General Debility.

NORTH HAVEN, Knox County, Me., June 12th 1871.

Mr. James I. Fellows, Chemist, St. John, N. B.

DEAR SIR—Having used your chemical preparations of Hypophosphites, which was recommended to me by Mr. Blagdon, apothecary of Rockland, I am truly surprised with its wonderful effects, because for several years my health has been declining, notwithstanding every means possible, which offered encouragement, was used by me. Several alarming symptoms appeared, amongst which were dyspepsia, palpitation of the heart, impoverished blood and great prostration. Since January, when I began the use of your Syrup, my health has steadily and amazingly improved, so that now it gives me great pleasure to recommend it to others, and at this way to show my gratitude for return of health. To all who require a remedy for debility, I would say they will find your compound Syrup of Hypophosphite just what you say it is. I believe it is the best preparation in use.

I am, Sir, &c.,

Electricity! Thomas' Eclectric Oil!—Worth Ten Times in Weight in Gold.

Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents worth has cured an old standing cough. It positively cures Catarrh, Asthma and Croup. Fifty cents worth has cured crick in the back, and the same quantity lame back of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which we think, should be sufficient to satisfy the most sceptical. J. Collard, of Sparta, Ontario, writes "enclosed find 6 dozen Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now; its cures are truly wonderful." William Maguire, of Franklin, writes, "I have sold all the agent left, it sets like a charm—it was slow at first, but takes splendidly now." R. Cole, of Iona, writes, "please to send 6 dozen Thomas' Electric Oil, I am nearly run out; nothing equals it. It is highly recommended by those who have used it." J. Bedford, Hamesville, writes—"Send at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well, and give such general satisfaction." J. Thompson, Woodford, writes—"Send me some more Electric Oil. I have sold entirely out. Nothing takes like it." Miller & Reed, Ulverton, P.Q., writes—"The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb & Co., Buckingham, P.Q., write—"Send us one gross Electric Oil. We find it to take well."

Sold by all medicine dealers. Price 25 cents.

DR. DE JONGH'S LIGHT BROWN COD LIVER OIL. The distinctive characteristics which have gained for Dr. De Jongh's Oil so much celebrity, the entire confidence of the most eminent members of the Medical Profession, and notwithstanding the active and unscrupulous opposition of many interested dealers, an unprecedented amount of public patronage may be thus briefly enumerated:—

I.—Its genuineness, purity, and uniform strength ensure satisfaction guaranteed.

II.—It contains all the active and essential principles that therapeutic experience has found to be the most efficacious of the medicine.

III.—It is palatable, easily taken, and creates no nausea.

IV.—It is borne with facility by the most delicate stomach and improves the functions of digestion and assimilation.

V.—Its medicinal properties and remedial action have been found to be decidedly greater than those of any other kind of Cod Liver Oil.

VI.—From the unequalled rapidity of its curative effects, it is infinitely more economical than any which is offered, even at the lowest price.

CONSUMPTION AND DISEASES OF THE CHEST.

The extraordinary virtues of Dr. De Jongh's Light Brown Cod Liver Oil in Pulmonary Consumption may now be considered as fully established. No remedy so rapidly restores the exhausted strength, improves the nutritive functions or produces a more marked and favorable influence on the local malady.

The following high testimony to the efficacy of Dr. De Jongh's Cod Liver Oil in Consumption is afforded by ALLEN G. CHATTAWAY, Esq., M.R.C.S., L.S.A., of Leominster:—

"Having for some years extensively used Dr. De Jongh's Light Brown Cod Liver Oil, both in public and private practice, I have no hesitation in stating its effects are very far superior to those of any other Cod Liver Oil. Nearly four years since, two cases of confirmed Consumption were placed under my care. In both, the lungs were a mass of tubercular deposit, and every possible sound to be heard in phthisis was present. The sole remedy employed was Dr. De Jongh's Light Brown Cod Liver Oil; and now the patients are strong and fat; the diseased (abnormal) sounds nearly inaudible; and in the one case (male), hunting, fishing, and shooting are freely indulged in, the patient expressing himself quite capable of undergoing as much fatigue as any of his fellow sportsmen."

GENERAL DEBILITY AND EMACIATION.

In cases of prostration and emaciation, where the vital forces are reduced, and where life appears to be even at its lowest ebb, the restorative powers of Dr. De Jongh's Light Brown Cod Liver Oil are remarkably manifested. By its administration the natural appetite is revived, and the functions of digestion and assimilation are improved, reanimated, and regulated; and, when its use has been steadily preserved in, its peculiar tonic and nutritive properties have entirely restored health and strength to the most feeble and deteriorated constitutions.

The actual benefit derived is thus described by ROWLAND DALTON, Esq., M.R.C.S., L.S.A., District Medical Officer at Bury St. Edmunds:—

"In giving my opinion of Dr. De Jongh's Light Brown Cod Liver Oil, I have no hesitation in saying that I have not the slightest confidence in any other kind. The effects of Dr. De Jongh's Oil are sure and most remarkable, especially in that broken down state of health and strength which usually precedes and favors tubercular deposit; and I never recommend any other sort. The Oil I have had from you was for my own use, and it has certainly been the only means of saving my life on two occasions, and even now, when I feel 'out of condition,' I take it, and like it, unmixed with anything, as being the most agreeable way. I could wish that Dr. De Jongh's Oil would come into general use, and entirely supersede the Pale and other worthless preparations."

