is that no family should be without a bottle of it for a single hour. In fleshy wounds, aches, pains, sores, &c., it is the most effectual remedy we know of. A bottle will last for a very long time, and its low price places it within the reach of all. Our readers will remember that the Messrs. Perry Davis & Son have opened out a house in Montreal, whence Canadian orders are supplied.—*News, St. Johns, C.E.*

We are glad to learn that the "Pain Killer" is having so large a sale in our city. We have every reason to believe it to be an almost never failing cure for pain, and is a medicine that no family should be without.—*Montreal Pilot.*

It an attack of Diarrhœa, Dysentery or Cramp Colic, don't delay the use of the Pain Killer.

Rev. H. L. Van Meter, Burmah, writes, "The Pain Killer has become an almost indispensable article in my family."

Hundreds of missionaries give similar testimony of its virtues.

Rev. J. G. Stearns writes, "I consider it the best remedy for Dyspepsia I ever knew."

Rev. Jabez S. Swan says, "I have used it for years in my family, and consider it an invaluable remedy."

We cheerfully add our testimony in favor of this medicine.—*Roman Citizen.*

We have tasted this medicine and assure our readers that it not only possesses all the virtues claimed for it, but in many instances surpasses any other remedy which we have ever known.—*Herald of Gospel Liberty.*

It is really a valuable medicine. It is used by many physicians.—*Boston Traveller.*

I have used Davis' Pain Killer, and consider it an indispensable article in the medicine box. It has effected cures in Diarrhœa, and for cuts and bruises it is invaluable.—*New York Examiner.*

Spoken of in terms of high commendation by both druggist and physician.—*Philadelphia Eagle.*

The Pain Killer is sold at wholesale by druggists and medicine dealers, and commission merchants, in the principal cities, and retailed by Apothecaries, Grocers and at Variety Shops generally, throughout the world. Price, 15 cents, 25 cents and 50 cents per bottle.

MORTIMER'S

INFALLIBLE REMEDY FOR

CHOLERA, DIARRHŒA, and BOWEL COMPLAINTS.

The following extract, which Mr. Mortimer is kindly permitted to publish, is from the letter of a relative of Dr. Wolfe, of this city, now residing in the United States:

"Find out if the Express charges are too high, and if not, arrange with Mortimer to let you have a box of the bottles of CHOLERA MIXTURE. I could make a good little fortune with them. The bottle I brought with me here brought two ladies round from decided cholera; one on board the boat, and the other in Berlin, United States. Both commenced with diarrhœa, then with dysentery, and then vomiting. The one at Berlin was very bad. I gave her three doses of the Cholera Mixture, the third of which stopped the vomiting. The next day she was all right, or nearly so. She was very grateful. I have now only a little left."

This excellent mixture, which should be in every family, is only

DARLEY'S ARABIAN HEAVE REMEDY and CONDITION MEDICINE is positively superior to any, or all other preparations for the cure of Heaves, Coughs, Thick and Broken Wind, and all diseases which affect the wind of horses; also, as a Condition Medicine, surpassing everything of the kind, is easy to give, sure to cure and safe in all cases and at all times, and does not prevent the horse from being worked while using it.

It cleanses the breathing apparatus, by removing from the air-cells the coagulable lymph, or that secretion which in heaves clogs them, causing a difficulty in breathing, and by its action on the diseased part, causing the mucous membrane to resume its natural dimensions, thus equalizing the circulation of the blood, and restoring the distended vessels to their natural size; by its use the horse's appetite is improved, all derangements of the digestive organs corrected, softening the skin, and giving to the coat a sleek and shining appearance.

TEN REASONS

Why it Should be Used in Preference to all Others:

1st. Bread or Cakes made with it are more wholesome than if made with Yeast or any other process.

2nd. Its purity is such that it will stand the test of the most perfect analysis.

3rd. After having been extensively used for the last 14 years in not one instance has it failed to give entire satisfaction.

4th. Families that have used it pronounce it the best, and will use no other.

5th. It contains no Saleratus, nor does it impair the digestive organs like those powders where Soda or an excess of Alkali predominates.

6th. It never gives to Bread or Cakes an unpleasant Alkaline or mawkish taste.

7th. The ingredients that form its composition are more beneficial than otherwise.

8th. Dyspeptic subjects can eat hot Bread or Rolls made with it and derive benefit by its use.

9th. Every Packet contains its full weight; one pound packets weigh 16 ounces.

10. It is all that it is represented to be, namely:

Unrivalled for Purity and Cheapness.
