WHO IS MRS. WINSLOW?

As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female Physician and nurse principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup, for children teething. It operates like Magic—giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race; children certainly arise and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are DAILY sold and used here. We think Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use and that millions yet unborn will share its benefits, and unite in calling her blessed. No MOTHER has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Syrup. Try it, mothers—TRY IT NOW.—*Ladies' Visitor*, New York City.

The rates of the PROVINCIAL INSURANCE COMPANY are as low as its long experience has shown to be profitable.

The test of the value of insurance is, however, not when the premiums are being paid, but when losses are being settled, and, from the equity and promptness of its settlements the Provincial Insurance Company is second to none.

Its Inspectors are always sent to adjust every important loss directly it occurs.

It has no adjusted losses due and unpaid.

It respectfully solicits a share of the patronage of the insuring public of Ottawa.

ARRIVED AT LAST!

This elegant Turkish TONIC is one of the most salutary and delicate preparations ever submitted for public approval in this hemisphere, and asserts its pretentions to patronage on the following grounds:—

That it is a preparation of one of the most eminent Purveyors to the Ottoman Court.

It prevents acidity of the Stomach.

It relieves lowness of spirits.

It is a mild and invigorating tonic, and a cost efficient but innocuous stimulant.

It renders the breath sweet and agreeable.

It stimulates the appetite if taken BEFORE meals.

It promotes digestion if taken AFTER meals.

It neutralizes the propensity for strong liquors.

It renders the intellect bright and clear.

If taken habitually it imparts vitality and energy to all the bodily organs.

By its use a man of 70 will become, as it were, restored to the elasticity of 30; and to persons of delicate constitutions it is strongly recommended.

It is an especial favourite with Oriental ladies.

Secure, then, health, longevity and vital energy by the habitual use of the

ALKABASAR TURKISH TONIC.

Kept in stock by the principal Druggists and Grocers in the Dominion.

For directions for use see labels on bottles.

SHOSHONEES REMEDY.

STOP AND SEE!

The following remarks on testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY.

They are stern undeniable facts, sufficient to convince the most sceptical that the great medicinal compound, yearned after for ages, is now accessible in the great

SHOSHONEES REMEDY.

Where was there ever such a cure as that of Wilson Storms, of Brighton, Ont, of Consumption, or that of Peter C V Miller, of Brantown, Ont, of Consumption, or that of Ambrose Wood, of Consecon, Ont, of Dyspepsia and Liver Complaint, or that of John Hoxey, of Napanee, of Rheumatism, who had actually been on crutches for years, but has now recovered the use of his limbs.

Handbook, containing unquestionable certificates on the great Shoshonees Remedy and Pills can be obtained at all drug stores.

Price of the Remedy in large pints, $1. 31y