SELECT MEDICAL OPINIONS.

From innumerable medical and scientific opinions of the highest character in commendation of Dr. De Jongh's Light Brown Cod Liver Oil, the following are selected:—

*Sir Henry Marsh, Bart., M.D., Physician in Ordinary to the Queen in Ireland.*

"I consider Dr. De Jongh's Light Brown Cod Liver Oil to be a very pure Oil, not likely to create disgust, and a therapeutic agent of great value."

*Dr. David Smith, F.R.S., Medical Officer to the Poor Law Board of Great Britain.*

"We think it a great advantage that there is one kind of Cod Liver Oil which is universally admitted to be genuine—the Light Brown Oil supplied by Dr. De Jongh. We have been very practice, when prescribing the Oil, to recommend this kind, since, amidst so much variety and uncertainty, we have confidence in its genuineness."—(Extract from "Consumption, its early and Remediable Stages.")

*Dr. Barlow, F.R.S., Senior Physician to Guy's Hospital.*

"I have frequently recommended persons continuing to make use of Dr. De Jongh's Cod Liver Oil. I have been well satisfied with its effects, and believe it to be a very pure Oil, well fitted for those cases in which the use that substance is indicated."

*Dr. Lawrence, Physician to H.R.H. the Duke of Saxe-Coburg and Gotha.*

"I invariably prescribe Dr. De Jongh's Cod Liver Oil in preference to any other, feeling assured that I am recommending a genuine article, and not a manufactured compound in which the efficacy of this invaluable medicine is destroyed."

*Sir Joseph Olliffe, M.D., Physician to the British Embassy at Paris.*

"I have frequently prescribed Dr. De Jongh's Light Brown Cod Liver Oil, and I have every reason to be satisfied with its beneficial and salutary effects."

*Lankester, F.R.S., Coroner for Central Middlesex.*

"I consider that the purity of this Oil is secured in its preparation by the personal attention of so good a Chemist and intelligent a Physician as Dr. De Jongh, who has also written the best Medical Treatise on the Oil with which I am acquainted. In practice, I deem the Cod Liver Oil sold under his guarantee to be preferable to any other kind as regards genuineness and medical efficacy."

*Dr. Granville F.R.S., Author of the "Spas of Germany."*

"Dr. Granville has found that Dr. De Jongh's Light Brown Cod Liver Oil produces the desired effect in a shorter time than other kinds, and that it does not cause the nausea and indigestion too often consequent on the administration of the Pale Oil."

*Edwin Canton, Esq., F.R.C.S., Surgeon to Charing Cross Hospital.*

"For several years past I have been in the habit of prescribing Dr. De Jongh's Light Brown Cod Liver Oil, and find it to be much more efficacious than other varieties of the same medicine which I have also employed with a view to test their relative superiority."

Dr. De Jongh's Light Brown Cod Liver Oil sold only in Imperial Half-pints, 2s. 6d.; Pints, 4s.; Quarts, 8s.; Capsuled and Labelled with his Stamp and Signature

The most ordinary ironer is enabled to compete with the most skilful, giving the linen the appearance it had when it came from the store,—new and beautiful. Goods done up with it keep clean much longer, thereby saving time and labor in washing. This is the most economical article that can be used, costing only about three cents to do the ironing of a large family. It gives the Linen such a smooth glossy surface that the dust and dirt will not adhere to it, so that it will keep clear much longer. It is very highly recommended by the Montreal *Herald*, *La Minerve*, *Le National*, and by all the leading American papers.

It is put up in boxes to last a family about three months, and can be had *Wholesale* of all respectable Grocers, Druggists, and Dealers in House Furnishing Goods, 25 cents per box.

Caution.

GENUINE PANCREATINE

PANREATIC EMULSION.

The efficacy of these Medicines in the treatment of Indigestion, Bronchitis or Pulmonary Catarrh, Consumption, Wasting, &c., &c., depending entirely upon their purity and strength. Messrs SAVORY & MOORE caution the public against imitations of them which are set forth as possessing the remedial properties of the true preparations, but which are in reality either saponaceous compounds, ointments or pomades, without a trace of the Pancreatic principle and entirely unfit and useless as medicines. These imitations are calculated to produce serious disappointment and to injuriously affect the reputation which the Genuine Pancreatine and Pancreatic Emulsion have acquired. It is therefore highly important that purchasers examine the label on the bottles for the names and Trade Mark

"SAVORY & MOORE."

The Original and only Manufacturer Chemists to the Queen, H.R.H. the Prince of Wales, H.I.M. Napoleon the Third, His Highness the Khedive of Egypt, &c.,

143 NEW BOND STREET, LONDON.

Extract from an Analytical Report upon a Foreign Specimen of a so-called Preparation of Pancreatine.

"This compound resembled an Ointment or Pomade in appearance and consistency, and was flavored with Essence of Almond or Prussic Acid. It was strongly alkaline, indicating free alkali, which, acting upon the fat, produced the usual saponifying result; the whole forming a granular moist mass of fat, soap, glycerine and water. This ointment was physically and chemically different from the true Pancreatic Emulsion which I have also examined, and which, besides being rich in Pancreatic juice, has the delicate smooth appearance and consistency of fresh cream, is palatable and readily taken."
